GUIDE: The text, *Art; a brief history* by Stokstad and Cothren is *NOT* required for the course. Note: Although the lectures correspond with this text, the majority of information needed for tests comes from lectures.

ASSIGMENTS: The student is expected to take accurate class notes and to organize and study the lecture material carefully. The student also is responsible for the material contained in time-lines and outlines. The student should develop a good visual memory of the works of art studied by memorizing the appropriate, corresponding illustrations in slides and by recalling the basic examples shown in class. By doing so one will find that it is much easier to remember facts with an associated image in mind. **Do not email me asking for me to give you lecture material.** Make a friend and use them as a note source.

CLASSROOM BEHAVIOR: Owing to the nature and size of this course, any noise, talking, or other distractions will not be tolerated. **No laptops or cellphones may be used in class.**

ATTENDANCE: **Class attendance is required by the University.** If a student is unavoidably absent (i.e. serious illness, emergencies, etc.) sufficient reason should be given to the instructor by the next class that the student attends. Failure to provide such notification will result in a non-excused absence. Of course, excused absences only will be allowed for serious reasons, such as those mentioned above. Staying home with a head cold is **not** an excused absence. Doctor’s excuses for non-emergency issues will not excuse an absence. Three free absences are allowed for one semester of this course. For every absence thereafter, a letter grade will be deducted from their final grade. **Six absences constitute an automatic “F.”**

SUPPLIES: There are required supplies as we are doing art, but the amount of money you spend is up to you and will not affect the quality of the supplies will not affect your grade. I will supply you will typing paper.

GRADES: There are **8 grades**: 3 tests/ powerpoint and scantron and 4 projects that are graded and 1 essay. **There are NO MAKE UP TESTS.** No grades will be dropped. No one is exempted from the final. 100-90 = A; 89-80= B; 79-70= C; 69-60= D; 59-0 = F.

INSTRUCTOR: Mrs. Kat Bunker  kbunker@angelo.edu;  942-2085, Carr 246A  Cell- 325-262-9869

COURSE OUTLINE
The approach taken in the course will be chronological and conceptual. Certain basic thematic concepts will be emphasized within a larger chronological structure. Hopefully, this approach will offer the student a coherent view of the development of the visual arts in the western world. While the development of European art will be given emphasis, owing to its relative cohesive evolution and its far-reaching influence, the coverage of art of non-European cultures will not be ignored.

GOALS OF THE COURSE
1. **ACQUIRING FACTUAL KNOWLEDGE:**
   Through the explanation of appropriate terminology, definitions, and historical, social, philosophical and technological influences and through appropriate and helpful indication in class-lecture of constructive relationships, timelines, outlines, and periodic reviews, provided to the class.

2. **ACQUIRING AN UNDERSTANDING OF HISTORIC PRINCIPLES:**
Through explanations and summaries of historical trends and patterns, (i.e. political, philosophical, theological, technological, etc.), and their influences on the development of artistic forms and content the student will be able to contextualize art and its place in history.

3. DEVELOPING CREATIVE THINKING:
Through learning how to distinguish stylistic differences among individual works of art, analyze artistic composition, determine a work of art’s relevance within the history of human thought and development and an increased awareness of the value of artistic expression.

4. DEVELOPING AN UNDERSTANDING AND APPRECIATION OF THE SIGNIFICANCE OF THE VISUAL ARTS WITHIN SOCIETY AND WITHIN ONE’S PERSONAL LIFE.

5. CREATE ART
Art created will be focused on the Elements of Art and Principles of Design.
