Course Description and Purpose:  
This is a four semester sequence of piano class that will cover basic technique and theory skills applied on the piano as required for the music education degree path. We will cover basic rhythmic and note reading, piano technique and keyboard methods, scales and pentascales, chord playing, ensemble playing, and technical exercises, and improvisation.  

Assessment: This class will be based on a points system. Each assignment will be worth varying points usually between 0-40 depending on the assignment.  
The grading scale is:  
90% or higher = A  
80% to 89% = B  
70% to 79% = C  
C 60% to 69% = D  
59% or below = F  

Assignments: Assignments will be located on blackboard under the resources tab that corresponds with the level of piano class you are enrolled in.  

Attendance: Attending this class is crucial for your success. Since grades are based on being able to play the required materials, practice is necessary. Since this is a laboratory styled class, I will give ample time during the meetings for practice. This style helps to give a structure and regularity to your practice. At a minimum, by attending class, you will have basically 2-3 hours per week of practice depending on class level.  

Americans with Disabilities Act Compliance: If you need special accommodations due to a disability please contact the Student Life Office in order to arrange it. They are located at the Garden Level, University Center, (325) 942-2191.

A student who is absent from classes for the observance of a religious holy day shall be allowed to take an examination or complete an assignment
