Course Policies

1. Statement on Required Use of Masks/Facial Coverings by Students in Class At Angelo State University

As a member of the Texas Tech University System, Angelo State University has adopted the mandatory Facial Covering Policy to ensure a safe and healthy classroom experience. Current research on the COVID-19 virus suggests there is a significant reduction in the potential for transmission of the virus from person to person by wearing a mask/facial covering that covers the nose and mouth areas. Therefore, in compliance with the university policy students in this class are required to wear a mask/facial covering before, during, and after class. Faculty members may also ask you to display your daily screening badge as a prerequisite to enter the classroom. You are also asked to maintain safe distancing practices to the best of your ability. For the safety of everyone, any student not appropriately wearing a mask/facial covering will be asked to leave the classroom immediately. The student will be responsible to make up any missed class content or work. Continued non-compliance with the Texas Tech University System Policy may result in disciplinary action through the Office of Student Conduct.

Texas Tech University System Facial Covering Policy

The TTU System and its component institutions (“University”) require all members of the University Community (students, faculty, staff, visitors, vendors and contractors) to wear protective face coverings on University campuses or in University facilities as provided below:

I. Requirements

A. In common areas on campus including, but not limited to, classrooms and other spaces used for teaching, research, and creative activity, Student Union, libraries, hallways, elevators, stairwells, restrooms, break rooms, foyers, event rooms and lobbies; B. In patient care units, ambulatory clinic spaces, or procedural areas; or C. Other areas where physical distancing of at least 6 feet is not maintained. Even when physical distancing of at least 6 feet can be maintained, face coverings are strongly recommended.

II. Exceptions

A. When eating or drinking, which should still be conducted maintaining physical distance; B. In accordance with applicable law (e.g., an accommodation, including for medical reasons, under the Americans with Disabilities Act (ADA), or pursuant to a bona fide religious belief); C. For children under the age of 2 years old; or D. By an instructor/presenter in a classroom or event room when a physical distance of at least 6 feet can be maintained from the class members/audience.

With prior University approval, units and departments may set other reasonable guidelines and policies that are particularly tailored to their specific workplace, healthcare, or learning environment (e.g., residence halls, recreation centers, athletics facilities, performance venues, research facilities, medical clinics).

Although failure to comply with this facial covering policy may lead to disciplinary action, efforts will first be made to educate members of the University Community of the need for facial coverings to control the spread of COVID-19. Warning will be given before disciplinary action is taken.
For more information about face covering guidelines from the CDC, please see: https://www.cdc.gov/coronavirus/2019-ncov/prevent-getting-sick/about-face-coverings.html. Common areas do not include, and therefore facial coverings are not required in, individual offices or office suites where social distancing of at least 6 feet can be maintained.

2. Attendance

Regular attendance is required in this course. Attendance will be taken and counted beginning the first day of class. The student is allowed to miss 3 days (MWF), 2 days (T/R), and 1 day (if class meets once a week) without penalty to the final grade. However, a student’s absence will result in a zero for all work/assignments completed on that day. Once a student misses more than the allotted absences mentioned above, two (2) points will be deducted from the student’s FINAL average for each additional absence. This number includes both EXCUSED and UNEXCUSED absences. You will be counted absent if you are not present for the entire class. Three tardies (more than 10 minutes) will result in an absence.

To be considered excused for a class absence, the student must be excused through the school as they will be attending a school sponsored event. In these cases, it is the responsibility of the student to complete any assignments they will be missing prior to their departure. Please come talk to me if as soon as you know you will be missing a class.

3. Late Speeches

If you are not present when scheduled to give your speech and do not have a legitimate reason for being absent (i.e., hospitalization, funeral of close family member), YOU WILL RECEIVE A ZERO for that presentation. Only if an absence is excused through the school or the instructor will a student be allowed to make up a speech. If you have a legitimate reason for missing, YOU ARE REQUIRED TO MAKE UP YOUR SPEECH THE DAY THAT YOU RETURN. This means that you must have your documentation legitimizing your absence and your speech materials ready. You will be FIRST to present on the day that you return. However, if you do not have a legitimate reason, remember course policy states: FAILING TO GIVE A SPEECH ON THE ASSIGNED DATE WILL RESULT IN A ZERO. NOT DELIVERING ALL FOUR SPEECHES WILL RESULT IN AUTOMATICALLY FAILING THE CLASS REGARDLESS OF YOUR NUMERICAL AVERAGE.

Also, showing up late on your scheduled speech date will result in 15 points being deducted from your speech.

4. Late Tests

If you miss a test due to an excused absence (i.e., hospitalization, funeral of close family member), you must make the test up within a reasonable length (no more than one week, desirably less.) All arrangements for making up work should be made prior to the absence, if possible, and is the student’s responsibility. A typed, signed and dated explanation must be given to the instructor upon returning to class.

5. Academic Misconduct

Plagiarism in your speech will result in a zero for the assignment, and the instructor may pursue additional measures. Speeches are to be the original composition of each student. Outside sources are required for each assignment with proper citing in a bibliography as required.
6. Class Etiquette

Please be a courteous student and peer. Use of cell phones in class will result in you being counted absent for the day, and will result in a 0 for any work completed on that day. Students may not use Snapchat, Instagram, Facebook, or any other social media outlet to post pictures or videos of other students or their performance in the classroom. Failure to comply with this rule will result in you being reported to the Dean of Student Life.

7. Dress Requirement

Appropriate dress is required for each speech. Specific requirements will be announced by the instructor prior to the speech.

8. Honor Code Policy

Violations of academic integrity are very serious matters and are clearly documented in the ASU Student Handbook. The work a student submits in a class is expected to be the student's own work and must be work completed for that particular class and assignment. Plagiarism means intentionally or knowingly representing the words or ideas of another as one's own. This may include your own previous work. Plagiarism includes quoting or paraphrasing from other sources without acknowledging/citing the source of your information or presenting quoted material as your own words. You must be very clear about attribution of sources and you must know how to cite sources in a paper. Please see full Honor Code Policy at http://www.angelo.edu/cstudent/documents/pdf/Student_Handbook.pdf
