Attendance Policy/Makeup Work
Attendance and punctuality are imperative in a college course. All assignments are due on their due dates regardless of whether a student is absent from class or present. Due dates for assignments are given in advance. Students who are absent for a school trip, or any other reason on the day an assignment is due, must turn in the assignment early or give the assignment to a parent/sibling/other responsible person to give to the instructor on the day it is due. Assignments may also be turned in via e-mail to Miriam.Smith@saisd.org.

If a quiz is given the day a student returns to class, the student is expected to take the quiz. Students should contact the instructor, a trustworthy classmate, or Google Classroom if absent to see what assignment was missed during the assignment. Students who are absent on the day a quiz/test is given have the number of consecutive days absent to make up the quiz/test or schedule time to make up.

Students should make every attempt to avoid scheduling doctor appointments, college visits, counseling center appointments, etc. during any advanced level class time.

San Angelo Independent School District Pre-AP/AP/DC Course Commitment

Choosing Pre-Advanced Placement (Pre-AP)/Advanced Placement (AP)/Dual Credit (DC)
SAISD is committed to identifying and encouraging students with potential for success, communicating the value of college-rigor coursework, supporting advanced academic instruction, and providing students with opportunities for success. Our teachers are committed to encouraging student participation and success, planning for student learning, providing rigorous, quality instruction, and offering assistance for struggling students.

Students enrolled in Pre-AP courses are expected to maintain at least a 70 average. Student grades will be reviewed each grading report cycle (3 weeks). In the event that the grade is below a 70 average, students, parents, teachers, counselors, and administrators should discuss: steps for improvement, student supports necessary for success, and potential outcomes for not meeting grade expectations. The teacher must develop a targeted improvement plan for students. Examples of strategies for the intervention plan may include, but are not limited to: parent/teacher communication, assignment calendar/organizational strategies provided by the teacher and made available to both student and parent, and opportunities for reteach/retest/redo for mastery of objectives.

Petition for Pre-AP/AP/DC Course Exit
To ensure that students allow sufficient time to become acclimated to the courses and what the Pre-AP/AP/DC curriculum can offer, SAISD expects that any student who enrolls in in a Pre-AP/AP/DC course will remain in the course through the first grading period progress report cycle (3 weeks). At that time a student may request a Pre-AP/AP/DC Course Exit. Exit processes are in place to assist students in making sound course selection decisions. The petition for exit requires that the student has conferenced with their teacher about their performance and has implemented recommendations for improvement.
