COURSE DESCRIPTION

This course provides a foundational survey of the central social, political, economic, and cultural histories of the United States of America from the initial contact between European explorers and Native Americans to the Civil War and its immediate aftermath. This course emphasizes the narratives of well-known and ordinary people, highlights the diversity of the American experience, and stresses the continuity and change across the period of study. By the end of the semester, students will demonstrate a clearer understanding of the eras and major events in American and U.S. history during the time period covered in this course.

REQUIRED MATERIALS

The textbook for this course is a free digital online textbook called *The American YAWP* ([http://www.americanyawp.com](http://www.americanyawp.com)) published by Stanford University press. While the book contains chapters for both before and after 1877, we will focus on chapters 1 through 15. We will also use *The Documentary Companion to the American YAWP* ([http://www.americanyawp.com/reader.html](http://www.americanyawp.com/reader.html)), which includes primary source documents that complement themes from your readings and from lecture.

Additionally, there are **TWO** books required for this course, both of which can be purchased at the bookstore or online (if purchasing online, make sure the ISBNs match).

ATTENDANCE

As everyone is aware, this semester is happening under some very unique circumstances. With that in mind, I do not plan on making attendance required in this course (with one very important exception: all students must either attend class in person or log on to the course Blackboard page at least once during the first two weeks of class so that I can certify attendance). All lecture materials and PowerPoint slides will be posted online; they will be posted the day of the schedule lecture and will remain available throughout the semester.

DUE TO REDUCED CLASSROOM ATTENDANCE LIMITS STEMMING FROM COVID-19, THIS CLASS WILL BE MEETING ON A GROUP 1 / GROUP 2 SCHEDULE. If your last name begins with A – K, you are Group 1. If your last name begins with L – Z, you are Group 2. These groups will meet in class on alternating days that are indicated on the course schedule. If your group is not meeting in class / in person on that day, you are still responsible for the lecture material (it will all be posted on Blackboard). There are also course days (listed as ‘online’ on the course schedule) where everyone will attend class virtually. These are generally days when assignments are due, because that’s the most equitable way to ensure that everyone takes the same assignment at the same time on the same day. ALL ASSIGNMENTS IN THIS COURSE WILL BE TAKEN ON BLACKBOARD. If you are unable to take an assignment because of a university excused absence, you must notify me via email BEFORE the assignment date to communicate that you have a university excused absence and to make arrangements to make-up the assignment (for more information on what constitutes a university excused absence, including observation of religious holy days, please click here). All assignments missed due to a university excused absence must be made up within 30 days (the sooner the better). If a sudden extreme illness or emergency makes prior communication unfeasible, you have two days after the due date to notify me of your situation.

ASSIGNMENTS AND GRADING

There will be three types of graded assignments during this course: quizzes, writing responses, and exams.

QUIZZES (6): Students will take a total of SIX quizzes during the semester for ten points each. Quizzes are listed on the schedule of activities. The format of these quizzes may vary, and quiz questions might address reading assigned for a given week, lecture material, or classroom discussions. The lowest quiz grade will be dropped. This means that your five highest quizzes at ten points each will count for a total of 50 points.

IN-CLASS WRITING (2): During the course, there will be TWO writing exercises worth 25 points each. These writings are listed on the schedule of activities. These writing exercises will be based on assigned monograph readings. Students will provide a written response in the form of a clear and well-written paragraph(s) that demonstrates their understanding of the materials.

EXAMS (2): There will be TWO exams during the course. Both exams will each consist of 35 multiple-choice questions (each question is worth two points, for a total of 70 points) and 3 short
answer questions (each question is worth 10 points, for a total of 30 points). Exam questions will be drawn from assigned readings, documents, and lecture materials.

The first exam will take place on Thursday, October 8. The second exam, the FINAL EXAM, will be scheduled based on what section you are enrolled in:

- **Section 220 (TR 9:30):** Tuesday, November 24, 8:00 – 10:00 AM
- **Section 230 (TR 12:30):** Tuesday, November 24, 10:30 AM – 12:30 PM
- **Section 240 (TR 2:00):** Saturday, November 21, 1:00 – 3:00 PM

Makeup exams will be given ONLY with a university-excused absence. Further details on these exams will be provided as the course progresses (the short-answer portion will be take-home).

