CLASS POLICIES

Required Texts

Each student is required to purchase these specific textbooks and to bring the proper volume to class every day. After the 2nd week, students who do not bring their books to class will be given a reminder and will be charged with an absence if they subsequently fail to bring their textbooks.

Course Objectives and Learning Outcomes
English 2321 is a general survey with the primary objective of familiarizing students with some of the major periods, authors, and literary movements in British literature from the late-18th century through the early 20th century. Because I believe that our understanding of literature written during this period deepens significantly when we examine it within its historical and cultural contexts, the course will also include background material on the many social, technological, and cultural transformations taking place throughout Great Britain and the world to which literary artists were responding during this roughly 100 year period.

Upon completing sophomore literature, students should be able to

1. understand the role of literature as an expression of values and interpretation of human experience
2. understand and apply methods of responding to literature analytically
3. understand the form, function, scope, and variety of literature, including specialized terminology
4. understand the interactive relationship between history, culture, and literature.

Sophomore literature outcomes will be measured by various assignments, including the composition of a literary analysis.

ASU Core Curriculum Objectives for Sophomore Literature and Related Course Assessments
Students in sophomore literature will practice the following core curriculum learning objectives in critical thinking, communication, social responsibility, and personal responsibility. Students will then demonstrate their capabilities in these objectives through reading quizzes, written analyses, reflections, or examinations.
Critical thinking will be demonstrated in reading quizzes, written analyses, or examinations. Students will gather, analyze, evaluate, and synthesize information relevant to a question or issue by mastering a series of assigned literary works in terms of generic conventions and content.

Communication will be demonstrated in reading quizzes, written analyses, or examinations. Students will develop, interpret, and express ideas through effective written communication.

Social responsibility will be demonstrated in written reflection on public reading or lecture. Students will demonstrate ability to engage with locally, regionally, nationally, or internationally known literary artists and the texts they create, and to reflect upon the shared traditions of literary expression, the debates that help shape literature, and the conflicts, cultural differences, and shared experiences.

Personal responsibility will be demonstrated in reading quizzes, written analyses, or examinations. Students will demonstrate the ability to evaluate choices, actions, and consequences by identifying, analyzing, and evaluating ethical decision-making in literary examples.

Requirements and Grading
The course work will include a midterm examination, reading quizzes, and a final examination. Class sessions will include lectures, class discussions, and group work. The final grade will be calculated as follows:

- Midterm Examination: 30%
- Reading quizzes (5 quizzes, 6 pts. each): 30%
- Class participation: 10%
- Final examination: 30%

Quiz and Exam Policy
Quizzes cannot be made up for any reason except for absences due to officially sanctioned ASU events. The lowest quiz grade will be dropped. Make-up tests will not be given except in cases of legitimate, documented emergencies.

Academic Honesty
Angelo State University expects its students to maintain complete honesty and integrity in their academic pursuits. Students are responsible for understanding the Academic Honor Code, which is available on the web at http://www.angelo.edu/forms/pdf/honorcode5.pdf. At minimum students who are determined to have violated this policy will receive a failing grade on the assignment and may also receive a failing grade in the course and be referred to the English Department Chair for possible further action.

Students with Disabilities
Persons with disabilities that may warrant academic accommodations must contact the Student Life Office in the University Center to request such accommodations prior to any being implemented. You are encouraged to make this request early in the semester so that appropriate arrangements can be made.
Absence Policy
Each student is allowed two unexcused absences without penalty. For each subsequent unexcused absence, 3 points will be deducted from your final semester grade. All absences will be charged against this allotment unless proper written documentation indicating the nature of the absence is presented; in any case, I reserve the right to determine whether the absence will be excused. Further, you are responsible for keeping up with the syllabus during any absence. You are also expected to be in the classroom and prepared for the day's work at the start of class. Finally, a total of seven or more absences will constitute grounds for failing the course.

Classroom Decorum
To succeed in the course, each student must be completely prepared with all assigned reading and must undertake an active, responsible role in all classroom activities. The points for class participation are not awarded simply for attendance; each student must earn them by contributing to the exchange of ideas upon which every successful course depends. Please do not come to class unprepared; if you do, I reserve the right to ask you to leave and to charge you with an absence. Any student who falls asleep will be awakened and asked to leave the class. If these actions would embarrass you, please come to class prepared and alert. Also, eating, drinking, talking disruptively, habitually forgetting the textbooks, and doing coursework for other classes are prohibited. Following University tobacco-use policy, no tobacco products of any kind, including chew or dip, are to be used in the classroom. Finally, please turn off and put away all electronic communications devices before entering the classroom. You will be charged with an absence each time you use your cell phone or any other tech device in class without my permission. This includes having a phone out on your desk or anywhere else it might interfere with your attention in this class.

Absences for Observance of Religious Holy Day
Students who intend to be absent from class to observe a religious holy day (as defined in ASU OP 10.19) must inform the instructor in writing prior to the absence and make up any scheduled assignments within an appropriate timeframe determined by the professor. While the absence will not be penalized, failure to complete the make-up assignment satisfactorily and within the required timeframe will result in penalties consistent with other absences and assignments.

Statement on Student Absences for COVID-19 Related and Other Illness: Required Use of Masks/Facial Coverings by Students on Campus

The Texas Tech University System has implemented a mandatory Facial Covering Policy to ensure a safe and healthy campus experience. Current research on the COVID-19 virus suggests that there is a significant reduction in the potential for transmission of the virus from person-to-person by wearing a mask/facial covering that covers the nose and mouth areas. Because of the potential for transmission of the virus, and to be consistent with the University’s requirement, students on campus are to wear a mask/facial covering. Observing safe distancing practices while on campus by spacing out and wearing a mask/facial covering will greatly improve our odds of having a safe and healthy campus experience.

Students requesting an exemption may need to wear a clear plastic face shield instead of a face mask. Students needing this accommodation should register with Student Disability Services and provide the appropriate documentation supporting this request. No accommodation exists that would exempt a student from wearing a mask/facial covering at any university-sponsored activity or event.

For religious or any other exemption-related questions, students should contact the Office of Student Affairs.
