COURSE DESCRIPTION:

Welcome to Spanish 1301. This is a beginning Spanish course designed to provide an introduction to the language and culture of the Spanish-speaking world. The students will practice the four language skills (listening/understanding, speaking, reading, and writing) both with the instructor and with classmates. The course materials provide abundant communicative activities along with many form-focused exercises and offer a good variety of authentic cultural materials. Practice will continue beyond the classroom with technology-based exercises. National Standards describe the Five C’s of Foreign Language Education: Communication, Cultures, Connections, Comparisons, and Communities. Successful students will learn “how, when, and why to say what to whom.”

MY ROLE / YOUR ROLE:

Because of the way languages are learned by adults, you really cannot be “taught” Spanish. Therefore, my role is to facilitate language learning by creating an environment in which the language acquisition process is enhanced, guiding you and assessing your progress. Every course requirement is designed with this in mind; there is no “busy” work assigned. All of the course work has a purpose. Your role is to fully immerse yourself in the work both in the classroom and through the outside assignments.

IDEA FORM OBJECTIVES:

Essential –

#1 - Gaining a basic understanding of the subject (e.g., factual knowledge, methods, principles, generalizations, theories)
#8 - Developing skill in expressing oneself orally or in writing

Important –

#3 - Learning to apply course material (to improve thinking, problem solving, and decisions)

IDEA EVALUATIONS WILL BE DONE ONLINE; DATES WILL BE ANNOUNCED.
LEARNING OUTCOMES FOR ALL SPANISH 1301 COURSES:

Upon completing Spanish 1301, students will be able to

- communicate minimally by using isolated words and memorized phrases with reference to a particular context in which the language has been learned.
- ask and answer some direct questions and express themselves in writing mostly in the present tense about familiar objects, their immediate environment and some basic interests.
- read and comprehend simple texts on an elementary level.
- demonstrate an understanding of some of the salient features of the history and culture (perspectives, practices, products) of the Spanish-speaking world.
- communicate in all 3 modes—interpretive, presentational, interpersonal—at the ACTFL Novice mid to high level.

METHOD OF ASSESSING LEARNING OUTCOMES:

Learning outcomes will be assessed via three (3) chapter exams, one (1) comprehensive final exam, two (2) written compositions, two (2) oral evaluations, four (4) sets of MySpanishLab chapter activities and practice tests, daily class participation and homework.

ALL WRITTEN ASSESSMENTS WILL BE DONE VIA BLACKBOARD AT THE SCHEDULED CLASS TIME, AND WILL REQUIRE RESPONDUS LOCKDOWN BROWSER. NO AIDS MAY BE USED!

The details and schedule of times for the oral evaluations will be available in Blackboard. To maintain social distancing, these will be conducted by phone, and they will be recorded. We will do as many as possible during the scheduled class time. If needed, some may be done during my office hours (9:00 to 10:00 a.m.) on the scheduled day or between 1:00 and 2:00 p.m. A schedule with the list of students (selected at random) will be posted in Blackboard.

Specific online assignments from MySpanishLab will be posted on the MySpanishLab site. Each student must complete the work included in the textbook pages indicated in this syllabus and the corresponding MySpanishLab activities before coming to class on the specified day. To do the online exercises, which are due by 11:30 p.m. Central Standard Time on the date due, from MySpanishLab, each student needs an access code as well as the course section ID. Make sure you set your device to Central Standard Time. The course section ID for this class is CRSKLEP-826063. The AVERAGE of the attempts of each online activity and of each practice test will be the recorded score. Each student may attempt each online activity 3 times (the average of the 3 attempts will be the recorded grade); practice tests may only be done once.

Daily work may include web or Blackboard activities, daily Blackboard quizzes, oral individual or group participation in class, and any homework assigned. Please make sure you are prepared at the beginning of each class period, so that you may receive a good grade for class participation. Your participation grade is also affected by your physical attendance, or by joining in on Collaborate Ultra on the days you are assigned to do so.

