Course description: The course covers financial management and valuation of the firm; working capital policy; capital budgeting; cost of capital; and long-term financing.

Prerequisites: Accounting 2301

Learning Objectives: After completing this course, students will be able to:
- Apply course material to improve critical thinking skills
- Acquire specialized knowledge, such as time value of money, relating to corporate financial management
- Develop financial skills, such as analytical thinking, critical analysis, creativity and problem solving
- Identify ethical and unethical practices with regard to financial management
- Acquire an understanding of the current globalization trend and its impact on corporate financial management

These learning goals will be assessed through in-class assignments, exams, and class discussions.

Grading: There will be 4 hourly exams and a final exam. Each exam will count 20% of the final grade with the lowest exam dropped. **There will be no makeup exams.** If an exam is missed, that will count as the drop grade. The remaining 20% of the final grade will be the average of in-class assignments. These assignments may be completed using the textbook or notes and students are encouraged to work in groups to complete assignments. **There will be no makeups for assignments.**

Exam Material is as follows:
- Exam I: Chapters 1-3
- Exam II: Chapters 4-6
- Exam III: Chapters 10-12
- Exam IV: Chapters 13-15
- Final Exam: Chapters 7-8

Academic Honesty: Students are expected to maintain complete honesty and integrity in the classroom. Students are responsible for understanding and complying with the university Academic Honor Code and the ASU Student Handbook. Cheating will not be tolerated in this course and is a violation of the University’s academic policy. Any student found guilty of dishonesty in academic work is subject to disciplinary action.
