Computer Requirements

Access to Blackboard
I will rely heavily on Blackboard tools to teach this class. You can access Blackboard at blackboard.angelo.edu. To log in, you’ll need your Ramport ID and password. All the writing assignments will be posted in Blackboard in PDF format. I will also post the syllabus, writing assignment prompts and rubrics, daily homework instructions, in-class materials and instructions, and additional resources (videos, handouts, etc.) in our course Blackboard site. Moreover, you will submit some homework and most writing assignment responses through Blackboard. In order to make sure everyone is familiar with our course’s Blackboard site layout, I will provide a brief tutorial illustrating
how to navigate it the first week of class. Be sure you routinely check Blackboard for detailed homework instruction, for some learning materials that were used/discussed in class, and for digital copies of writing assignment prompts and rubrics.

**Microsoft Word or Word-Compatible Software**

All typed work (writing assignments and homework) needs to be composed and submitted in Microsoft Word. Because of the amount of document design you will need to do in this course, you must purchase or have access to MS Word when you are not in class. *Using Google docs will not be sufficient.* The [ASU Bookstore](https://www.asu.edu) offers a rentable MS Word option. If you have questions or concerns about this requirement, please ask me.

**Requirements and Grading**

**Homework Activities** – There are very few homework activities. However, these activities will be completed on your own and turned in on Blackboard by the due date indicated on the course schedule. Each activity will be graded, so do use all of the time provided to do a thorough job.

**Major Assignments** - Except as otherwise specified, all assignments must be typed with one-inch margins on top, right, and bottom, and they must be cited using MLA or APA format. All major assignments must be submitted in order to pass the course.

**Formatting** - Please use Times Roman or Times New Roman 12 point font in MLA paper format. All text, except for headings must be left-justified. Failure to adhere to these guidelines will result in the loss of points.

- **Safe Assign** - In addition, all major assignments (but not homework) as well as the final exam will be checked by Safe Assign automatically. If you have questions about your Safe Assign report, please come see me during office hours or email me and I will be glad to help you.
- **Late Assignments – I DO NOT accept late assignments.**
- **Grading** - Grades on all written work depend on all elements of writing, which include but are not limited to: content; form; accuracy in grammar, punctuation, spelling, etc.; logic; and neatness. In addition to grading for content and development, I grade for errors in grammar, spelling, and formatting. These errors will seriously impact your grade, so I strongly suggest that you go over your assignments thoroughly to ensure that they are as perfect as possible.

Blackboard works on a weighted system, and the approximate item weights are as follows:

<table>
<thead>
<tr>
<th>Weight</th>
<th>Assignment</th>

<tbody>
<tr>
<td>15%</td>
<td>Professional Profile</td>
</tr>
<tr>
<td>20%</td>
<td>Resume and cover letter</td>

<tr>

<tr>
<td><strong>100%</strong></td>
<td><strong>Total Percent</strong></td>

</table>
**Academic Honesty**

I will be checking each paper for plagiarism and for the appropriate use of sources using Safe Assign. Make sure that you are citing all sources appropriately and correctly. Failure to do so will result in a loss in points or disciplinary action. I will not grade an assignment until you have submitted a draft to Safe Assign and I will consider that assignment late until you have turned it in online, even if you gave me a paper hardcopy in class.

Keep in mind that plagiarism also consists of recycling old papers or materials completed for another class or for a previous section of 2311 (i.e. self-plagiarism) as well as taking a file begun by another person and revising it. These documents should be yours alone and completed for this course during this semester.

Angelo State University expects its students to maintain complete honesty and integrity in their academic pursuits. Students are responsible for understanding the Academic Honor Code, which is available on the web at [http://www.angelo.edu/forms/pdf/honorcode5.pdf](http://www.angelo.edu/forms/pdf/honorcode5.pdf). Students in this class who are determined to have violated the policies explained in the code will face a disciplinary process that, at minimum, will result in failing the assignment, and may also include receiving a failing grade in the course, as well as being referred to the English Department Chair for possible further action.

A student who is absent from classes for the observance of a religious holy day shall be allowed to take an examination or complete an assignment scheduled for that day within a reasonable time after the absence.
