FIN 6301 - DS2
Financial Management
Fall 2019

Course Description/Overview

Course Description

This course is an introductory course in the MBA program at Angelo State University. It discusses corporate financial management decision-making techniques emphasized in areas of planning the financial structure, management of assets, capital budgeting, obtaining capital, and management of income.

Prerequisite Knowledge

FINC 3361 or equivalent knowledge.

You should have an understanding of economics, accounting, and finance principles. You should have an understanding of Microsoft Office products such as Word, Excel, and PowerPoint. You should also know how to participate in a discussion.

Course Technology

This is an online course. Use of blackboard is required. It is essential that students familiarize themselves with the use of blackboard. We will also use PDF, MS Excel, Word, and PowerPoint in this class. Students must have access to a reliable computer that connects to the Internet. The course materials are only accessible online by logging in to http://blackboard.angelo.edu. These applications are also on computers in the MCS Lab on campus.

In addition to a competent level of computer and Internet literacy and capability, certain minimum technical requirements must be met to enable a successful learning experience in blackboard. You will also need to use the Respondus LockDown Browser (this is part of Blackboard and is free to you) and have a web cam in order to take the exams for this course.

Please review the important technical requirements and Web browser configuration information on the blackboard home page. Blackboard support may be contacted by calling (325) 486-6263 or by email at elearning@angelo.edu
**Class Meeting Times**

This is an 8-week online course.

**Technical Support**

The Technology Service Center (TSC) may be contacted by calling (325) 942-2911 or 1-866-942-2911 or by email at helpdesk@angelo.edu.

Course Textbook and Required Readings

Required Text:

Title: Financial Management: Theory & Practice
Edition: 16th Edition
Authors: Eugene F. Brigham; Michael C. Ehrhardt

No access code is needed.

Recommended Readings:

Required Calculator: Hewlett-Packard 10B-II, or Hewlett-Packard 10B-II Plus

The Hewlett-Packard 10B-II (HP 10B-II), or Hewlett-Packard 10-BII (HP 10B-II Plus) calculator is strongly recommended. All examples shown on lecture notes will use this calculator. If you choose to use another, it is your responsibility to learn to use it.
**Course Policies:**

1. **Class Participation:**
   
   Students are required to log into their course via blackboard on a *weekly basis*. Students are expected to spend six to ten hours per week on this course. Your weekly logging activities will be considered as part of your grade (Class Room Citizenship) as explained later in “Grading Policies”.

2. **Communication with Your Professor, and Fellow Students:**
   
   Communications about your course will be using the Announcements and Discussions tools on blackboard. You should log into blackboard a minimum of once per day. The instructor will make announcements on blackboard when there are any updates of the course (new materials, new HWs, quizzes, exams, office hours cancelled, and etc).

   Students may send personal concerns or questions to the instructor using the course email tool. All general course-related questions should be posted to the “General Course” discussion board.

   The instructor will respond to your e-mails/posts within 24 to 48 hours during business day. The instructor often checks emails/posts and typically responds promptly. Emails/posts sent on Saturday or Sunday will receive a reply by Monday or Tuesday.

   If you call and the instructor does not answer, she is either away from our desks or on the line. You can send an email or leave a message on the voicemail. Please make your message short and leave your phone number and a good time to return your call.

3. **Netiquette & Discussion Expectations**
   
   Courtesy and Respect are expected in all course interaction. We respect each other's opinions and respect their point of view at all times while in our class sessions. The use of profanity & harassment of any form is strictly prohibited (Zero Tolerance), as are those remarks concerning one's ethnicity, life style, race (ethnicity), religion, etc., violations of these rules will result in immediate dismissal from the course.

   When sending me an email, please include subject, titles or name of the person you are writing to, content, and your names. The instructor **will not respond** to emails that are not written in good manners.
3. **Policy on Server Unavailability or Other Technical Difficulties**

Angelo State University is committed to providing a reliable online course delivery system to all users. However, in the event of any unexpected blackboard server outage or any ASU or MyEconLab technical difficulty which prevents students from completing a time sensitive activity, I will extend the due date and provide an appropriate accommodation based on the situation. The accommodations will be made as soon as the ASU IT Department or MyEconLab confirms that there was such a problem. Students should report any problems to the professor through their ASU email account and also email www.elearning@angelo.edu.

Note that this does not apply to individual technical problems that you may encounter on your personal computer. It is the responsibility of the student to work with a reliable computer and Internet connection and plan ahead.

**Policies of student submissions:**

Students will need to submit their HWs, exams and quizzes on blackboard using the test format. The students will need to hit the “submit” button at the end in order to submit successfully. Detailed instructions for submissions will be provided on blackboard.

No late HW submissions can be accepted.

