A = 450-500
B = 400-449
C = 350-399
D = 300-349
F ≤ 299
Quizzes

- There will be 15 online quizzes given throughout the semester. Quizzes are accessible through Blackboard. Quizzes are implemented to promote and assess students’ knowledge of terminology and fundamental principles and theories. Each quiz will be worth 10 points and you will have 30 minutes to complete the quiz. You are unable to work with anyone else or use information from anyone else on your quizzes; you must work alone. You are responsible for taking each quiz by the required deadline. Do not wait until the last minute to take your quizzes. Sometimes quizzes can lock up, and only the instructors can unlock them. If this happens, notify the instructor immediately via email. Failure to notify the instructor will result in a zero for the quiz.
- Quizzes will cover material from the corresponding chapters on the syllabus, which will be lectured on in class (e.g., quiz 1 will cover material in chapter 1 and quiz 2 will cover material from chapter 2).
- NO MAKE-UP QUIZZES

Group Project/Presentation

- Students will complete one project/presentation (50 points) in the semester, pertaining to personality disorders. The group will present on a personality disorder in any creative/intellectual way that is deemed appropriate and engaging. There are many ways to do this. While it is acceptable, presentations do not require PowerPoint nor everyone to speak during the presentation. The presentation delivery is completely left for each group to decide.
- Each group will have 7-15 minutes to present to the class. Every group should be ready to go on the date that group presentations begin.
- The project/presentation will be completed within formed or assigned groups.
- Grading will be based on a rubric and peer evaluations. The instructor will be the primary source for your grade and peer evaluations will influence your grade. Thus, each member of the group will receive a unique grade.
- Check the syllabus schedule for project/presentation due date.

Exams

- Three (3) exams (100 points each), including the final exam, will be given in the semester.
- Exams are NOT cumulative and may include multiple-choice questions, matching items, true/false questions, short answer, and/or essay questions.
- Exams will cover material from lectures, readings, activities, and class discussions.
- Make up policy for exams: Make up exams will ONLY be allowed for emergency situations (in other words, a doctor’s appointment is not an emergency). It is the student’s responsibility (BY EMAIL WHEN POSSIBLE) to contact the professor within 24 hours to reschedule. Failure to do so will result in a zero on the exam. Make up exams will be scheduled at the convenience of the instructor and will be scheduled as quickly as possible. Make-up exams will cover the same material, but are in a format of the instructor’s choice, such as ORAL or comprehensive fill in the blank/essay exams.
**Attendance/Participation**
A roll sheet will be passed around at the beginning of each class. In the event that you are 1-3 points (not percentage points) away from a higher letter grade, attendance and participation will make a significant difference.
When you miss class, you miss out on important information and it is up to you to find out what you missed. Please show everyone respect by arriving on time and remaining in class until dismissed.

**Extra Credit**
The instructor may provide opportunities for extra credit throughout the course. Extra credit may come through various formats (e.g., research participation, attendance at a university event, etc.). Your instructor will announce the opportunities in class. One opportunity will be to participate in research through the Department of Psychology and Sociology (https://www.angelo.edu/dept/psychology_sociology/research_opportunities.php)
Each 1 SONA credit will equal 3 extra credit points, up to a maximum of 20 extra credit points total. If you decide to participate in SONA, then please note that SONA credits can be used only once. You may not use SONA credits for credit in more than one course. Also, the deadline for reassigning credits will be the day after data collection ends for the semester. Attempts to use SONA credits for more than one course will result in no extra credit for this course.

### General Policies

All students are required to follow the policies and procedures presented in these documents:

- [Angelo State University Student Handbook](#)
- [Angelo State University Catalog](#)

### Student Responsibility and Attendance

It is expected that each student will have the required reading completed before the class during which we will discuss the material (see course schedule). Some material in the text may be challenging upon first read, but lectures will be easier to follow if you have read the chapter. **If I feel the class is not keeping up with the reading, I will have the option to start giving quizzes at any time during any class. Just remember that reading prior to class is really to your benefit!**

Research indicates that students who read the textbook before class learn more from lectures. To ensure you adopt this practice, you will be asked to follow these steps:

