Attendance: Absences are counter-productive to learning, for every 3 unexcused absences I will lower you grade by one letter. As in any other academic class I strongly recommend outside studio time: at least 30 min for every hour in class. Arriving late and leaving early will affect you grade. Your arrival of 20 minutes late for class that is considered an absence. This is your only Warning. Silence all cell phone during my class, if your phone rings I get to answer it (I'm not kidding). In case of an emergency your party can contact the Department of Visual and Performing Arts at 325-942-2085, ext. 221 and they will get you the message or get you out of class.

A suggestion: You should consider making one or two extra pieces in case of breakage in the firings, this is just a suggestion. I only grade finished glazed fired ware.