The overall grade in the course will be calculated as follows:

<table>
<thead>
<tr>
<th>Component</th>
<th>Points</th>
</tr>
</thead>
<tbody>
<tr>
<td>Quizzes (5 @ 10pts each)</td>
<td>50</td>
</tr>
<tr>
<td>Writings (2 @ 25pts each)</td>
<td>50</td>
</tr>
<tr>
<td>EXAM 1</td>
<td>100</td>
</tr>
<tr>
<td>EXAM 2</td>
<td>100</td>
</tr>
</tbody>
</table>

**GRADING SCALE:**

- **A = 270 – 300 points**
- **B = 240 – 269 points**
- **C = 210 – 239 points**
- **D = 180 – 209 points**
- **F = 0 – 179 points**

**SPECIAL POLICIES & PROCEDURES RE: COVID-19**

All students are also able to take this class entirely online, using the provided material on Blackboard – if you choose this option, please let me know via email. If you feel sick, please stay home!

A seating chart will be required for those attending class in-person. This is so that contact tracing can be done if necessary.

As a member of the Texas Tech University System, Angelo State University has adopted the mandatory **Facial Covering Policy** to ensure a safe and healthy classroom experience. Current research on the COVID-19 virus suggests there is a significant reduction in the potential for transmission of the virus from person to person by wearing a mask/facial covering that covers the nose and mouth areas. Therefore, in compliance with the university policy students in this class are required to wear a mask/facial covering before, during, and after class. Faculty members may also ask you to display your daily screening badge as a prerequisite to enter the
classroom. You are also asked to maintain safe distancing practices to the best of your ability. For the safety of everyone, any student not appropriately wearing a mask/facial covering will be asked to leave the classroom immediately. The student will be responsible for making up any missed class content or work. Continued non-compliance with the Texas Tech University System Policy may result in disciplinary action through the Office of Student Conduct.

Students must fill out the wellness check daily. It is available on RamPort or the ASU App. Please take a photo of your daily app, as you’ll be asked to display it to enter the buildings.

Depending on the situation, Angelo State may be required to move all courses online. The instructor may modify class requirements or format as necessary should this occur.

**IMPORTANT NOTE**

All materials generated for and/or used in this course are *copyrighted*, which include, but are not limited to the syllabus, exams, lectures, and presentations. Because these materials are copyrighted, you do not have the right to reproduce them in any way, unless I grant permission directly to you. *Also, do not record the lectures or take notes for any outside note-taking company without my permission.*

**ELECTRONIC ETIQUETTE POLICY**

Please make sure that you turn off/silence all cell phones, iPods, iPads, and other similar devices.

**ADA: STUDENTS WITH DISABILITIES**

The Americans with Disabilities Act (ADA) is a federal anti-discrimination statute that provides comprehensive civil rights protection for persons with disabilities. Among other things, this legislation requires that all students with disabilities be guaranteed a learning environment that provides for reasonable accommodation of their disabilities. Persons with disabilities that may warrant academic accommodations must contact the Student Life Office, Room 112 University Center, in order to request such accommodations prior to their implementation. You are encouraged to make this request early in the semester so that appropriate arrangements can be made.

**COMMUNICATION**

Please feel free to contact me if you have a problem. It is always better to see me early in the semester rather than the last week. Please note my posted office hours given at the top of the syllabus. If this is inconvenient, make an appointment for another time. Email (also listed at the top) is by far the best way to contact me outside of class, and I will respond to emails by the next business day. Please put the course number in the title of your email. *Additionally (and very importantly), be sure that the question you’re asking cannot be easily answered by reading the*
The syllabus. The syllabus might be amended. The current version of the syllabus will always be available on Blackboard.

COURSE OBJECTIVES

Texas Higher Education Coordinating Board Exemplary Educational Objectives for the SOCIAL AND BEHAVIORAL SCIENCES (History 1301, 1302) The objective of a social and behavioral science component of a core curriculum is to increase students' knowledge of how social and
behavioral scientists discover, describe, and explain the behaviors and interactions among individuals, groups, institutions, events, and ideas. Such knowledge will better equip students to understand themselves and the roles they play in addressing the issues facing humanity.

-To examine social institutions and processes across a range of historical periods, social structures, and cultures.
-To analyze the effects of historical, social, political, economic, cultural, and global forces on the area under study.
-To understand the evolution and current role of the U.S. in the world.
-To comprehend the origins and evolution of U.S. and Texas political systems, with a focus on the growth of political institutions, the constitutions of the U.S. and Texas, federalism, civil liberties, and civil and human rights.
-To recognize and apply reasonable criteria for the acceptability of historical evidence and social research.
-To identify and understand differences and commonalities within diverse cultures.

**STUDENT LEARNING OUTCOMES**

During the semester, students will:

1. enhance their ability to ask questions of, accurately evaluate, and effectively synthesize primary and secondary historical writings.

2. develop the ability to effectively express their own ideas in written and oral form.

3. expand their knowledge of the historical and social contexts that created diversity in past and present human cultures.

4. apply knowledge about the human condition—in the past and present—to their personal lives and studies.
