Attendance: Since this class only meets once a week, attendance is essential!! Official school trips do not count toward your absences. However, anyone missing assignments for university sponsored functions must make arrangements prior to leaving. If you have a legitimate reason to miss a class, please let me know beforehand and we will make arrangements to complete assignments before the absence.

Missed assignments or exams not taken or turned in on time can only be made up within ONE week of the absence for a maximum of 80%. If you are sick and miss an assignment/presentation, I will need a doctor’s note to allow you to make up for full credit. If you miss more than 2 class meetings, you will lose 5 points from your final grade. For each absence thereafter, you will lose 1 point per absence.

Grading:
- Resume worth 100 points
- Cover Letter worth 100 points
- Presentation worth 200 points

Course Meetings: Below is the tentative schedule of materials and exams. Resume and cover letter lectures will be posted in Blackboard and covered online. The rough draft of the resume is to be placed in the box outside my office the week of Aug. 31/Sept. 1. Once I have reviewed rough drafts, I will hand them back the following week for you to correct and turn in for a final grade.
It is my plan for Industry Presentations to occur in person with both sections combined on the dates in bold. The room location for these lectures will be different so please pay attention to those announcements.

Beginning September 28/30 and through the remainder of the semester, everyone will meet in person during their section (either Monday or Wednesday). All presentations will be given in person in the classroom setting.

As a member of the Texas Tech University System, Angelo State University has adopted the mandatory [Facial Covering Policy](#) to ensure a safe and healthy classroom experience. Current research on the COVID-19 virus suggests there is a significant reduction in the potential for transmission of the virus from person to person by wearing a mask/facial covering that covers the nose and mouth areas. Therefore, in compliance with the university policy students in this class are required to wear a mask/facial covering before, during, and after class. Faculty members may also ask you to display your daily screening badge as a prerequisite to enter the classroom. You are also asked to maintain safe distancing practices to the best of your ability. For the safety of everyone, any student not appropriately wearing a mask/facial covering will be asked to leave the classroom immediately. The student will be responsible to make up any missed class content or work. Continued non-compliance with the Texas Tech University System Policy may result in disciplinary action through the Office of Student Conduct.

Religious Holy Day: A student who intends to observe a religious holy day should make that intention known in writing to the instructor prior to the absence. A student who is absent from classes for the observance of a religious holy day shall be allowed to take an examination or complete an assignment scheduled for that day within a reasonable time after the absence.

Academic Honesty: If you are caught cheating on any assignment in this class you will receive a grade of zero. Angelo State University expects its students to maintain complete honesty and integrity in their academic pursuits. Students are responsible for
understanding the Academic Honor Code, which is contained in both print and web
versions of the Student Handbook.

no qualified individual with a disability shall, on the basis of disability, be excluded from

Americans with Disabilities Act of 1990 (ADA), the Americans with Disabilities Act
Amendments of 2008 (ADAAA) and subsequent legislation.
