- Develop creative capacities (inventing; designing; writing; performing art, music, drama, etc.)

IDEA Learning Objectives
- Comprehend the many facets involved in organizing and presenting a solo recital
- Demonstrate professionalism and organization in coordinating and collaborating with various offices and entities
- Perform a musically and stylistically informed solo recital with good quality musicianship

Prerequisite/co-requisite
Departmental permission/skills test proficiency. Concurrent registration in MUAP 3202.

Grading
The student will be evaluated on their performance in the following areas:
- Recital Hearing (50%)
- Recital Performance (50%)
A Recital Hearing must occur no less than four weeks prior to the scheduled Junior Recital. The minimum passing grade for the Junior Recital is a C.

The Junior Recital must be presented prior to the last week of classes. The Junior Recital may not be presented during holiday breaks (Thanksgiving Holiday, Spring Break, etc.).

The Process
The major applied music instructor is the primary resource for the Junior Recital:

- Repertoire selection will be confirmed with the major applied music professor by the end of the first week of classes. Memorization requirements are determined by the individual applied area: consult the applied professor for those requirements.
- With guidance from the major applied professor, select a Recital Committee of three (3) music faculty (one of those will be the major applied professor).
- Consult and confirm with the Department of VPA Office Coordinator, and the Recital Committee, dates for the Recital Hearing, any rehearsals, and the Recital performance. This step needs to be completed by the end of the first week of classes.
- Approximately one month before the proposed Recital, the student will perform the recital repertoire before an applied faculty committee. The student is responsible for coordinating the availability of the applied faculty committee for both the Hearing and the Recital. The decision of the committee from the Hearing will determine whether the Recital will take place as scheduled.
- Consult with the major applied music professor about the development and distribution of recital publicity at least four weeks before the date of the recital. If the recital is shared, publicity should be coordinated. Publicity material must be approved by the major applied professor.
- The program and program notes must be submitted to the major applied music professor three weeks prior to the recital for proofing.
- Upon approval of the major applied music professor, forward the recital program and program notes to the Department of VPA Office Coordinator two weeks prior to the recital.
- Consult with the Department of VPA Office Coordinator about arrangements for house management (stagehands, recording, etc.) one week prior to the recital. Use of floral displays, props, scenery, or other fixtures in the Eldon U. Black Recital Hall is discouraged.

**University COVID Policies/Statements**

**Required use of masks/facial coverings by students in class at Angelo State University**

As a member of the Texas Tech University System, Angelo State University has adopted the mandatory **Facial Covering Policy** to ensure a safe and healthy classroom experience. Current research on the COVID-19 virus suggests there is a significant reduction in the potential for transmission of the virus from person to person by wearing a mask/facial covering that covers the nose and mouth areas. Therefore, in compliance with the university policy students in this class are required to wear a mask/facial covering before, during, and after class. Faculty members may also ask you to display your daily screening badge as a prerequisite to enter the classroom. You are also asked to maintain safe distancing practices to the best of your ability. For the safety of everyone, any student not appropriately wearing a mask/facial covering will be asked to leave the classroom immediately. The student will be responsible to make up any missed class content or work. Continued non-compliance with the Texas Tech University System Policy may result in disciplinary action through the Office of Student Conduct.

If you feel sick or have been traced to/exposed to a COVID case, please stay at home/in your dorm to quarantine and email me to let me know. All lectures will be uploaded to Blackboard this semester so you do not need to worry about a student asks for the ability to go “online” in courses where online sections are not available, we should let them do that. All tests and assignments will also be accessible and turned in on Blackboard to minimize exchanging papers and maintain social distancing.

If you feel uncomfortable with in-person instruction at any point for any reason, please email me and let me know.

These preventative mask, distancing, and sanitizing measures make a big difference in minimizing the virus’ spread, but they only work when everyone buys in and does their part. Please be vigilant and practice them outside of the classroom, as well, so we can keep our community and campus healthy and save lives.
