Mission statement of Angelo State University:
Angelo State University, a member of the Texas Tech University System, delivers undergraduate and graduate programs in the liberal arts, sciences, and professional disciplines. In a learning-centered environment distinguished by its integration of teaching, research, creative endeavor, service, and co-curricular experiences, ASU prepares students to be responsible citizens and to have productive careers. (Intercultural competence, including some second language awareness, will almost certainly be required for success in tomorrow’s world.)

Departmental purpose: .to help students acquire the ability to read, write, speak, and understand world languages, and to appreciate and evaluate other literatures and cultures...to prepare students for certification to teach in the public schools....

My personal and professional goals: .to heighten awareness of the role of language in society; to encourage exploration of various learning models in second language learning.

COURSE DESCRIPTION

Spanish 1301 is a beginning Spanish course designed to provide an introduction to the language and culture of the Spanish-speaking world. The students will practice the four language skills (listening/understanding, speaking, reading, and writing) both with the instructor and with classmates. The course materials provide abundant communicative activities along with many form-focused exercises and offer a good variety of authentic cultural materials. Practice will continue beyond the classroom with technology-based exercises. National Standards describe the Five C’s of Foreign Language Education: Communication, Cultures, Connections, Comparisons, and Communities. Successful students will learn “how, when, and why to say what to whom.”

STUDENT LEARNING OUTCOMES

Upon completing Spanish 1301, students will be able to
- communicate minimally by using isolated words and memorized phrases with reference to a particular context in which the language has been learned.
- ask and answer some direct questions and express themselves in writing mostly in the present tense about familiar objects, their immediate environment and some basic interests.
- read and comprehend simple texts on an elementary level.
- demonstrate an understanding of some of the salient features of the history and culture (perspectives, practices, products) of the Spanish-speaking world.
- communicate in all 3 modes—interpretive, presentational, interpersonal—at the ACTFL Novice mid to high level.

MySpanishLab, Practice Tests and other Homework Assignments

Each student must complete the work assigned before coming to class on the specified day. The assigned online Student Activities Manual exercises (SAMs) from MySpanishLab will accompany the assigned pages in the text (a CODE will be required for access to this material).

Oral Evaluations and In-Class Compositions

The Actividades orales / tertulias (dialogs and/or interviews) are on topics we will have prepared and will be completed at a time you will have signed up for. THERE WILL BE NO MAKE-UPS. The Actividades escritas (compositions) are also on topics we will have prepared and will be completed during the regularly scheduled class. THERE WILL BE NO MAKE-UPS.

Capítulo Exams

The exámenes (exams) will contain both oral and written cues (and cultural content) similar to exercises either in the text or in the MySpanishLab exercises. THERE WILL BE NO MAKE-UP EXAMS.

Participation

Class attendance is the first step toward a positive daily activities/participation grade, but there are also other factors. Active participation, taking initiative, and speaking Spanish in class will favorably impact your daily grade. It will also help your daily grade if you come to class prepared (there are some graded pop quizzes and activities).
This means you will have done your preparation in the textbook, online, and anything else I might assign. Everyone starts with an 80% participation grade. It is then up to you to raise that grade by your stellar participation or to lower it accordingly.

**Syllabus subject to revision.**

**COMPREHENSIVE FINAL EXAM**— See posted schedule for time and date
**My Role / Your Role:** Because of the way languages are learned by adults, you really cannot be “taught” Spanish. Therefore, **my role** is to facilitate language learning by creating an environment in which the language acquisition process is enhanced, guiding you, creating opportunities for meaningful practice, and assessing your progress. Every course requirement is designed with this in mind; there is no “busy” work assigned. All of the course work has a purpose. **Your role** is to fully immerse yourself in the work, both in the classroom and through the outside assignments.

**Become aware of your personal learning style because it has real implications for your progress.**
*Do you process what you hear easily, or do you prefer to see everything written down? Do you prefer to work alone or in groups? Are you a big picture kind of person or are you detail oriented? Do you spell well in English? etc.* Sign up on my office door for an appointment if you’re experiencing any difficulties. My specialty is Second Language Learning—I can help you be a successful language learner.

