Course Description

This class is a survey of American History from the Colonial Era through the end of the Civil War. Our main goal is to gain a better understanding of the development of the U.S. as we become familiar with the struggles and controversies that helped shape American society. We will concentrate on themes including European contact, development of American colonies, building up a nation, expansion, slavery, labor, transportation, the economy, religion and reform, disunion and reconstruction. The course objectives are:

1. To gain a better understanding of the major historic events between 1492 and 1865.
2. To acquire a historical understanding of cultural groups and issues
3. To improve skills of analysis and logical reasoning
4. To improve the ability to write and comment effectively.

This course fulfills not only the U.S. History graduation requirement for SFDR-CISD, but also fulfills the U.S. History credit requirement for a Bachelor's Degree from a state university in Texas. This course is transferable to other colleges and universities. Because credit is given for both high school and college, students are expected to work harder than if they were to take a "regular" high school history class. Therefore, the expectations for students will be high; however the rewards will also be significant.

Course Materials

Students will also receive teacher-generated handouts and materials throughout the semester.

Students will also need:

- 3 ring binder (1-1/2 inch) with 5 dividers.
- Paper for note taking (loose leaf or spiral notebook).
- Pens, pencils and highlighters
- Colored Pencils (optional)
- You may bring your tablet to class, but you may only use it at times approved by the instructor.
- It is also strongly suggested that you have a planner or calendar, either electronic or paper copy, to help you stay organized with assignments and due dates.

Student Evaluation

60%   Major Grades (Quizzes, Projects, binder etc.)
30%   Minor Grades (Notes, Homework, Daily Assignments, Participation, etc.)
10%   Comprehensive Final Exam

*Please note that the College Grading Scale is different from the High School Grading Scale. You may receive a D in the course, which is a passing grade for Angelo State University. A college D, however, is a high school F. Do not be satisfied with mediocrity; strive to become the best you can be!

Student Contributions

All students who participate in Dual Credit US History are expected to read analytically and critically. Students are then expected to answer analytical objective questions and become proficient in writing expository essays with or without documents. **Students will be responsible for reading at least one chapter of a college level text and taking notes over the material each week.** Time management, reading comprehension, critical thinking, note taking, and the ability to see the “big picture” and its component parts are skills needed for success. The student is expected to:

1. Attend classes daily, be prepared and be on time
2. Pay attention and take proper notes from class lectures, readings and videos
3. Complete and turn in all homework and assignments on time
4. Be present for all exams
5. Respect the views of others in the class at all times
6. Access Blackboard for assignments/supplemental materials
7. Spend time outside of class studying and preparing for class

CLASS POLICIES

1. EVERY STUDENT MUST:
   - Come to class prepared. Being prepared for class means having in your possession the following items: your binder, your textbook; a working pen and/or a sharpened pencil; any assignments that are due; and something to keep you quietly busy during periods when you are caught up or waiting for the rest of us. A tardy may be assessed for each trip to get class materials after the bell rings.
   - Place name, date and period in the upper right corner of all assignments. There should also be a title on the page for the assignment you are turning in. (5% deduction for failure to comply).
   - Access ASU Blackboard regularly. Blackboard will have your grades, PowerPoints, outlines, and study guides as well as other helpful links and information for the class. Blackboard is your friend.

2. BINDER
   - Students are required to maintain a binder for this class. It will be taken for a grade.

3. QUIZZES
   - There will be weekly quizzes over each chapter of study.
   - Quizzes are always announced in advance. Pay attention to Blackboard announcements and Remind notifications.
   - All students are expected to take the quiz if they are present in class on the day it is administered, regardless of an absence on the prior day of class.
   - Makeup quizzes due to an absence are to be completed by appointment. This appointment must be made and completed within one week after you return to school. If this is not accomplished the result will be a zero for that test. The responsibility for makeup is entirely yours.
   - Students may not re-take quizzes
   - All students will receive a 5 point bonus on their exam if every student takes their quiz on or before their assigned quiz day.

