Instructor: Dr. J. Will Dickison
325-942-2027

Location: VIN 250

Time: MW 5:00-5:50 PM

Text: There is a manual that is suggested for purchase.

The learning outcomes of the course are to: increase the students knowledge of the wool and mohair industry; provide the students with the basic knowledge required to select and grade wool; prepare students, desiring to compete on the collegiate wool judging team, for competition; increase the students decision making skills; increase verbal communication skills.

Grading: Students will receive grades based on their performance on exams and their participation in class. The class is laboratory based that will require involvement in order to perform well.

89.5 and up = A
79.5 - 89.4 = B
69.5 – 79.4 = C
59.5 – 69.4 = D
Below 59.5 = F

Those students desiring to compete for a position on the wool judging team will be required to meet an additional class period later in the semester. The additional day will be determined later.

Academic Honesty:
Angelo State University expects its students to maintain complete honesty and integrity in their academic pursuits. Students are responsible for understanding the Academic Honor Code, which is contained in both print and web versions of the Student Handbook. Refer to page 33 of the Angelo State University Student Handbook for the definition and consequences of academic dishonesty.

Americans with Disabilities Act:
“Persons with disabilities which may warrant academic accommodations must contact the Student Life Office, Room 112 University Center, in order to request such accommodations prior to any accommodations being implemented. You are encouraged to make this request early in the semester so that appropriate arrangements can be made.”