The final exam will include all material covered in chapter 4 and some material from chapters 1, 2 and 3.
SYLLABUS STATEMENTS

Facial Covering Policy

As a member of the Texas Tech University System, Angelo State University has adopted the mandatory Facial Covering Policy to ensure a safe and healthy classroom experience. Current research on the COVID-19 virus suggests there is a significant reduction in the potential for transmission of the virus from person to person by wearing a mask/facial covering that covers the nose and mouth areas. Therefore, in compliance with the university policy students in this class are required to wear a mask/facial covering before, during, and after class. Faculty members may also ask you to display your daily screening badge as a prerequisite to enter the classroom. You are also asked to maintain safe distancing practices to the best of your ability. For the safety of everyone, any student not appropriately wearing a mask/facial covering will be asked to leave the classroom immediately. The student will be responsible to make up any missed class content or work. Continued non-compliance with the Texas Tech University System Policy may result in disciplinary action through the Office of Student Conduct.

Student Seating Chart

For everyone’s protection during the semester, and due to the COVID-19 situation, the university requires that we maintain a seating chart. If we have a student who has symptoms and is referred to testing, we need to be able to notify those sitting immediately around that student to monitor their health and potentially quarantine should the student test positive. It will also allow us to facilitate contact tracing. The seating charts are very important to give us the ability to complete this semester. Please cooperate with us by maintaining the same seating arrangement each day.

COURSE POLICIES

ATTENDANCE:

Any student who is absent more than 4 times loses the possibility of receiving an “A” in the course. Two (2) points will be deducted from your final course grade for every absence (excused or unexcused) beyond the third one. Each missed portion of a class (late arrival, leaving early, exiting and re-entering the classroom, etc.) will result in a deduction of 1 point from your final course grade. A student who is absent for twelve (12) days or more will automatically receive an “F” for the course. Students will NOT be penalized for participating in university-sponsored events. It is the student’s responsibility to inform the instructor ahead of time of his/her participation in such event.

NOT being in class affects not only your participation grade, but also your final course grade, as you cannot receive participation credit if you are not present!!!!!

Plan to be on time; for everyone’s protection the doors will be locked and you will not be allowed to disrupt the class after class has started. Exceptions will be made for emergencies.

COMMUNICATION DEVICES:

All pagers, cell phones, smart watches or other electronic communication devices must be off and out of sight before entering the classroom; otherwise, they will be confiscated. Use of any of these devices in the classroom will result in dismissal from class. If the device sounds/rings or is in sight, the student will: 1) be asked to leave, 2) be counted absent, and 3) receive an “F” for any work due or done in class that day. YOUR DEVICE MAY NOT BE CHARGED IN THE CLASSROOM DURING CLASS.

HONOR CODE:

ANY STUDENT WHO PRACTICES ACADEMIC DISHONESTY IN THIS CLASS WILL BE DISMISSED FROM CLASS, AND HE/SHE WILL RECEIVE AN “F” FOR THE COURSE.
MAKE –UP AND LATE WORK:

There will be no make-up tests, exams, quizzes or work! All written work will be done and submitted via Blackboard. Late work will not be accepted.

Students who must miss an exam are not eligible automatically to take a make-up exam, and will be granted that privilege only if a valid explanation is documented. If you have a valid reason for missing an exam when it is scheduled, you may make it up. If possible, you should notify me BEFORE the exam. If not, you must notify me within 24 hours of the scheduled exam. Make up exams must be arranged by appointment with your instructor, and must be taken within 2 days of absence. Written documentation, in electronic form, is required before any makeup exam is administered.

There are some valid reasons for a student’s absence from class. According to the Angelo State University 2020-21 Undergraduate, http://www.angelo.edu/catalogs/, the valid reasons include illness, family emergency or participation in an authorized university activity (pages 166-167, IV). If you have one of these valid reasons, it is your responsibility to inform me in advance, in writing, via e-mail (for a university activity), or within 24 hours of the absence, via e-mail or voice mail (for illness or family emergency), so that I may determine if you will be excused or allowed to make-up any missed work. Before you return to class, you must submit the written documentation in electronic form via an email to justify all excused or make-up assignments. For all pre-scheduled university events, the student must complete the make-up assignments before leaving campus to participate in each event.

¡BIENVENIDOS! VAMOS A APRENDER ESPAÑOL.
