COURSE DESCRIPTION

This is a fourth semester Spanish course designed to continue exploration of the language and culture of the Spanish-speaking countries. The students will practice the four language skills (listening/understanding, speaking, reading, and writing) both with the instructor and with classmates. The course materials provide abundant communicative activities along with many form-focused exercises and offer a good variety of authentic cultural materials. Practice will continue beyond the classroom with technology-based materials. National Standards describe the Five C’s of Foreign Language Education: Communication, Cultures, Connections, Comparisons, and Communities. Successful students will learn “how, when, and why to say what to whom.”

COURSE OBJECTIVES

Upon completing Spanish 2312, students will be able to converse in Spanish when dealing with routine tasks and social situations with an extended vocabulary; handle situations with a complication or an unexpected turn of events; narrate and describe people, situations, and events by using the major time frames (present, past, and future); support personal opinions and express abstract ideas; read, comprehend, and begin to summarize more complex texts and discuss the ideas they contain; identify, present, and begin to analyze important features of the target language history and culture (perspectives, practices, products) of the Spanish-speaking world; and communicate in all 3 modes—interpretive, presentational, interpersonal—at the ACTFL Intermediate mid to high level.

INSTRUCTOR & STUDENT ROLES

Because of the way languages are learned by adults, you really cannot be “taught” Spanish. Therefore, my role is to facilitate language learning by creating an environment in which the language acquisition process is enhanced, guiding you and assessing your progress. Every course requirement is designed with this in mind; there is no “busy” work assigned. All of the course work has a purpose. Your role is to fully immerse yourself in the work both in the classroom and through the outside assignments.
## IDEA FORM OBJECTIVES

**Essential (E)**
1. Gaining a basic understanding of the subject (e.g., factual knowledge, methods, principles, generalizations, theories) [Spanish vocabulary, grammatical structure and analysis]
2. Developing skill in expressing oneself orally or in writing
   [Basic spoken and written communication in the Spanish language]

**Important (I)**
3. Learning to apply course material (to improve thinking, problem solving, and decisions)

**Blackboard Collaborate Classes**
Blackboard Collaborate sessions will be held during the time class would normally meet. You will be responsible for attending these sessions, just as you would be for attending an in-person class. **Missing more than two (2) sessions will negatively impact your grade.** (See “Virtual Attendance” on p. 4.)

**MyLab Spanish**
Homework will be assigned through MyLab Spanish and will be posted on the site, along with due dates. *(A code is required for access to this material. See “Course Materials” on p. 1 of this syllabus.)*
MyLab Spanish assignments should be completed after the Collaborate session and are designed to give you additional practice with the material. In general, MyLab Spanish assignments will be due on Wednesdays and Fridays.

**Compositions**
You will be given a topic and a list of questions to guide you and will be writing a paragraph in Spanish. This will be turned in through Blackboard.

**Oral Evaluations**
These are short oral exams. You will be asked a series of questions, which you will answer in Spanish.

**Exams**
You will be taking the exams online during scheduled class time. (If you ever anticipate needing to take the exam on a different day/at a different time, please let me know at least a week in advance.) To take the exams, you will be using LockDown Browser and Respondus Monitor. (More information below.)

**LockDown Browser + Webcam Requirement**
This course requires the use of LockDown Browser and a webcam for online exams. The webcam can be the type that is built into your computer or one that plugs in with a USB cable.
Watch this brief video to get a basic understanding of LockDown Browser and the webcam feature.

Download Instructions
Download and install LockDown Browser from this link:

https://download.respondus.com/lockdown/download.php?id=384131921

Once Installed

- Start LockDown Browser
- Log into Blackboard Learn
- Navigate to the test

Note: You will not be able to access tests with a standard web browser. If this is tried, an error message will indicate that the test requires the use of LockDown Browser. Simply start LockDown Browser and navigate back to the exam to continue.

Guidelines
When taking an online test, follow these guidelines:

- Ensure you're in a location where you won't be interrupted.
- Turn off all other devices (e.g. tablets, phones, second computers) and place them outside of your reach.
- Before starting the test, know how much time is available for it, and also that you've allotted sufficient time to complete it.
- Clear your desk or workspace of all external materials not permitted - books, papers, other devices.
- Remain at your computer for the duration of the test.
- If the computer, Wi-Fi, or location is different than what was used previously with the "Webcam Check" and "System & Network Check" in LockDown Browser, run the checks again prior to the exam.
- To produce a good webcam video, do the following:
  - Avoid wearing baseball caps or hats with brims.
  - Ensure your computer or device is on a firm surface (a desk or table). Do NOT have the computer on your lap, a bed, or other surface where the device (or you) are likely to move.
  - If using a built-in webcam, avoid readjusting the tilt of the screen after the webcam setup is complete.
  - Take the exam in a well-lit room, but avoid backlighting (such as sitting with your back to a window).
- Remember that LockDown Browser will prevent you from accessing other websites or applications; you will be unable to exit the test until all questions are completed and submitted.
Getting Help
Several resources are available if you encounter problems with LockDown Browser:

- The Windows and Mac versions of LockDown Browser have a "Help Center" button located on the toolbar. Use the "System & Network Check" to troubleshoot issues. If an exam requires you to use a webcam, also run the "Webcam Check" from this area.

- Respondus has a Knowledge Base available from support.respondus.com. Select the "Knowledge Base" link and then select "Respondus LockDown Browser" as the product. If your problem is with a webcam, select "Respondus Monitor" as your product.

- If you are still unable to resolve a technical issue with LockDown Browser, go to support.respondus.com and select "Submit a Ticket". Provide detailed information about your problem and what steps you took to resolve it.