**Before** coming to class, each student must **first** review very carefully the pages indicated in the text, **then** complete the exercises in the text using e-links, and **then** complete on MySpanishLab the appropriate exercises accessible in the on-line Student Activities Manual. (The better your results on these practice exercises, the better your performance in class and on tests and assessments.) These exercises are the basis of activities we will do together in the classroom, along with exercises from the text--cooperative communicative activities will be done in class as well, some may be graded. Other exercises in the text and on MySpanishLab include audio and video files, tutorials, extra practice exercises, and practice tests on-line. **Students are strongly encouraged to continuously practice the ‘Letras y Sonidos’ sections of all chapters (1-15), especially if your speaking and/or writing skills are not strong.** Your daily class participation grade is important; you learn a foreign language by **doing** it. Bring your text to every class.

**Class attendance is crucial to your success in this course.** I suggest strongly that you not miss any portion of even a single class. However, you are allowed 3 absences for any reason; for every absence after, there is a deduction of 2 points from your final grade. Each missed portion of a class (late arrival, leaving early, exiting and re-entering, etc.) will be counted as one-half (1/2) absence. According to the Angelo State University Undergraduate Catalog, valid reasons for an absence include illness, family emergency or participation in an authorized university activity. If you have one of these valid reasons, it is your responsibility to petition, **in advance if possible,** and to provide documentation to excuse the absence **immediately after your absence**—within 24 hours of your return—do not wait until the end of the semester. Petition may be emailed at the beginning of the semester. If this petition is approved, the negative consequences for the missed class will be waived. Petitions will only be approved if you have a valid and adequately documented reason for missing the class. Be sure to attach to this form all appropriate supporting documentation, such as a medical receipt, police report, letter from the athletic department, etc. Otherwise, no late assignments are accepted.
On the other hand, **good attendance is rewarded**. If you complete the semester with no absences, your lowest assessment/test grade will be dropped (you must take all of them); if you have 1 absence, the lowest 2 SAM sets will be dropped; if you have 2 absences, 1 will be dropped; if you have 3 absences, there is no absence penalty.

Students absent more than 4 times lose the possibility of receiving an ‘A’ in the course. Students absent for 12 times or more will automatically receive an ‘F’.

It is very important that you attend each class. In second language learning, we advance quickly, and new concepts are often based on concepts learned earlier. If you miss a class, get caught up right away, even if you won’t receive a grade for it. It is **your** responsibility to find out the material we covered in the class period you missed (including homework) and learn/complete those materials. **Class time is critical to practice speaking and listening to the language.** Learning a second language requires constant practice and exchange with others in class.

**LANGUAGE STUDY IS CUMULATIVE—WE RECOMMEND YOU HAVE AN A OR B TO BE SUCCESSFUL IN THE NEXT LEVEL.** If you are a certification candidate, a C or better is required. **IN ADDITION TO OFFICE HOURS OF 6 Spanish instructors, SUPPLEMENTAL INSTRUCTION and TUTORING IS AVAILABLE.**

**Cell Phone Policy:** Turn off all pagers, cell phones, or other electronic communication devices before entering the classroom. **Use of these devices in class (without prior arrangement with me) will result in your leaving the class with a zero, at the very least.**

“**The Student Life Office is the designated campus department charged with the responsibility of reviewing and authorizing requests for reasonable accommodations based on a disability, and it is the student’s responsibility to initiate such a request by contacting the Student Life Office, Room 112 University Center, at (325) 942-2191 or (325) 942-2126 (TDD/FAX) or by email at student.life@angelo.edu to begin the process. The Student Life Office will establish the particular documentation requirements necessary for the various types of disabilities.”**

"**Persons with disabilities which may warrant academic accommodations must contact the Student life Office, Room 112 University Center, in order to request such accommodations prior to any accommodations being implemented. You are encouraged to make this request early in the semester so that appropriate arrangements can be made.""

"**Angelo State University expects its students to maintain complete honesty and integrity in their academic pursuits. Students are responsible for understanding the Academic Honor Code, which is contained in both print and web versions of the Student Handbook."**
