Assignment and Activity Descriptions

Chapter Reviews:

For each chapter that we cover, you will find a chapter review sheet on "Blackboard" under "Assignments" to fill out and turn in on the dates listed on the calendar. Each chapter review will consist of fill-in-the-blank sentences that come straight from your textbook as well as some review questions. The last day to turn them in for credit is the date on the calendar. ***The reviews are due before or on the date on the calendar, and no late chapter reviews will be accepted.***

Internet Psychology Activities:

During the course of the semester, you will be assigned to do ***9 internet psychology activities*** for credit. The due dates are on the Calendar on Blackboard. **No late activities will be accepted.**

Discussion Board:

You will have 6 Discussion Board topics to post your responses to, and the dates for those postings are listed on your calendar on Blackboard. The due dates are on the Calendar on Blackboard, and **no late postings will be accepted.**

Exams:

We will have 5 exams this semester which are listed in the Course Schedule section of this syllabus.

Late Work and Make Up Work Policies:

1. ***Is there any extra credit?*** No, but the chapter reviews in a way function as extra credit.
2. ***May I make up missed work?*** No. So, it would be wise to work ahead and stay ahead just in case: your frog croaks, your dog chokes, your computer smokes, etc. If you are in a car wreck on the way to class, what's the last thing that you need to tell the EMT's as they load you in the ambulance?
3. ***May I make up a missed exam?*** Absolutely! But, whatever the reason, you will lose 20 points for having the extra study time and taking it late.
4. ***May I turn in my work early?*** Absolutely! Any of these assignments may be turned in early!! No problem!! These assignments just cannot be turned in late!!
