The ultimate leverage in life isn’t intelligence. It’s knowing and playing to your strengths. Finding out about your strengths is what Career Exploration and YouScience are all about!

Purpose
The purpose of Career Exploration is to help you learn what interests and skills you have and match them to careers in which those interests and skills are relevant. The course also includes self-evaluation and discussion about your capacity and ambition to succeed as a student at Angelo State University.

Statement on Required Use of Masks/Facial Coverings by Students in Class at Angelo State University
As a member of the Texas Tech University System, Angelo State University has adopted the mandatory Facial Covering Policy to ensure a safe and healthy classroom experience. Current research on the COVID-19 virus suggests there is a significant reduction in the potential for transmission of the virus from person to person by wearing a mask/facial covering that covers the nose and mouth areas. Therefore, in compliance with the university policy students in this class are required to wear a mask/facial covering before, during, and after class. Faculty members may also ask you to display your daily screening badge as a prerequisite to enter the classroom. You are also asked to maintain safe distancing practices to the best of your ability. For the safety of everyone, any student not appropriately wearing a mask/facial covering will be asked to leave the classroom immediately. The student will be responsible to make up any missed class content or work. Continued non-compliance with the Texas Tech University System Policy may result in disciplinary action through the Office of Student Conduct.

Materials
There is no textbook. However, you will be required to take the YouScience study. The YouScience study is an integral part of this class. Your tuition has already paid for the cost of the YouScience study. You will be given an activation code and directions for how to take YouScience.

Consideration, discussion, self-evaluation, and conversation of the following statement will be central to the class and to your academic success at ASU:
All students at Angelo State University must have the capacity and ambition to undertake, with reasonable accommodation from the faculty and administration, the academic challenges necessary to fulfill the academic requirements for the degrees or certification programs they are pursuing.
**Communication**
I will contact you as needed via your ASU email account. The best way to contact me is by email (Kevin.Lambert@angelo.edu). You can call me at my office and if I am not there leave a voice message, which is then sent to me via my email. My office phone number is (325) 486-6021.

**Attendance and Grading**
Your grade will be based on:
- attendance
- class participation, which includes attentiveness and engagement in all class sessions
- the quality and thoroughness of your efforts with YouScience
- the quality of your self-evaluation of your capacity and ambition

Attendance is mandatory. Role will be taken at every class session. There are no excused absences (except for sanctioned school trips or extraordinary, compelling reason).

You are given one free absence. Every absence after that lowers your grade by 5% (half a grade level). If you have perfect attendance 5% will be added to your final grade.

If you disagree with your final grade you have the right to appeal your grade. The ASU grade grievance policy can be found at [http://www.angelo.edu/content/files/17600-grade-grievance-op](http://www.angelo.edu/content/files/17600-grade-grievance-op).

**Special Note:** Because of social distancing requirements the class will be split into two segments. Segment A will meet on Mondays and segment B will meet on Wednesdays. Students whose last name begins with the letters A through K are in segment A; students whose last name begins with the letters L through Z are in segment B.

**Classroom Behavior**
- Do not use a cell phone during class. If you need to make or receive a call or text step outside.
- Inattentiveness, falling asleep, or distracting behavior will cause you to be dismissed from the class session and an absence recorded in the attendance role.
- If you want to use a laptop or pad during class sit in the front row. The content of your laptop/pad will be monitored occasionally.
- Guests/children are allowed in class only with prior approval of the instructor.