**POLICIES**

**Virtual Attendance**
Attending Collaborate classes is crucial to your success in this course. **You are allowed two (2) absences for any reason. For every unexcused absence after 2, there is a deduction of 3 points from your final grade.** Missing a portion of a class (joining late, leaving early, etc.) will be counted as half (1/2) an absence. If you are unable to attend for a documented valid reason, the absence will be excused. According to the *Angelo State University Bulletin*, valid reasons for an absence include illness, family emergency or participation in an authorized university activity. If you have one of these valid reasons, you will need to contact me (in advance if possible) and provide documentation to excuse the absence.

The lecture portion of Collaborate classes (usually 10-20 minutes) will be recorded and will be posted on Blackboard shortly after class. If you are unavoidably prevented from attending a session, you can watch the recording to help you stay caught up. You can make up a missed class for credit by watching the recording and then attending virtual office hours and doing activities similar to the ones students did in class that day. (Expect these to take up to 30 minutes.) **Make-up activities must be completed within a week of the absence. Exceptions to this rule will only be granted for documented valid reasons.**

**Make-ups**
Make-ups for exams will only be given if you have a documented excused absence that day. According to the *Angelo State University Bulletin*, valid reasons for an absence include illness, family emergency or participation in an authorized university activity. If you miss an exam for a non-emergency reason (your alarm didn’t go off, your internet was not working, etc.) contact me immediately; a make-up may be possible if you can take the exam within a few hours of the scheduled time.

**Academic Honesty**
Angelo State University expects its students to maintain complete honesty and integrity in their academic pursuits. Students are responsible for understanding the *Academic Honor Code*, which is contained in both print and web versions of the *Student Handbook*. **Any student who practices academic dishonesty in this class will receive an F for the exam/assignment and possibly also the course.**

**Cell Phone Policy**
Please turn off any cell or smart phones (unless they are being used to access the Collaborate session or your e-text) during Collaborate classes. **You are not allowed to use these devices or have them within reach while taking online exams using LockDown Browser/Respondus Monitor.** Appearing to be using one while taking an exam will negatively impact your grade.
**Netiquette (Online Etiquette)**
For Collaborate classes, try to find a place to work that is reasonably quiet and free from distractions.

Please keep your microphone muted and only turn it on when you are speaking. (Video conferencing tools all magnify background noise and even small amounts can become distracting.) If your microphone is ever out of order or if you want to message the professor about something, you can use Collaborate’s chat function. Otherwise, though, you should participate orally, so that you get practice speaking Spanish. If your mic or your internet is not working, you can also join the session via telephone, which will give you audio but not video capabilities.

You may keep your camera turned off, if you prefer, but stay at your computer and be ready to participate. (I call on people frequently and you will lose participation points if you are not answering questions.) If you like to keep your camera off, it’s nice to upload a profile photo to Collaborate, so your classmates and I have a face to go with the voice.

If you prefer to have your camera on for part of the time (for example, some students like to turn it on while working in breakout groups), make sure to dress appropriately (i.e. no pajamas or underwear). Dress and behave as you would when attending an in-person class. In the unlikely event of any serious breach of conduct, the student will be removed from the session and counted as absent.

**SY LLABUS STATEMENTS**

**Required Use of Masks/Facial Coverings by Students in Class**
As a member of the Texas Tech University System, Angelo State University has adopted the mandatory Facial Covering Policy to ensure a safe and healthy classroom experience. Current research on the COVID-19 virus suggests there is a significant reduction in the potential for transmission of the virus from person to person by wearing a mask/facial covering that covers the nose and mouth areas. Therefore, in compliance with the university policy students in class are required to wear a mask/facial covering before, during, and after class. Faculty members may also ask you to display your daily screening badge as a prerequisite to enter the classroom. You are also asked to maintain safe distancing practices to the best of your ability. For the safety of everyone, any student not appropriately wearing a mask/facial covering will be asked to leave the classroom immediately. The student will be responsible to make up any missed class content or work. Continued non-compliance with the Texas Tech University System Policy may result in disciplinary action through the Office of Student Conduct

**Student Disability Services**

Student Disability Services is located in the Office of Student Affairs, and is the designated campus department charged with the responsibility of reviewing and authorizing requests for reasonable accommodations based on a disability. It is the student’s responsibility to initiate such a request by contacting an employee of the Office of Student Affairs, in the Houston Harte University Center, Room 112, or contacting the department via email at ADA@angelo.edu. For more information about the application process and requirements, visit the Student Disability Services website at www.angelo.edu/ADA. Incomplete Grade Policy

It is policy that incomplete grades be reserved for student illness or personal misfortune. Please contact faculty if you have serious illness or a personal misfortune that would keep you from completing course work. Documentation may be required. Student Conduct Policies

**Academic Integrity** Students are expected to maintain complete honesty and integrity in all work. Any student found guilty of any form of dishonesty in academic work is subject to disciplinary action and possible expulsion from ASU. The College of Arts and Humanities adheres to the Statement of Academic Integrity.

**Plagiarism** is a serious topic covered in ASU’s Academic Integrity policy in the Student Handbook. Plagiarism is the action or practice of taking someone else’s work, idea, etc., and passing it off as one’s own. Plagiarism is literary theft.

In your discussions and/or your papers, it is unacceptable to copy word-for-word without quotation marks and the source of the quotation. It is expected that you will summarize or paraphrase ideas giving appropriate credit to the source both in the body of your paper and the reference list.

Papers are subject to be evaluated for originality via Turnitin. Resources to help you understand this policy better are available at the ASU Writing Center.

**Copyright Policy** Students officially enrolled in this course should make only one printed copy of the given articles and/or chapters.
