Attendance

Virtual class attendance is absolutely crucial to your success in this course. You are allowed **3 absences** for any reason; for every absence after 3, there is a deduction of **2 points** from your final grade, unless you have a valid reason for your absence. Valid reasons for an absence after three absences might include illness, family emergency or participation in an authorized university activity. If you have one of these valid reasons, it is your responsibility to contact me in advance if possible, and to provide documentation to excuse the absence. Responsibility for class attendance rests with the student. Regular and punctual attendance at all scheduled classes is expected, and the University reserves the right to deal at any time, with individual cases of non-attendance. In case of an illness requiring an absence from class for more than one week, the student should notify his/her academic dean and/or the Executive Director of Student Affairs or designee. Angelo State University Operating Policy 10.04, [Academic Regulations Concerning Student Performance](#) provides complete information regarding class attendance and reporting student illness and emergencies.

Required Use of Masks/Facial Coverings by Students in Class at Angelo State University

As a member of the Texas Tech University System, Angelo State University has adopted the mandatory Facial Covering Policy to ensure a safe and healthy classroom experience. Current research on the COVID-19 virus suggests there is a significant reduction in the potential for transmission of the virus from person to person by wearing a mask/facial covering that covers the nose and mouth areas. Therefore, in compliance with the university policy students in this class are required to wear a mask/facial covering before, during, and after class. Faculty members may also ask you to display your daily screening badge as a prerequisite to enter the classroom. You are also asked to maintain safe distancing practices to the best of your ability. For the safety of everyone, any student not appropriately wearing a mask/facial covering will be asked to leave the classroom immediately. The student will be responsible to make up any missed class content or work. Continued non-compliance with the Texas Tech University System Policy may result in disciplinary action through the Office of Student Conduct.

Faculty Absence

Should I be absent from class or not be able to keep office hours (e.g., in case of illness, conference attendance, meetings) I will notify you of my absence via blackboard.

Make-up work

Make-ups will only be given if you provide documentation and give a valid reason why you were absent. According to Angelo State University Bulletin (available on-line) a valid reason for an absence

include illness, family emergency or participation in an authorized university activity. You will have to contact me within 48 hours after your class absence in order to schedule the make-up work!

Homework Assignments: Homework assignments will be posted in blackboard. Homework assignments will be checked and/or graded regularly. However, not all homework assignments will be taken up and graded. It is at the instructor's discretion to take up the homework. Each student must complete the work assigned before coming to class on the day for which the homework was assigned. No late work will be accepted. Homework needs to be submitted as word document attachment, attached to an email that is sent to the instructor. Homework assignments are designed to reinforce and prepare you for the work we do in class. Some of the open-ended exercises may be corrected together in the classroom or will be the basis of quizzes; therefore, make sure you are prepared at the beginning of each class period. **Quiz grades** form 10% of your final grade. Bring your text to the virtual class every day.

Online Grammar and Vocabulary Assignments: These assignments will also count as homework assignments. Make sure that you do them. They are an excellent preparation for your exams.

Orals: There will be two orals. They will be short interviews (instructor-student) conducted via blackboard collaborate. The vocabulary and grammar will be based on what we have learned in class. The topic will be assigned 1 week prior to due date.

Compositions: You will have to write two short compositions. The compositions will be assigned in blackboard (labeled composition) and you will have to write them in a given time-frame. Days on which compositions are written are clearly marked on the syllabus. **THERE WILL BE NO MAKE-UP COMPOSITIONS** without prior coordination with the instructor.

Quizzes: There will be vocab, grammar and culture quizzes. Quizzes might be administered in class or will be available in blackboard for you to take by a particular deadline.

Exams: The course will cover chapters 5-8. Each chapter will be followed by a test. The tests will contain both oral and written cues similar to the exercises you have done in the text or in the workbook. **THERE WILL BE NO MAKE-UP EXAMS** without prior coordination with the instructor. **The final exam will be a comprehensive exam covering materials from all the chapters covered in this class.**
