Text: *Practical Financial Management* by Lasher (8th edition)
Calculator: HP 10B-II

Course description: The course covers financial management and valuation of the firm; working capital policy; capital budgeting; cost of capital; and long-term financing.

Prerequisites: Accounting 2301

Learning Objectives: After completing this course, students will be able to:
Apply course material to improve critical thinking skills
Acquire specialized knowledge, such as time value of money, relating to corporate financial management
Develop financial skills, such as analytical thinking, critical analysis, creativity and problem solving
Identify ethical and unethical practices with regard to financial management
Acquire an understanding of the current globalization trend and its impact on corporate financial management

These learning goals will be assessed through inbedded exam questions.

Grading: There will be 3 hourly exams and a final exam. Each exam will count 20% of the final grade. The remaining 20% of the final grade will be the average of chapter assignments. These assignments may be completed using the textbook or notes.

Exam Material is as follows:	Exam III	Chapters 10-12
Exam I	Chapters 1-3	Final Exam
Exam II	Chapters 4 & 6	Chapters 13-15

Students with Disabilities: Reasonable accommodation for students with disabilities will be made. Students desiring academic accommodations must contact the Student Life Office and are encouraged to do so early in the semester.

Course Drop: Information concerning how to drop this course and important drop dates is available through the registrar's office.

Grade Appeals and Incompletes: As stated in the ASU Operating Policy and Procedure, a student may appeal the final grade in a course. Details are available in Operating Policy 10.03. If a student is unable to complete a course due to illness or misfortune, an incomplete grade may be available. Details are available in Operating Policy 10.11.

College of Business Code of Ethics
