- Class participation includes group or individual discussions, communicating with professor and other members of the class. Lack of communication with professor, i.e., not responding to emails, or missing more than three group or individual meetings will amount to a zero in this category
- The portfolio should include an introduction justifying the selection of the content material and a critical analysis of the progress made in the degree program

* A research paper will be required when the samples provided are not deemed sufficient to ascertain an adequate grasp of research methodology. This research paper should be 2000-2500 words double spaced, and it should range between 8 to 10 sources. Check these websites for help on how to write a philosophy paper:

**THE ANGELO STATE UNIVERSITY HONOR CODE**

Angelo State University expects its students to maintain complete honesty and integrity in their academic pursuits. Students are responsible for understanding the Academic Honor Code, which is contained in both print and web versions of the *Student Handbook*. 
In other words, when you submit your work, you claim that the work is yours. If someone else wrote it for you or you got it from someone else (internet, other student’s class...), then you are not the author and thus will get a zero for that assignment. Any idea that is not yours should be properly referenced.

**REQUIRED USE OF MASKS/FACIAL COVERINGS BY STUDENTS IN CLASS AT ANGELO STATE UNIVERSITY**

As a member of the Texas Tech University System, Angelo State University has adopted the mandatory [Facial Covering Policy](#) to ensure a safe and healthy classroom experience. Current research on the COVID-19 virus suggests there is a significant reduction in the potential for transmission of the virus from person to person by wearing a mask/facial covering that covers the nose and mouth areas. Therefore, in compliance with the university policy students in this class are required to wear a mask/facial covering before, during, and after class. Faculty members may also ask you to display your daily screening badge as a prerequisite to enter the classroom. You are also asked to maintain safe distancing practices to the best of your ability. For the safety of everyone, any student not appropriately wearing a mask/facial covering will be asked to leave the classroom immediately. The student will be responsible to make up any missed class content or work. Continued non-compliance with the Texas Tech University System Policy may result in disciplinary action through the Office of Student Conduct.
