Grades will be based on the following distribution:

- **A** 1000-900
- **B** 899-800
- **C** 799-700
- **D** 699-600
- **F** 599 or below

**EXAMS**

Exams are worth 50% of your grade. If it is in the slides, articles, book and/or lectures you can expect to be on the test. The more we discuss and idea is positively correlated with the probability that it will be on the test. On review days do not ask what is going to be on the test.

**YouScience Career Quiz**

10% of your grade. Completing it fulfills this requirement.

**CLASS PARTICIPATION**

10% of your grade. What you put into this class is what you get out of it. If you decide to put in the minimal effort you will get the minimal benefits. Coming to every class does not warrant participation. Things that will assist you in participation: speaking when asked a question; lively discussion in group discussions; and an overall willingness to go above and beyond. The participation grade is under the sole discretion of the instructor.

**Rules that Guide Class Discussion**: To create an environment that fosters open examination of ideas, we must be well-prepared for class, express ourselves effectively, respect and listen to everyone’s ideas, challenge each other to think critically, and correct mistakes or misunderstandings in a positive and encouraging manner. With that in mind, here are some guidelines for class discussion:

1. *No question or opinion is “stupid.”* We must start where we are at, and undoubtedly each person in this room is “at” a different point in their understandings and experience.
2. *We will listen to each other with respect.* The proper response to comments you do not understand or agree with is to ask the speaker to explain and to probe for deeper understanding.
3. *We not only accept, we encourage diverse viewpoints and opinions.* Critical thinking comes from examining many different dimensions of any topic. Students are encouraged to raise points and examine positions that they do not agree with, in attempt to foster a tradition of critical thinking.
4. *There is no room for anger when discussing academic ideas and issues.* When you feel an emotional response to an issue, step back and examine the values or beliefs inside you that were validated or threatened by someone else’s comment. Use those points of emotion as a window to better understand the cultural factors that are embedded deep within yourself.

**BLACKBOARD LITERACY**

10% of your grade. This is satisfied by completing the BLACKBOARD literacy quizzes.
FINAL PAPER
15% of your grade. 2 pages of text minimum. Format: APA 6th. If there is something you do not understand please ask. “Not knowing” will not be accepted as an excuse. Plagiarism is unacceptable. We will go over this extensively in class. This paper will include the following domains:

A. Personal philosophy of ethics
B. Discussion of 1 current event and the implications it has on sport ethics

Presentation of Paper
This is worth 5% of you grade. You will present your paper to the class with a Q&A.

ATTENDANCE

You are expected to attend each class and to be on time for the beginning of class.
Students are responsible for anything that happens in class during their absence. Notify the instructor at least one week in advance if you have a scheduling conflict that will cause you to miss class. You are responsible for asking the instructor about your attendance record so that you do not go over the allowed 2 absences and tardies. (2 tardies = 1 absence).

3 absences = minus a letter grade.
4 absences = minus another letter grade.
5 absences = minus another letter grade.
6 absences will result in failing the course.

✓ Officially sanctioned college activities (athletics and competing academic duties) may be considered permissible absences if the student shows official documentation to the instructor a class period in advance of the absence.

✓ Observance of a religious holy day may be considered permissible absences pending verification.
STUDENT RESPONSIBILITIES:

A. All assignments are due at the beginning of the class on the due date. Students not turning in an assignment will be recorded as a grade of zero (0).

B. Prior arrangements must be made with the instructor if an absence from an exam is unavoidable and is university excused.

C. **The student is responsible for all work and is encouraged to have a contact within the class.** Students are encouraged to set up an appointment to meet with the instructor for additional information as needed. IF YOU WISH TO CONTEST A GRADE ON A TEST OR ASSIGNMENT: THERE IS A 24 HOUR WAITING PERIOD BEFORE I WILL DISCUSS THE ISSUE. THE PROTOCOL IS: YOU WILL SEND A PROFESSIONAL EMAIL THAT REQUESTS A MEETING TO DISCUSS THE ISSUE; WE WILL SET UP A MEETING; THE ISSUE WILL BE DISCUSSED; A RESOLUTION WILL BE MADE.

D. Upon entering class room turn all cell phones and other handheld electronic devices off to prevent distractions affecting other student’s learning opportunities. If you need to take notes with a laptop, be expected to show the notes you have taken.

E. **Students with Disabilities:**
   Persons with disabilities which may warrant academic accommodations must contact the Student Life Office, Room 112 University Center, in order to request such accommodations prior to any accommodations being implemented. You are encouraged to make this request early in the semester so that appropriate arrangements can be made. Students with disabilities who request reasonable accommodations must meet with the Course Coordinator within the first week of classes. Reasonable accommodations will be provided as authorized by the Office of Student Life as long as course requirements are not compromised. Faculty will provide no accommodations without authorization from the Office of Student Life. It is the student’s responsibility to be a self-advocate when requesting accommodations.

F. **Rams & Rambelles do not lie, steal or cheat or tolerate those who do.**
   “Angelo State University expects its students to maintain complete honesty and integrity in their academic pursuits. Students are responsible for understanding the Student Handbook.”

*****Due to the nature of this class we will not always be able to cover the subject materiel in the time allotted. The instructor reserves the right to change the schedule.*****

I do not give grades. Students earn them. Do not complain to me about your grade because you earned it. A bad grade does not mean you are a bad person. A good grade does not mean you are a good person. Some people have ample free time to study while others may have to work or have other obligations. This means that not everyone will make the same grade. You get out of the class what you put into it.
