

2022 Homecoming Committee Application Packet

The Angelo State Homecoming Committee is responsible for the coordination and execution of one of the largest student run events, Homecoming. The Homecoming Committee works extremely hard to plan a week of great events. It requires a large time commitment during the year. So please consider carefully whether or not you are able to make that commitment.

There will be weekly meetings beginning in the spring and continuing into the fall semester. Members of the Homecoming Committee may not participate in the Spirit Stick Contest or be elected for Homecoming King or Queen. It is highly recommended that students applying for a Chair position in the committee live in or near San Angelo during the summer.

Eligibility: All students are encouraged and invited to participate in the Homecoming Committee. Applicants should have a 2.0 cumulative GPA. The leadership skills and experience gained by being a member are invaluable for future success and can be applied in various ways in future endeavors.

In order to apply for any position, you must have a completed **an online application turned in no later than March 11th, 2022.** Interviews will be scheduled accordingly.

Notification of Results