4. ASSIGNMENTS / HOMEWORK
   - You will have homework every day. Homework assignments are due at the beginning of the period.
   - Assignments are expected to be turned in on their due date. Late assignments will be accepted, but will only receive a maximum of half credit.
   - If you are ever unsure of anything, email or send a message through the Remind app to Mrs. Mercer.

5. LATE WORK
   - Late assignments will be accepted for up to one week after the assignment was due, but will only receive a maximum of half credit.
   - Work turned in late on the day it is due will receive a 15% deduction. This is in effect for work completed late in or after class or work forgotten at home.
6. ABSENCES / MAKE UP POLICY
   • It is the responsibility of the student to get all assignments missed during an absence. All makeup assignments must be turned in within one week of the absence.
   • All assignments given prior to any absence (excused or not) are due the day you return, NOT the day after. Basically, if you know about it, you are responsible for it.
   • If a student is on campus for any part of the school day, pre-assigned work must be turned in that day. You may turn it in to Mrs. Mercer’s classroom or her mailbox in the front office.
   • Any quizzes or exams will be made up during an appointed time set up between the student and the teacher (Appointment must be made the day you return). Exams and quizzes must be made up after school and be completed within one week after you return to school. If this is not accomplished the result will be a zero for that test.
   • A single day or period absence will not excuse you from any quiz scheduled for the day you return IF prior announcement was given (in the form of vocal, calendar, board or written).

7. PARTICIPATION POINTS
   • Every month each student will be given a participation grade. Everyone starts the month with 100 points for participation. Points will be lost for negative conduct and not participating in class. Lost points may be earned back for positive contributions to the class. Points shall be taken away for various infractions including, but not limited to, the following:
     o Being disrespectful to Mrs. Mercer or the other students in class; talking in class when you shouldn’t be; unauthorized use of cell phones and/or electronic devices; sleeping and/or not paying attention in class; use of profanity in the classroom.
     o Failure to come to class prepared. Being prepared for class means having in your possession the following items: your binder, your textbook; a working pen and/or a sharpened pencil; any assignments that are due; and something to keep you quietly busy during periods when you are caught up or waiting for the rest of us. (Homework, book or magazine, etc.);
     o Accumulating more than 3 tardies during a semester.

8. TARDY POLICY
   • Students are expected to be in class on time. Consequences for arriving tardy are as follows:
     o 1st Tardy - Verbal Warning
     o 2nd Tardy - Verbal Warning
     o 3rd Tardy - Student/Teacher Conference and loss of participation points for each subsequent tardy for the rest of the semester
     o 4 + tardies – Escalation to DRHS office personnel and Assistant Principal.

* The teacher reserves the right to use her own discretion when assigning consequences.*

9. CELL PHONES & ELECTRONIC DEVICES
   • Cell phones may not be accessed during Dual Credit U.S. History without teacher approval. You must place your cell phone in "jail" in the front of the classroom.
   • If you use a cell phone or other electronic device, Mrs. Mercer will confiscate the device and turn it in to the office.

10. BATHROOM POLICY
    • The bathroom should be used before and after class – not during. However, I understand that there may be emergencies that occur throughout the semester. Each student will be given 3 bathroom breaks per six weeks. Unused trips to the bathroom will earn you 3 extra credit points each. If you do not use a pass the entire six weeks you will be given 10 extra credit points.

11. EXTRA CREDIT
    • Every test day I will do a book check. For each test that you bring your book to class I will give you one extra credit point on your FINAL EXAM.
• In addition to extra credit for everyone taking the test on or before their test day, bathroom passes, and bringing your book to class, students may have other opportunities for extra credit throughout the semester. More information will be provided as the semester continues.
• I do not round up grade percentages. An 89.4% is a B. Completing extra credit is encouraged.

12. OFFICE HOURS / APPOINTMENTS
• I tend to be in my room most days after school. Feel free to come by and see me or make an appointment if you need help with an assignment or have any concerns you would like to discuss with me.