- Read and Review a Chapter
- Take an Online Quiz
- Come to the Lecture with Questions and Comments

1. Students are expected to take responsibility for their success in class. You are encouraged to be **active participants** in the education process by asking questions and being alert in class.
2. Distracting or disrespectful students will be asked to leave the class (this includes use of cell phones and other electronic devices).
3. If you have any concerns related to this class, you are encouraged to speak with your instructor in a timely manner. As a general rule, you should raise any issues within one week of receiving a grade or completing a given project.
4. Students will be expected to access the Blackboard online classroom on a regular basis for announcements, course materials, assignments, and grades.
Late Work or Missed Assignments Policy
Due dates and times for assignments are posted. Failure to complete quizzes or assignments will result in a zero for those assignments.

Make up policy for exams: Make up exams will ONLY be allowed for emergency situations (in other words, a doctor’s appointment is not an emergency). It is the student’s responsibility (BY EMAIL WHEN POSSIBLE) to contact the professor within 24 hours to reschedule. Failure to do so will result in a zero on the exam. Make up exams will be scheduled at the convenience of the instructor and will be scheduled as quickly as possible. Make-up exams will cover the same material, but are in a format of the instructor’s choice, such as ORAL or comprehensive fill in the blank/essay exams.

Academic Integrity
Students are expected to maintain complete honesty and integrity in all work. Any student found guilty of any form of dishonesty in academic work is subject of disciplinary action and possible expulsion from ASU. The College of Health and Human Services adheres to the university’s Statement of Academic Integrity.3

Accommodations for Students with Disabilities
ASU is committed to the principle that no qualified individual with a disability shall, on the basis of disability, be excluded from participation in or be denied the benefits of the services, programs or activities of the university, or be subjected to discrimination by the university, as provided by the Americans with Disabilities Act of 1990 (ADA), the Americans with Disabilities Act Amendments of 2008 (ADAAA) and subsequent legislation.

Student Disability Services is located in the Office of Student Affairs, and is the designated campus department charged with the responsibility of reviewing and authorizing requests for reasonable accommodations based on a disability. It is the student’s responsibility to initiate such a request by contacting an employee of the Office of Student Affairs, in the Houston Harte University Center, Room 112, or contacting the department via email at ADA@angelo.edu. For more information about the application process and requirements, visit the Student Disability Services website.4 The employee charged with the responsibility of reviewing and authorizing accommodation requests is: Dallas Swafford: Director of Student Disability Services, Office of Student Affairs, 325-942-2047, dallas.swafford@angelo.edu, Houston Harte University Center, Room 112

Incomplete Grade Policy
It is policy that incomplete grades be reserved for student illness or personal misfortune. Please contact faculty if you have serious illness or a personal misfortune that would keep you from completing course work. Documentation may be required. See ASU Operating Policy 10.11 Grading Procedures5 for more information.
Plagiarism

Plagiarism is a serious topic covered in ASU’s Academic Integrity policy in the Student Handbook. Plagiarism is the action or practice of taking someone else’s work, idea, etc., and passing it off as one’s own. Plagiarism is literary theft.

In your discussions and/or your papers, it is unacceptable to copy word-for-word without quotation marks and the source of the quotation. It is expected that you will summarize or paraphrase ideas giving appropriate credit to the source both in the body of your paper and the reference list.

Papers are subject to be evaluated for originality. Resources to help you understand this policy better are available at the ASU Writing Center.

Student Absence for Observance of Religious Holy Days

A student who intends to observe a religious holy day should make that intention known in writing to the instructor prior to the absence. See ASU Operating Policy 10.19 Student Absence for Observance of Religious Holy Day for more information.

Copyright Policy

Students officially enrolled in this course should make only one printed copy of the given articles and/or chapters. You are expressly prohibited from distributing or reproducing any portion of course readings in printed or electronic form without written permission from the copyright holders or publishers.

Syllabus Changes

The faculty member reserves the option to make changes as necessary to this syllabus and the course content. If changes become necessary during this course, the faculty will notify students of such changes by email, course announcements and/or via a discussion board announcement. It is the student’s responsibility to look for such communications about the course on a daily basis.
