A. Online test.

Assignments B-F- These are things you have already done in Drawing 1 and 2. However, we are just making sure you have the very best skills at the ready. You can do these images at home and bring them in but they must be of still lifes that you built. Your paper size is smaller so your image will be even smaller. Your image should be 11” x 14” on each of them.

B. Gestural line- This can be continuous line or just a quick sketch. This should be dynamic yet capture the essence of the objects. You can do an animal or a still-life.

C. Mass Gesture- Turn your Charcoal on its side for more broad objects. Value should be investigated.

D. Your Contour image is done in pencil and should not have any value unless it exists within the line or if different objects have different line weights.

E. For the High key image, go with all white objects on a white background.

F. 3 point Linear perspective. This is either bug’s eye or bird’s eye and a ruler should be used. This is purely technical, but you can get creative with any application or textures or value.

Assignments G-I- Complete 3 images on the same subject matter but in the style of 3 different artists from any of the following art movements: Symbolism, Art Deco, Art Nouveau, Cubism, German Expressionism, Fauvism, Impressionism or Surrealism. You must base your work directly on an artist from that movement. The topic should be quite simple- like “cats.” The mediums should be dry.

J. Midterm online test.

L-R At this point we will sit down and hash out a plan to see what you want to do with the remainder of your time in class. We will discuss successes and failures of past drawing 3 students (no names mentioned) and hopefully each of you will come up with their own idea of what they want to accomplish. Think: I always wanted to try.... Or I really want to explore this.... There will be progress check ins every week and you will meet on the day of your final with an artist statement that summarizes your work and the work itself.

### **Covid-19**

As a member of the Texas Tech University System, Angelo State University has adopted the mandatory Facial Covering Policy to ensure a safe and healthy classroom experience. Current research on the COVID-19 virus suggests there is a significant reduction in the potential for transmission of the virus from person to person by wearing a mask/facial covering that covers the nose and mouth areas. Therefore, in compliance with the university policy students in this class are required to wear a mask/facial covering before, during, and after class. Faculty members may also ask you to display your daily screening badge as a prerequisite to enter the classroom. You are also asked to maintain safe distancing practices to the best of your ability. For the safety of everyone, any student not appropriately wearing a mask/facial covering will be asked to leave the classroom immediately. The student will be responsible to make up any missed class content or work. Continued non-compliance with the Texas Tech University System Policy may result in disciplinary action through the Office of Student Conduct.
