Grading
20% Midterm and final: 10% each
30% Essay writing assignments
30% Listening assignments and short quizzes
20% Concert attendance and reflections*

Midterm and final
The midterm is on **Tuesday, September 29 (9/29) at 12:30 PM–1:45 PM**, on Blackboard. The final is on **Tuesday, November 24 (11/24) at 10:30 AM–12:30 PM**, on Blackboard.

Turning in weekly assignments
Weekly assignments will be due by 11:59 PM CST on Friday of that week in the course’s Blackboard Learn webpage. For weekly class topics and assignments due, reference the course schedule below.

Essays
There will be three 500–1000-word essays total in the semester. Essay topics will be discussed and posted to Blackboard Learn before they are due. Any standard formatting is acceptable (i.e. MLA, Chicago, APA, etc.) for these essays, please cite sources for any research and include a wordcount.

Listening assignments and short quizzes
There will be six total outside-of-class listening assignments and short quizzes that go with them. These will be posted to Blackboard Learn at the beginning of the week that they are due.

Concert attendance and reflections (you can complete/turn these in at any time during the semester)*
Attend a minimum of two musical concerts during the semester and provide a written reflection and concert program on each. The two concerts must be varying performing ensembles (i.e. only one symphony orchestra, choir, wind ensemble, guest artist solo recital, etc) and must be in the classical/art music genre. Attending ASU official events is encouraged, but off-campus concerts are acceptable with prior instructor approval. After attending the concert, write a 250–750-word reaction, critique, and/or assessment of it. Try and include keywords and topics that describe music how we have discussed in class and in your textbook. You may include your own thoughts and opinions, however, “I didn’t like it,” or, “it was good,” are not acceptable responses – dive deeper and try to explain why. Feel welcome to discuss the entire concert’s program, focus on a specific work and/or composer, and/or include some research – avoid giving a ‘blow-by-blow’ summary. **Include a program for each event for full credit.**

*Due to the current COVID-19 pandemic, it is extremely likely that live performances may not happen during this semester or will not allow live audiences to attend. In this case, we will find alternative live or prerecorded online concerts to use for these assignments.

Attendance Policy and Late Work*
Students are allowed two absences per semester. After that, each unexcused absence will lower the overall grade by one half-letter. Excused absences due to college sanctioned events do not count towards these and require the student to provide signed documentation to the instructor at least one week in advance. No late work will be accepted past the posted deadlines unless the student has a verifiable outstanding reason or excused absence cleared with the instructor ahead of the due date.

University COVID Policies/Statements

Required use of masks/facial coverings by students in class at Angelo State University

As a member of the Texas Tech University System, Angelo State University has adopted the mandatory Facial Covering Policy to ensure a safe and healthy classroom experience. Current research on the COVID-19 virus suggests there is a significant reduction in the potential for transmission of the virus from person to person by wearing a mask/facial covering that covers the nose and mouth areas. Therefore, in compliance with the university policy students in this class are required to wear a mask/facial covering before, during, and after class. Faculty members may also ask you to display your daily screening badge as a prerequisite to enter the classroom. You are also asked to maintain safe distancing practices to the best of your ability. For the safety of everyone, any student not appropriately wearing a mask/facial covering will be asked to leave the classroom immediately. The student will be responsible to make up any missed class content or work. Continued non-compliance with the Texas Tech University System Policy may result in disciplinary action through the Office of Student Conduct.

If you feel sick or have been traced to/exposed to a COVID case, please stay at home/in your dorm to quarantine and email me to let me know. All lectures will be uploaded to Blackboard this semester so you do not need to worry about a student asks for the ability to go “online” in courses where online sections are not available, we should let them do that. All tests and assignments will also be accessible and turned in on Blackboard to minimize exchanging papers and maintain social distancing.

If you feel uncomfortable with in-person instruction at any point for any reason, please email me and let me know.

These preventative mask, distancing, and sanitizing measures make a big difference in minimizing the virus’ spread, but they only work when everyone buys in and does their part. Please be vigilant and practice them outside of the classroom, as well, so we can keep our community and campus healthy and save lives.
