Blackboard (Bb) is utilized for all communication, course content, and class assignments. You must be able to access Blackboard on a regular basis and check your ASU email daily for communication.

**Assignments:**

**Summary**
Throughout your courses in higher education, you will have to write many analytical and reflective pieces, which always start with a simple summary. We will read an article together, and you will review whatever summarization skills you acquired in high school by writing a two-part summary of that text.

**YouScience Assignments**
This course is designed to help clarify which major -, minor -, and career choices best fit your interests and talents. In order to determine this, you will complete an online test, meet with the professor individually to analyze your results, and reflect your newly gained self-understanding by completing the YS Workbook.

**Information Literacy**
This assignment will inform you about a number of research-related topics which will be helpful in your studies at ASU. In particular, these topics relate to using the ASU library resources to do research.

**Blackboard Tools You Will Use**
This assignment will inform you about the use of some tools available in Blackboard. You will use some of those tools to submit and complete this assignment. Blackboard will be used in varying degrees for all of your ASU courses.

**Resume**
For this assignment, you will develop a resume.

**Course Evaluation and Grading**
A list of class assignment categories is given below. Specific instructions, requirements, and expectations for each assignment are posted on Blackboard. Other non-graded assignments may be given. All written assignments have to be typed.
Attendance & Preparation 20%
   (class, personal meetings with professor, punctuality, & assignments)

YouScience (includes test completion, individual meeting & workbook) 40%
Information Literacy 10%
Summary Assignments 10%
Blackboard Tools You Will Use 10%
Resume 10%

You should always be aware of your current course grade, which is shown as your Weighted Total on Bb/Grades. Please note that your grades are weighted, which means that your final course grade is different from the arithmetic mean.

Attendance Policy
You snooze, you lose. If you are absent or late, you miss the leaving train. In other words, your presence is essential both for yourself and for us because it will make our meetings better.

Attendance is required. Each student is allowed one absence without penalty. Use it for an emergency situation only and inform me by e-mail before our meeting. Any absence after the first will result in the deduction of a letter grade at the end of the semester, as does leaving early. There are three types of excused absences: competing in an ASU athletics event, participating in a religious holy day, or fulfilling military service. If you must be absent due to illness or work, that is unfortunate but not excused.

Students who have chosen not to physically attend class will be required to attend synchronous virtual class sessions, participating throughout the class. In other words, you will be counted absent if you do not attend and actively participate in the virtual class sessions which will be held during the scheduled class sessions – Tuesday and Thursday, 3:30 – 4:20pm - and/or if your video is turned off (your video must be turned on throughout each class session).

If you miss a class meeting, it is your responsibility to contact a fellow student to obtain notes and explanation of class discussions and homework. Tardies are absolutely unacceptable and will be reflected in your final grade.

Students are to adhere to all ASU policies concerning attendance. Policies are listed below:
OP 10.04 and Unit policy http://www.angelo.edu/opmanual/#s10

Course Policies:
Cell Phones & Laptops
You may take all notes electronically. I trust that you do not waste what hard-earned cash you spent on this course by using our class time to catch up on social media and such. And, I am certain that your good manners will prevent you from texting during class or having earbuds out.

Late Work
One letter grade will be deducted for all late work. Late work must be turned in within one day from the date it was due.

Student Responsibilities
The quality of your education depends on your behavior. Be present, be aware, and be responsible in all your courses. Each course you take matters, and your job is to perform the tasks to the best of your ability. If you are going to be a successful college student, you must respect the process and take responsibility for your performance. However, you must also recognize when you need help and make use of the academic support that exists all over campus.

Email and Electronic Etiquette
As a college student, you are a young professional. Your communication in college is practice for your life after college. When you email your professors, post to social media accounts, speak during classroom discussions, you are practicing the essential skills that will help you when you apply for jobs and when you begin your professional life.

When you email your professors, use your Angelo State Email address and create a clear subject line. Edit your email and use standard written English. Include your full name and which course you are enrolled in with that professor.

ASU Tutoring:

It is the student’s responsibility to initiate such a request by contacting an employee of the Office of Student Affairs, in the Houston Harte University Center, Room 112, or contacting the department via email at ADA@angelo.edu. Student Withdrawal

If you have to drop a course, you must do so formally through the Registrar’s Office (200 Hardeman). Failure to withdraw officially will result in a failing (F) grade. Review ASU’s calendar to determine the last day to withdraw from this first 7 ½-week course. Keep in mind that in Texas, students are allowed only 6 withdrawals after the census date. The census date for the first 7 ½ weeks is earlier than the regular 15-week census date. Discuss this with an advisor before withdrawing.

ASU OP10.19 Student Absence for Observance of Religious Holy Day

A student who intends to observe a religious holy day should make that intention known in writing to the instructor prior to the absence. A student who is absent from classes for the observance of a religious holy day shall be allowed to take an examination or complete an assignment scheduled for that day within a reasonable amount of time after that absence. Required Use of Masks/Facial Coverings by Students in Class At Angelo State University
As a member of the Texas Tech University System, Angelo State University has adopted the mandatory Facial Covering Policy to ensure a safe and healthy classroom experience. Current research on the COVID-19 virus suggests there is a significant reduction in the potential for transmission of the virus from person to person by wearing a mask/facial covering that covers the nose and mouth areas. Therefore, in compliance with the university policy students in this class are required to wear a mask/facial covering before, during, and after class. Faculty members may also ask you to display your daily screening badge as a prerequisite to enter the classroom. You are also asked to maintain safe distancing practices to the best of your ability. For the safety of everyone, any student not appropriately wearing a mask/facial covering will be asked to leave the classroom immediately. The student will be responsible to make up any missed class content or work. Continued non-compliance with the Texas Tech University System Policy may result in disciplinary action through the Office of Student Conduct.
