Tonight, before you go to sleep, think of something that makes you smile. There is always something, no matter how bad your day may have been. You will sleep better, you will feel better once you wake and you will face your new day with a positive mind. Take charge of your happiness.

Course Syllabus Statement on Required Use of Masks/Facial Coverings by Students in Class At Angelo State University

As a member of the Texas Tech University System, Angelo State University has adopted the mandatory Facial Covering Policy to ensure a safe and healthy classroom experience. Current research on the COVID-19 virus suggests there is a significant reduction in the potential for transmission of the virus from person to person by wearing a mask/facial covering that covers the nose and mouth areas. Therefore, in compliance with the university policy students in this class are required to wear a mask/facial covering before, during, and after class. Faculty members may also ask you to display your daily screening badge as a prerequisite to enter the classroom. You are also asked to maintain safe distancing practices to the best of your ability. For the safety of everyone, any student not appropriately wearing a mask/facial covering will be asked to leave the classroom immediately. The student will be responsible to make up any missed class content or work. Continued non-compliance with the Texas Tech University System Policy may result in disciplinary action through the Office of Student Conduct.

2. Be prepared to show “wellness badge” before and/or upon entering the building and/or classrooms.
3. Face coverings and physically distancing while in class
4. If you are experiencing symptoms, email the instructor after you have sought medical attention.
   If you are exhibiting COVID-19 symptoms and/or have a temperature of 100 degrees Fahrenheit or greater, it is recommended that the student stay home and seek medical attention.

GRADING SCALE
780-702---->A  623--546---->C  467 & BELOW---->F
701-624 --->B  545-468---->D

Late submissions: PDP’s and activity files will NOT be accepted. Due dates are on your syllabus-plan ahead and do not procrastinate!

If you have questions about any assignment during the semester, please come by my office or email me; do not wait until the last moment when you are in a panic mode.

Extra Credit: You can make 10 extra points by donating blood during the semester and/or becoming an organ donor. If you are already an organ donor (bless you); you can show me or email me a picture of your driver’s license to receive 10 extra credit points. When you register on-line (see Texas Department of Public Safety link below), you will receive a confirmation email. You can forward that confirmation email to me. info@donatelifetexas.org (organ donor on-line application).

If you donate blood, please bring me the proof of blood donation paper or or take a picture of it and send it to me. You can donate at United Blood Services, 2020 W. Beauregard, San Angelo or during any on-campus blood drive.

HOW TO DETERMINE YOUR CURRENT GRADE: Example: If the cumulative point total for all assignments up to the present is 80 and
your Bb grade book total is 65; then divide the cumulative point total (80) into your Bb grade book total (65) and you get 81%. You can do this any time during the semester to find your current grade.

A major component of your grade will include teaching opportunities. You will co-teach two lessons (peer teaching) at ASU. You will have at least four teaching opportunities during this course in elementary/secondary schools in SAISD and various community-based organizations. Each person is responsible for planning and teaching the lesson. We will use the specific format during class. Your class, work and/or athletics schedules will determine your teaching locations later in the semester. Dress code is in effect for ALL peer-teachings and observations/teachings off-campus.

IV. ATTENDANCE POLICY
Attendance is necessary to fully understand the concepts and theories that will be introduced this semester. We will meet 30 times during the semester at 15 points each = 450 points. Your Bb gradebook attendance column has already been credited with 450 points. If you are absent, then I will subtract the 15 points. University-sponsored activities, religious holy day(s) and military training are always excused. I will allow you two personal unexcused absences during the semester. Tardies count five points each against your attendance grade.

If you know you will miss a class on a date your group is scheduled to teach, please reschedule IMMEDIATELY!

V. DRESS CODE: ALL students are required to dress in appropriate physical education attire (aligned with SAISD guidelines) when we are in the gym or out in the community (no tank tops, low-cut tops, cutoffs, short shorts, capri or yoga pants, tights, jeans, or t-shirts advertising products; no street shoes, sandals, boots, flip flops, etc.). In addition, HEAD GEAR OF ANY KIND ARE NOT ALLOWED (hats, caps, hoodies, bandanas, etc.) during class. Failure to wear appropriate activity clothes and shoes will result in a ten-point deduction from your professionalism grade. NOTE: tights may be worn under appropriate shorts. Acceptable shirts: plain t-shirts or collared shirts, t-shirts and collared shirts that have fitness/health-related topics and Angelo State University or sports related logos. Acceptable shorts: walking or athletic shorts that are no shorter than mid-thigh (approximately 3 inches above the knee). Warm ups are acceptable clothing.

Below-first set of pics are examples of dress that are not acceptable! Second set of pics are examples of dress that are acceptable!

NOT ACCEPTABLE!
You must wear an ASU shirt and name tag when you are out in the community observing/teaching and when you are peer-teaching in the gym. You are representing the university, so look nice by NOT wearing ragged or heavily wrinkled clothing. Each student must have a whistle and lanyard when engaged in community teaching and peer-teaching.

VI. Professionalism
I want you to be professional during class this semester especially concerning dressing appropriately and being on time to class. I will subtract points if you are not dressed appropriately or you are excessively tardy to class.

Please respect your classmates and your professor by turning off your cell phone and putting it away before class starts. **I do not want any texting or checking email during the classes as it is rude & unacceptable. It can all wait until class is over. That also includes peer-teaching time in the gym.** Later in the semester, we will have several collaboration days where I want you to use your devices.