**Technical Problems with Exams and Exam Policy:**

Please plan to take your exams and quizzes on a reliable computer. Wireless and dial-up connections tend to cause problems with quizzes and exams. Do not use these. You should take your quizzes and exams with DSL broadband or cable Internet connections. I highly recommend using the MCS microcomputer lab. If an emergency PREVENTS you from taking an exam/quiz, an on-campus paper and pencil make up exam/quiz will be offered. No makeups will be offered for any of your assignments.
# Grading Policies

**Grades:** Grades may consist of exams, assignments, and classroom citizenships. Grades feedback will be provided in the grade center via blackboard within one week after the deadlines. Course grades will be based on a weighted composite of the following (Please be aware that the instructor reserves the right to change the weights of each grading component):

Course Policies

Academic Honesty and Integrity

Angelo State University expects its students to maintain complete honesty and integrity in their academic pursuits. Students are responsible for understanding and complying with the university Academic Honor Code (www.angelo.edu/content/files/17358-university-honor-code) and the ASU Student Handbook (http://www.angelo.edu/content/files/17187-2014-15-student-handbook).

It is the professor’s intention to be as fair and impartial as is humanly possible. Therefore, all students will be asked to adhere to the same set of guidelines and rules UNLESS there are disabilities or documented extenuating circumstances that have been discussed with the professor and the Student Life Office. Please make sure you inform the professor as soon as any situation arises. Do NOT wait until the problem is compounded by poor class performance, poor attendance, etc.

Academic integrity is expected. This includes, but is not limited to, any form of cheating, plagiarism, unauthorized sharing of work, or unauthorized possession of course materials. The professor assumes that all students can be trusted. Please do not violate this trust. Violation of academic integrity will result in a failing grade for the course.

Code of Ethics

Students, faculty, administrators and professional staff of the College of Business should always:

- Be forthright and truthful in dealings with all stakeholders
- Take responsibility for one’s actions and decisions
- Serve as an example of ethical decision-making and behavior to others
- Admit errors when they occur, without trying to conceal them
- Respect the basic dignity of others by treating them as one would wish to be treated

Courtesy and Respect

Courtesy and Respect are essential ingredients to this course. We respect each other's opinions and respect their point of view at all times while in our class sessions. The use of profanity & harassment of any form is strictly prohibited (Zero Tolerance), as are those remarks concerning one's ethnicity, life style, race (ethnicity), religion, etc., violations of these rules will result in immediate dismissal from the course.
Accommodations for Disability

As stated in the Angelo State University Operating Policy and Procedure (OP 10.15 Providing Accommodations for Students with Disabilities), the Student Life Office is the designated campus department charged with the responsibility of reviewing and authorizing requests for reasonable accommodations based on a disability, and it is the student's responsibility to initiate such a request by contacting the Student Life Office at (325) 942-2191 or (325) 942-2126 (TDD/FAX) or by e-mail at Student.Life@angelo.edu to begin the process. The Student Life Office will establish the particular documentation requirements necessary for the various types of disabilities.

Student absence for religious holidays

As stated in the Angelo State University Operating Policy and Procedure (OP 10.19 Student Absence for Observance of Religious Holy Day), a student who intends to observe a religious holy day should make that intention known in writing to the instructor prior to the absence. A student who is absent from classes for the observance of a religious holy day shall be allowed to take an examination or complete an assignment scheduled for that day within a reasonable time after the absence.

Course Drop

To view information about how to drop this course or to calculate important dates relevant to dropping this course, you can visit

http://www.angelo.edu/services/registrars_office/course_drop_provisions.php

Incomplete as a Course grade

As stated in the Angelo State University Operating Policy and Procedure (OP 10.11 Grading Procedures), the grade of “I” is given when the student is unable to complete the course because of illness or personal misfortune. An “I” that is not removed before the end of the next long semester automatically becomes an “F”. A graduate student will be allowed one year to remove a grade of “I” before it automatically becomes an “F”. To graduate from ASU, a student must complete all “I”s.
Syllabus

Grade Appeal Process

As stated in the Angelo State University Operating Policy and Procedure (OP 10.03 Student Grade Grievances), a student who believes that he or she has not been held to appropriate academic standards as outlined in the class syllabus, equitable evaluation procedures, or appropriate grading, may appeal the final grade given in the course. The burden of proof is upon the student to demonstrate the appropriateness of the appeal. A student with a complaint about a grade is encouraged to first discuss the matter with the instructor. For complete details, including the responsibilities of the parties involved in the process and the number of days allowed for completing the steps in the process, see Operating Procedure 10.03 at:

http://www.angelo.edu/content/files/14196-op-1003-grade-grievance.

Title IX

Angelo State University is committed to the safety and security of all students. If you or someone you know experience sexual harassment, sexual assault, domestic or dating violence, stalking, or discrimination, you may contact ASU’s Title IX Coordinator: Michelle Boone, J.D., Director of Title IX Compliance, at 325-486-6357 or through email at michelle.boone@angelo.edu.

General Policies

All students are required to follow the policies and procedures presented in these documents: Angelo State University Student Handbook Angelo State University Catalog.

Course Revision: Any revisions to this syllabus will be announced in class and supercede this syllabus. Students are responsible for being aware of these changes.

FIN 6301 supports the MBA Degree Program Goals.
