

## History 4371: Internship in History

Students in History 4371: Internship in History will complete 100 hours of internship at a local historical nonprofit over the course of the semester. They will also be required to keep a weekly journal detailing their work experience and thoughts. This journal, completion of 100 hours, and an evaluation sent to the Internship supervisor will constitute the student's grade for the course. Evaluation/completion of hours is 75% of the grade and the journal is 25%.

All other details, including schedules, will be determined when the semester begins.
