You will have 60 minutes to answer 50 multiple choice questions, and the questions will not be easy so please prepare well for each test—Your test questions will come from a test pool and will be ordered randomly. If more than two thirds of the class misses a test question, then I will discard that question, review the material after the test, and you will be re-tested on topics that were missed. All tests will be taken online via Blackboard and will be open-book/open notes.

If you are found to be collaborating with other students on a test or cheating on your test, you will receive an F in the class and might be dismissed from ASU.
Course and University Policies

Academic Honesty and Other Important Issues

Academic Integrity
Angelo State University expects its students to maintain complete honesty and integrity in their academic pursuits. Students are responsible for understanding and complying with the university Academic Honor Code and the ASU Student Handbook.

It is the professor’s intention to be as fair and impartial as is humanly possible. Therefore, all students will be asked to adhere to the same set of guidelines and rules UNLESS there are disabilities or documented extenuating circumstances that have been discussed with the professor and the Student Life Office. Please make sure you inform the professor as soon as any situation arises. Do NOT wait until the problem is compounded by poor class performance, poor attendance, etc.

Academic integrity is expected. This includes, but is not limited to, any form of cheating, plagiarism, unauthorized sharing of work, or unauthorized possession of course materials. The professor assumes that all students can be trusted. Please do not violate this trust. Violation of academic integrity will result in a failing grade for the course.

A special note on plagiarism
Your research paper and essays will be submitted using “Turn it In” to check for plagiarism and originality, so please cite your sources when quoting from others. The proper way to cite your source is to put quotation marks (“…”) when quoting directly, and in all cases to use APA format to credit the original source. Failure to do so is considered plagiarism and it will earn you a failing grade on the assignment and may result in a failing grade for the course. Please contact the ASU writing center if you need assistance with proper citations or formatting.

Course Syllabus Statement on Required Use of Masks/Facial Coverings by Students in Class At Angelo State University
As a member of the Texas Tech University System, Angelo State University has adopted the mandatory Facial Covering Policy to ensure a safe and healthy classroom experience. Current research on the COVID-19 virus suggests there is a significant reduction in the potential for transmission of the virus from person to person by wearing a mask/facial covering that covers the nose and mouth areas. Therefore, in compliance with the university policy students in this class are required to wear a mask/facial covering before, during, and after class. Faculty members may also ask you to display your daily screening badge as a prerequisite to enter the classroom. You are also asked to maintain safe distancing practices to the best of your ability. For the safety of everyone, any student not appropriately wearing a mask/facial covering will be asked to leave the classroom immediately. The student will be responsible to make up any missed class content or work. Continued non-compliance with the Texas Tech University System Policy may result in disciplinary action through the Office of Student Conduct.
