Course Syllabus Statement on Required Use of Masks/Facial Coverings by Students in Class at Angelo State University

As a member of the Texas Tech University System, Angelo State University has adopted the mandatory Facial Covering Policy to ensure a safe and healthy classroom experience. Current research on the COVID-19 virus suggests there is a significant reduction in the potential for transmission of the virus from person to person by wearing a mask/facial covering that covers the nose and mouth areas. Therefore, in compliance with the university policy students in this class are required to wear a mask/facial covering before, during, and after class. Faculty members may also ask you to display your daily screening badge as a prerequisite to enter the classroom. You are also asked to maintain safe distancing practices to the best of your ability. For the safety of everyone, any student not appropriately wearing a mask/facial covering will be asked to leave the classroom immediately. The student will be responsible to make up any missed class content or work. Continued non-compliance with the Texas Tech University System Policy may result in disciplinary action through the Office of Student Conduct.

Due to COVID-19, there will no food or drink allowed in any classrooms, seminar rooms, or public gathering areas in the Health and Human Services building until further notice. The only exception to this policy is a student may have bottled water or water in a container that able to be sealed and not spill or leak.

Technology Requirements

Testing via Respondus™ Monitor
Access to Exams will be through Respondus™ Lockdown Browser and will be video recorded via Respondus™ Monitor [See below for the list of needed equipment). Use of any other electronic device is prohibited.

There is one practice quiz: a short 10-question practice quiz over ASU trivia that is not graded. This tool will be available to the student to assure accessibility. Students are highly encouraged to go through the practice quiz in advance of taking a graded quiz. This process will allow you to become familiar with the technology associated with testing and improve the testing environment. These quizzes, instructional videos, and more information regarding Respondus Monitor can be found under the Respondus Monitor Help tab in your Blackboard course.

To participate in one of ASU’s distance education programs, you need this technology:

- A computer running either Microsoft Windows (7 or later), or Mac OSX (10.8 or later)
- The latest version of one of these web browsers: Internet Explorer, Firefox, or Safari
- Microsoft Office Suite or (a compatible Open Office Suite)
- Adobe Acrobat Reader (or a similar PDF reader)
- High-speed Internet access and an Ethernet adapter cable (wireless connections can drop during tests and Collaborate sessions)
- Webcam and microphone

Refer to Angelo State University’s Distance Education website for further technology requirements.

Topic Outline

Students will learn the various forms of advocacy and policy practice in social work including social, economic, and environmental justice. The course topics will cover policy change at the micro and macro level and cover the policy sectors of healthcare, aging, criminal justice, safety net, education, mental health and substance abuse, immigration, and child and family sectors of policy advocacy.

Grading System
Course grades will be dependent upon completing course requirements and meeting the student learning outcomes.

The following grading scale is in use for this course:
- A = 90.00-100 points
- B = 80.00-89.99 points
- C = 70.00-79.99 points
- D = 60.00-69.99 points
- F = 0-59.99 points

Teaching Strategies
Students are expected to be “active learners.” It is a basic assumption of the instructor that students will be involved (beyond the materials and lectures presented in the course) discovering, processing, and applying the course information using peer-review journal articles, researching additional information and examples on the Internet, and discussing course material and clinical experiences with their peers.

Assignment and Activity Descriptions

Policy and Practice Assignments: Students will write 3 short papers related to Micro Policy Advocacy, Mezzo Policy Advocacy, and Macro Policy Advocacy. The papers are to be between 2-3 pages in length and written according to APA requirements. Students will be asked to support their work using information from policy sources, as well as to locate and use at least 3
scholarly resources (e.g., peer reviewed journal articles, governmental studies, think tank research, books, demographic research, creditable internet sources, census and statistical information, and so forth).

**Journal Entries:** There will be 5 mandatory graded journal entries regarding a specific topic. This semester it will be the Netflix series Season 1; Living Undocumented. These will account for 20% of your grade.

**Professional Performance:**
This is relevant to attendance; engaging in class activities, including frequency and quality; professional presentation; and any factors that would normally be evaluated in a professional social work setting. Essentially, ask yourself if what you are doing would be perceived as professional in an employment setting among social workers.

**Exams:** There will be FIVE examinations in this course. Each examination will cover a portion of assigned readings, classroom lectures, group work, other assignments, the NASW Code of Ethics, the Texas Board of Social Work Examiners (TBSWE) Code of Conduct, and the TBSWE Scope of Practice. The final exam is comprehensive. Exams will open on Wednesdays at 8am and close on Sundays at 11:59.

**Assignment Submission**
All assignments MUST be submitted through the Assignments link in the Blackboard site. This is for grading, documenting, and archiving purposes. Issues with technology use arise from time to time.

