Course Description and Purpose
In this class, you will learn about yourself and the facilities available to you at ASU. You will begin to find ways to match your interests to a career and align your studies at ASU to match that career. The immediate goal of this course is to gain clarity about your choice of major.

Required Materials
• Instructor-provided readings
• Blackboard
• ASU RamPort email (must be checked daily)

Core Student Learning Outcomes
By the completion of this course, students are able to:
• Develop a clearer understanding of choice of major and carrier
• Learning to analyze and critically evaluate ideas, arguments, and points of view
• Developing skill in expressing oneself orally or in writing
• Learning how to find, evaluate, and use resources to explore a topic in depth
• Identify personally meaningful campus resources such as University lectures, performances and organizations
• Design short- and long-term goals for yourself and plans to accomplish those

IDEA Course Objectives
• Developing skill in expressing oneself orally or in writing
• Learning how to find and use resources for answering questions or solving problems

Methods of Instruction
• Conversations, interactive activities
• Independent studies e.g., assigned readings and writings
Blackboard (Bb) is utilized for all communication, course content, and class assignments. You must be able to access Blackboard on a regular basis and check your ASU email daily for communication.

**Methods of Assessment**
A list of class assignment categories is given below. Specific instructions, requirements, expectations and a rubric for each assignment are posted on Bb. Other non-graded assignments may be given. All written assignments, presentations, media presentations, etc. must follow the writing style found in the most current edition of the American Psychological Association Publication Manual (APA Manual) which is available at the ASU library, at the bookstore, or on-line at www.apa.org. Hence, all work has to be typed.

**Course Products & Evaluation**
- Attendance (includes class, personal meetings with professor & punctuality) 20%
- YouScience (includes test completion, individual meeting & workbook) 20%
- Information Literacy 10%
- Summary Assignments 25%
- Campus Involvement Projects 25%

You should always be aware of your current course grade, which is shown as your Weighted Total on Bb/Grades. Please note that your grades are weighted, which means that your final course grade is different from the arithmetic mean.

**Attendance & Punctuality**
You snooze, you lose. If you are absent or late, you miss the leaving train. In other words, your presence is essential both for yourself and for us because it will make our meetings better.

Attendance is required. Each student is allowed one absence without penalty. Use it for an emergency situation only and inform me by e-mail before our meeting. Any absence after the first will result in the deduction of a letter grade at the end of the semester, as does leaving early. There are three types of excused absences: competing in an ASU athletics event, participating in a religious holy day, or fulfilling military service. If you must be absent due to illness or work, that is unfortunate but not excused.

If you miss a class meeting, it is your responsibility to contact a fellow student to obtain notes and explanation of class discussions and homework. Tardies are absolutely unacceptable and will be reflected in your final grade.

Students are to adhere to all ASU policies concerning attendance. Policies are listed below:
OP 10.04 and Unit policy http://www.angelo.edu/opmanual/#s10

**Summary Assignments**
Throughout your courses in higher education, you will have to write many analytical and reflective pieces, which always start with a simple summary. We will read an article together, and you will review whatever summarization skills you acquired in high school by writing a two-part summary of that text.
YouScience Assignments

This course is designed to clarify which major-, minor-, and career choices best fit your interests and talents. In order to determine this, you will complete an online test, meet with the professor individually to analyze your results, and reflect your newly gained self-understanding by completing the YS Workbook.

Information Literacy

This assignment will inform you about a number of research-related topics which will be helpful in your studies at ASU. In particular, these topics relate to using the ASU library resources to do research.

Campus Involvement Assignments

A fundamental purpose of (higher) education is to step out of your comfort zone while a common challenge for all first-year students is to get involved with the campus community. We will kill two birds with one stone: you will identify 10 campus organizations and pick a minimum of two to experience. You will then give a brief informative presentation to your peers for the purpose of letting them decide whether this is something they might be interested in.

Course Policies

Cell Phones & Laptops

You may take all notes electronically. I trust that you do not waste what hard-earned cash you spent on this course by using our class time to catch up on social media and such. And, I am certain that your good manners will prevent you from texting during class or having earbuds out.

Late Work

One letter grade will be deducted for all late work. Late work is considered only if turned in within one day from the date it was due.

ASU Policies

Academic Integrity

Angelo State University expects its students to maintain complete honesty and integrity in their academic pursuits. Students are responsible for understanding the Academic Honor Code, which is contained in both print and web versions of the Student Handbook, which can be found at www.angelo.edu/cstudent/documents/pdf/Student_Handbook.pdf

American Disability Act

ASU is committed to the principle that no qualified individual with a disability shall, on the basis of disability, be excluded from participation in or be denied the benefits of the services, programs or activities of the university, or be subjected to discrimination by the university, as provided by the Americans with Disabilities Act of 1990 (ADA), the Americans with Disabilities Act Amendments of 2008 (ADAAA) and subsequent legislation.

Student Disability Services is located in the Office of Student Affairs, and is the designated campus department charged with the responsibility of reviewing and authorizing requests for reasonable accommodations based on a disability. It is the student’s responsibility to initiate such a request by contacting an employee of the Office of Student Affairs, in the Houston Harte University
Center, Room 112, or contacting the department via email at ADA@angelo.edu. For more information about the application process and requirements, visit the Student Disability Services website at www.angelo.edu/ADA. The employee charged with the responsibility of reviewing and authorizing accommodation requests is:

Dallas Swafford
Director of Student Disability Services
Office of Student Affairs
325-942-2047
dallas.swafford@angelo.edu
Houston Harte University Center, Room 112

**Religious Holy Day**

A student who intends to observe a religious holy day should make that intention known in writing to the instructor prior to the absence. A student who is absent from classes for the observance of a religious holy day shall be allowed to take an examination or complete an assignment scheduled for that day within a reasonable amount of time after that absence. OP10.19 Student Absence for Observance of Religious Holy Day
http://www.angelo.edu/opmanual/#s10

**STUDENT WITHDRAWAL**

If you have to drop a course, you must do so formally through the Registrar's Office (200 Hardeman). Failure to withdraw officially will result in a failing (F) grade. Review ASU’s calendar to determine the last day to withdraw from this first 8-week course. Keep in mind that in Texas, students are allowed only 6 withdrawals after the census date. The census date for the first 8 weeks is earlier than the regular 16-week census date. Discuss this with an advisor before withdrawing.

**ASU SMART Tutoring:**

SMART is Angelo State’s umbrella of academic support to help you achieve academic success (www.angelo.edu/dept/smart). It is assumed you will make use of these services throughout the course and beyond. SMART tutoring services are free to all ASU students. In addition to academic/study skills workshops, SMART consists of the following tutoring units:
