

CONVID-19 Visual and Performing Arts Response and Information

Dear Angelo State University Visual and Performing Arts students, current and future.

Beginning Monday, March 23rd all classes will be moved on-line.

We apologize for the inconvenience the recent move to on-line instruction, for both academic and performance based classes, has caused you. Our desire is to continue to provide you the best educational experience we can while considering the health and safety of our students, faculty and staff.

Please do not hesitate to contact me with any additional questions. If I don't have an answer I will direct you to the person who does. chris.stewart@angelo.edu.

Classes—VPA instructor will be reaching out to all students soon and they will provide instructions on how the remaining coursework will be completed. This move has happened quickly, so it may take a few days before you receive something from your professor. If you have not heard from your professor please email me at chris.stewart@angelo.edu.

Public Events- all VPA events, concerts, productions and exhibitions have been cancelled.

Facilities –Wednesday, March 18 all the classrooms, labs and studios will be closed.

Advising and summer/fall registration- the Freshman College will remove all advising holds. Please contact your advisor to get advised. If you are unsure of who to contact please email me at chris.stewart@angelo.edu I will direct you to the correct advisor.

Degree Works -I do ask that all students familiarize themselves with Degree Works. Degree Works is accessed through Rampart and your advisor will be accessing this platform as they assist you in selecting classes for fall 2020.

Be safe and please do not hesitate to contact me with any questions or concerns, Mr. Stewart