If a technology issue does occur regarding an assignment submission, email me at andrew.rivera@angelo.edu and attach a copy of what you are trying to submit. You must also contact the IT Service Center at (325) 942-2911 or go to your Technology Support tab in Blackboard to report the issue. This lets faculty know you completed the assignment on time and are having problems with the online submission feature in Blackboard.

Once the problem is resolved, submit your assignment through the appropriate link. This process will document the problem and establish a timeline. Be sure to keep a backup of all work.

**Late Work or Missed Assignments Policy**
Assignment due dates are shown on the calendar/schedule or posted within Blackboard. Failure to submit your assignments on the assigned date will result in a 10-point deduction for the first day and a 5-point deduction for each day after the posted deadline.

**General Policies Related to This Course**
All students are required to follow the policies and procedures presented in these documents:

- Angelo State University Student Handbook
- Angelo State University Catalog
Student Responsibility and Attendance
An expectation of a professional social worker is that they are present in their practice setting. The expectation for students in a social work program is that they are motivated to learn and have a sense of dedication to their studies. Thus, my expectation of you is that you will be present in class. Class begins and ends at the scheduled time. Students are to be present for the duration of class.

For a three times a week class:
There is no grade penalty for the first 3 absences (this is not an invite to miss class).
- Any additional absence will result in a loss of 10 points off of your total grade.
- The 7th absence results in a failing grade for the course. Please refer to ASU policy regarding class attendance.
- Being more than 5 minutes late for class will count as an absence.
- Electronic devices, including cell phones, Blackberries, laptops, and so forth, are not to be turned on or used in class. If the use of these devices is detected by the course instructor, the particular student using the device will be asked to leave the class for that day.

Academic Integrity
Students are expected to maintain complete honesty and integrity in all work. Any student found guilty of any form of dishonesty in academic work is subject of disciplinary action and possible expulsion from ASU.

The College of Health and Human Services adheres to the university’s Statement of Academic Integrity.

Accommodations for Students with Disabilities
ASU is committed to the principle that no qualified individual with a disability shall, on the basis of disability, be excluded from participation in or be denied the benefits of the services, programs or activities of the university, or be subjected to discrimination by the university, as provided by the Americans with Disabilities Act of 1990 (ADA), the Americans with Disabilities Act Amendments of 2008 (ADAAA) and subsequent legislation.

Student Disability Services is located in the Office of Student Affairs and is the designated campus department charged with the responsibility of reviewing and authorizing requests for reasonable accommodations based on a disability. It is the student’s responsibility to initiate such a request by contacting an employee of the Office of Student Affairs, in the Houston Harte University Center, Room 112, or contacting the department via email at ADA@angelo.edu. For more information about the application process and requirements, visit the Student Disability
The employee charged with the responsibility of reviewing and authorizing accommodation requests is:

**Incomplete Grade Policy**

It is policy that incomplete grades be reserved for student illness or personal misfortune. Please contact faculty if you have serious illness or a personal misfortune that would keep you from completing course work. Documentation may be required. See ASU Operating Policy 10.11 Grading Procedures for more information.

**Plagiarism**

Plagiarism is a serious topic covered in ASU’s Academic Integrity policy in the Student Handbook. Plagiarism is the action or practice of taking someone else’s work, idea, etc., and passing it off as one’s own. Plagiarism is literary theft. In your discussions and/or your papers, it is unacceptable to copy word-for-word without quotation marks and the source of the quotation. It is expected that you will summarize or paraphrase ideas giving appropriate credit to the source both in the body of your paper and the reference list. Papers are subject to be evaluated for originality via TurnItIn and SafeAssign software programs. Resources to help you understand this policy better are available at the ASU Writing Center.

**Student Absence for Observance of Religious Holy Days**

A student who intends to observe a religious holy day should make that intention known in writing to the instructor prior to the absence. See ASU Operating Policy 10.19 Student Absence for Observance of Religious Holy Day for more information.

**Copyright Policy**

Students officially enrolled in this course should make only one printed copy of the given articles and/or chapters. You are expressly prohibited from distributing or reproducing any portion of course readings in printed or electronic form without written permission from the copyright holders or publishers.

**Syllabus Changes**

The faculty member reserves the option to make changes as necessary to this syllabus and the course content. If changes become necessary during this course, the faculty will notify students of such changes by email, course announcements and/or via a discussion board announcement. It is the student’s responsibility to look for such communications about the course on a daily basis.

**Grading Rubrics Student Evaluation of Faculty and Course**

Students in all programs are given the opportunity to evaluate their courses and the faculty who teach them. Evaluations are most helpful when they are honest, fair, constructive, and pertinent to the class, clinical experience, or course. Faculty value student evaluations, and use student suggestions in making modifications in courses, labs and clinical experiences. Angelo State University uses the IDEA (Individual Development and Educational Assessment) system administered through Kansas State University for all course evaluations. The Office of Institutional Research and Assessment administers IDEA for the entire university, online and has established a policy whereby students can complete course evaluations free from coercion.
