Students will also be assessed through online journal entries, and other quizzes or shorter written assignments.

**Writing Assignments:** Our writing this semester will be limited to the online journal entries. The journal entries are summaries of your chapter notes/reviews for each of the exams. All of the normal rules of writing will apply (grammar, syntax, spelling, etc.) and will be graded accordingly. More details will be given in class on this component.

**Class Attendance:** According to the ASU Bulletin, p. 150, "Students are expected to be present for **ALL** class meetings of the courses for which they are registered. An accurate record of attendance for each student must be maintained by the instructor.”

I will allow students two absences to account for university functions, illness, or any other reason. Students who accumulate three to five absences will be penalized by a reduction of their final grade by three points per absence. Six or more accumulated absences in the semester will constitute and automatic grade of F for the course. Students are responsible for material covered in class during their absence. If you are absent, make arrangements for lecture notes and handouts with your classmates. Please note: Failure to attend a full class period will be counted as an absence. This means that if you show up **AFTER** role is called, you are counted as absent. Finally, please be aware that class attendance also carries the expectation that you arrive having
adequately prepared for that class by reading assignments, completing written assignments, actively listened to listening assignments, etc. It is also expected that ALL students participate in class discussions.

**FINALLY!!! You are expected to bring your textbook and anthology to each class meeting. If you fail to do so, you will be excused from class for that day and be given an absence for that class meeting.**
