Masks/Facial Coverings by Students in Class At Angelo State University
As a member of the Texas Tech University System, Angelo State University has adopted the mandatory Facial Covering Policy to ensure a safe and healthy classroom experience. Current research on the COVID-19 virus suggests there is a significant reduction in the potential for transmission of the virus from person to person by wearing a mask/facial covering that covers the nose and mouth areas. Therefore, in compliance with the university policy students in this class are required to wear a mask/facial covering before, during, and after class. Faculty members may also ask you to display your daily screening badge as a prerequisite to enter the classroom. You are also asked to maintain safe distancing practices to the best of your ability. For the safety of everyone, any student not appropriately wearing a mask/facial covering will be asked to leave the classroom immediately. The student will be responsible to make up any missed class content or work. Continued non-compliance with the Texas Tech University System Policy may result in disciplinary action through the Office of Student Conduct.

Attendance policy
Attendance is vital since a good deal of learning (involving concepts, skills, and interaction with other students) takes place in class. Students are expected to arrive on time, attend class regularly, and participate in all activities.

Absences:
Excessive absences WILL be reported to administration and will affect your final grade. Due to the hybrid teaching format arrangement, students will attend class only once a week. One absence equals to one week’s class time. If the student accumulates more than two (2) un-excused absences his/her grade will be reduced by a full letter grade, and continue to be reduced for each additional unexcused absence. The accumulation of more than six (6) un-excused absences will result in failure from the class. In this regard, it is the student’s responsibility to withdraw from class if they do not want to receive a failing grade.

Note: an excused absence will be granted only for documented health and family purposes. This means you must provide "official documentation" such as an official doctor’s note, a newspaper clipping, or official university letter etc. to be excused.)

Late Arrival or Early Departure
• You will be marked absent if you are more than 15 minutes late or if you leave before class is dismissed.
• If you are tardy, it is your responsibility to inform the instructor after class so that the record can be updated.
• Three Late Arrivals = One Absence.

Final Grade
• Is based upon the average of class projects (includes research material)
• Tests (both scheduled and pop tests)
• Minus points for unexcused absences and tardiness.
