### Learning Objectives:

Upon completion of this course, students will be able to...

1. To expose students to the application of business practices within the ethical, political, and legal environment of the United States.
2. To introduce students to how professionals effectively navigate complex business issues that lack a clear right answer and to articulate and defend their rationale for doing so.

3. To understand the history and intent of American political, ethical, and legal structures and by so doing to ascertain why proposed solutions to contemporary ethical and social business questions may or may not work.
4. To encourage students to understand and articulate the importance of legal, ethical, and political boundaries upon business behavior and the bearing of these boundaries upon individual values and normative systems.

### Assessment Methods

Various assessment methods such as quizzes, essays, and discussion posts will be utilized.

## Course Textbook and Required Readings

---

Business Law and the Regulation of Business 12<sup>th</sup> edition by Richard Mann and Barry Roberts ISBN 978-1-305-50955-9. You do not have to pay for any extra online content. The textbook, whether in print or digital, is all you need for this class.

## Grading Policies

---

This course employs the following to measure student learning.

Grade Calculations	Percent of Grade	Due
Discussion Posts	40%	First post due Friday nights, response posts due Sunday nights
Essays/Quizzes/Misc. Assignments	60%	Due every Sunday night

Angelo State University employs a letter grade system. Grades in this course are determined on a percentage scale:

A = 90 – 100 %

B = 80 – 89 %

C = 70 – 79 %

D = 60 – 69 %

F = 59 % and below.

### Response Time

Students are expected to check their email every weekday. The instructor will do the same.

## Late Work

Dealing with deadlines is a large part of being successful in the business world. Late work of any kind is not accepted in this course. If I do not have possession of your assignment by the due date, then it is late. Note that this includes accidentally submitting the wrong assignment and not realizing your error until after the due date. Also, “.pages” files (which I believe is the default word processor for Mac computers) are not acceptable. The business world runs on PC.

The only exception to the late work policy would be if it was impossible to complete the assignment due to complete physical incapacity such as being in a coma. Excuses short of this, such as weather, technology issues, health of your family members, pet issues, work issues, and housing issues do not count. **Pro Tip:** If you aim to complete every assignment two days early, then if you forget or have an emergency, you still have two days to complete the assignments for full credit.

## Extra Credit

There is one extra credit offering in this class. The details are listed in Blackboard. This assignment can be submitted any time before the deadline of August 2nd at 11:59 PM. Absolutely, positively, no extra credit of any kind for any reason whatsoever will be offered after this date (Don't ask!).

### *Academic Honesty and Integrity*

Angelo State University expects its students to maintain complete honesty and integrity in their academic pursuits. Students are responsible for understanding and complying with the university Academic Honor Code, which is in both print and web versions of the ASU Student Handbook.

Academic integrity is expected. This includes, but is not limited to, any form of cheating, plagiarism, unauthorized sharing of work, or unauthorized possession of course materials. The professor assumes that all students can be trusted. Please do not violate this trust. Violation of academic integrity will result in a failing grade for the course.

It is the professor's intention to be as fair and impartial as is humanly possible. Therefore, all students will be asked to adhere to the same set of guidelines and rules UNLESS there are disabilities or documented extenuating circumstances that have been discussed with the professor and the Student Life Office. Please make sure you inform the professor as soon as any situation arises. Do NOT wait until the problem is compounded by poor class performance, poor attendance, etc.

### *Code of Ethics*

Students, faculty, administrators and professional staff of the College of Business should always:

- Be forthright and truthful in dealings with all stakeholders
- Take responsibility for one's actions and decisions
- Serve as an example of ethical decision-making and behavior to others
- Admit errors when they occur, without trying to conceal them

- Respect the basic dignity of others by treating them as one would wish to be treated

The use of profanity and harassment of any form is strictly prohibited (Zero Tolerance), as are those remarks concerning one's ethnicity, life style, religion, etc., violations of these rules will result in appropriate disciplinary actions.

### ***Accommodations for Disability***

ASU is committed to the principle that no qualified individual with a disability shall, on the basis of disability, be excluded from participation in or be denied the benefits of the services, programs or activities of the university, or be subjected to discrimination by the university, as provided by the Americans with Disabilities Act of 1990 (ADA), the Americans with Disabilities Act Amendments of 2008 (ADAAA), and subsequent legislation.

Student Affairs is the designated campus department charged with the responsibility of reviewing and authorizing requests for reasonable accommodations based on a disability, and it is the student's responsibility to initiate such a request by emailing [studentservices@angelo.edu](mailto:studentservices@angelo.edu), or by contacting:

### ***Incomplete as a Course grade***

As stated in the Angelo State University Operating Policy and Procedure (OP 10.11 Grading Procedures), the grade "I" is given when the student is unable to complete the course because of illness or personal misfortune. For undergraduates, an "I" that is not removed before the end of the next long semester automatically becomes an "F". A graduate student will be allowed one year to remove a grade of "I" before it automatically becomes an "F". To graduate from ASU, a student must complete all "I's".

## *Grade Appeal Process*

As stated in the Angelo State University Operating Policy and Procedures (OP 10.03 Student Grade Grievances), a student who believes that he or she has not been held to appropriate academic standards as outlined in the class syllabus, has experienced inequitable evaluation procedures, or inappropriate grading practices, may appeal the final grade given in the course. The burden of proof is upon the student to demonstrate the appropriateness of the appeal. A student with a complaint about a grade is encouraged to first discuss the matter with the instructor. For complete details, including the responsibilities of the parties involved in the grade appeal process and the number of days allowed for completing the steps in the process, see Operating Procedure 10.03 at: <http://www.angelo.edu/content/files/14196-op-1003-grade-grievance>.
