Course Description (4201):
Private study of advanced principles and techniques of performance. Prerequisites: Successful completion of MUAP 3202.

Purpose:
The purpose of applied lessons is to provide an environment where the student will develop into a competent and confident musician on their instrument. Additional purposes of applied lessons at this level may include: 1) assisting the student in preparation for their junior recital and, 2) assisting the student in acquiring the skills and confidence necessary for lifelong learning of new repertoire on their instrument.

Major Course Objectives:
• Developing specific skills, competencies, and points of view needed by professionals in the field most closely related to this course.
• Learning to apply course material.
• Developing creative capacities.

Student Learning Outcomes:
The student will:
• demonstrate reasonable command of all aspects of instrumental technique.
• generate a plausible, style-appropriate performance of repertoire.
• continue to refine reed-making skills (double reed majors only).
• conduct him/herself in an organized, disciplined, and professional manner.

Value statement:
As a music major, your instrument takes top priority in your music studies. Regardless of which music degree you may be pursuing, you are first and foremost a musician. Your lesson is a synthesis of all music study whether that be theoretical, historical, or technical. These skills, perceptions and experiences acquired from applied study align with professional expectations within the discipline. Successful professional educators are also successful performers.
Grading:
Music department policy is that the final applied music grade is a combination of:
- studio lesson grade (2/3)
- jury grade (1/3)

1. Studio Lesson Grade (2/3)
   - weekly scales and arpeggios; etudes; repertoire (65%)
     - double reed majors are expected to make two (2) new reeds each week; grading for this expectation comprises 10% of the weekly studio lesson grade.
   - public performances (15%)
   - mid-term scale exam (10%)
   - demonstrate professionalism: this involves, though not limited to, such things as your interaction and communication with your applied instructor, attending and fully participating in studio classes, Student Recitals and other required events, and your support of your colleagues. (10%)

Rubrics for grading are:

“A” Grade
- Scales and arpeggios prepared to assigned tempo (see Scale/Arpeggio Requirements).
- Minimum of 10 etudes prepared to assigned tempo.
- Passing grade on mid-term scale exam.
- Two full-length works prepared to performance level.
- Successful public performance of one of the above prepared pieces.
- Demonstrate professionalism by being in attendance for all studio classes, Student Recitals (Wednesdays, 4:00 p.m.), and other required events.

“B” Grade
- Scales and arpeggios prepared to assigned tempo (see Scale/Arpeggio Requirements).
- Minimum of 8 etudes prepared to assigned tempo.
- Passing grade on mid-term scale exam.
- Two full-length works prepared to performance level.
- Successful public performance of one of the above prepared pieces.
- Demonstrate professionalism by being in attendance for all studio classes, Student Recitals (Wednesdays, 4:00 p.m.), and other required events.

“C” Grade
- Scales and arpeggios prepared to assigned tempo (see Scale/Arpeggio Requirements).
- Minimum of 6 etudes prepared to assigned tempo.
- Passing grade on mid-term scale exam.
- One full-length work prepared to performance level.
- Successful public performance of one of the above prepared pieces.
- Demonstrate professionalism by being in attendance for all studio classes, Student Recitals (Wednesdays, 4:00 p.m.), and other required events.

STUDENTS PERFORMING AT A LEVEL BELOW THE STANDARDS OUTLINED ABOVE WILL EARN AN “F” FOR THIS PORTION OF THE GRADE.
2. Jury Grade (1/3)

A jury is the Final Exam for Applied Lessons that is performed in front of a panel of three members of the Music Faculty. For this examination you will need to prepare an Instrumental Applied Music Report form; this form can be found on the appropriate professors’ webpage on www.angelo.edu. Bring this prepared form to your final lesson of the semester for approval/corrections. Woodwind juries will take place during Finals Week. In your jury, you will be required to perform the following:
- Scales and Arpeggios (as detailed in Scale and Arpeggio Requirements)
- A movement of one of your prepared solo pieces with accompaniment (if appropriate)

What you must bring with you to your jury:
- three (3) copies of your Instrumental Applied Music Report form
- three (3) copies of the piece you will perform at the Jury, instrumental part only

Failure to appear at your Jury without prior notification OR failure to bring the requisite materials with you to your Jury will result in you not performing the Jury and earning a grade of ‘F’ for this portion of your final grade, regardless the type of Jury to be performed.

Attendance:

Lessons are once a week at a regularly scheduled time. Unexcused absences are NOT permitted. If you miss a lesson and do not contact your teacher prior, you will not be allowed to make up that lesson and your grade will reflect an “F” for the missed lesson.

Studio class will meet weekly. Attendance is required for all woodwind majors. Unexcused absences and tardiness will be treated the same way as in private lessons. Punctuality is very important in the music world. You are expected to be on time and warmed up for your lesson and studio class.

Student Recitals are a regularly occurring performance avenue for music majors held Wednesdays at 4:00 p.m. All students registered for MUAP 1202 & 2201 will perform in one Student Recital during the semester. Students enrolled in MUAP 1201 are exempt.

Other Required Events include events such as your applied instructors’ performances, guest artist masterclasses and recitals within your applied area, Junior and Senior Recitals by your applied studio colleagues, and other events assigned by your applied instructor (see your applied instructor for more information).

Accompanists:

Public performance (student recital, jury, etc.) of any accompanied piece MUST INCLUDE the accompaniment. If you choose NOT to use the staff accompanist, it is your financial responsibility to engage an accompanist of your choice and inform your applied instructor of your choice. You must rehearse with your accompanist at least once before playing the piece in a lesson for your applied instructor.

Maintain a professional relationship with any accompanist and fulfill your financial obligation to them in a timely manner. This applies when you are using a non-staff accompanist. Failure to follow these guidelines falls into the category of ‘professionalism’ under Studio Grade and may adversely affect your final semester Studio Grade; plan accordingly.
Practice:
Daily practice time must be scheduled as though it is another class. Write it in your calendar and treat it as an important daily routine. Practice must not be an afterthought or something that is done IF you get done with your homework and work schedule. Practicing must take precedence over any homework or work schedule you may have.

It is expected, WITHOUT CONDITION, that students practice a minimum of TWO HOURS each day. This does not include time spent in rehearsals.

Obviously, such a reassignment will adjust the Etude portion of this schedule a week later than listed. This is ENTIRELY dependent on the student’s progress in each area. Additionally, each Professor reserves the liberty to modify this outline per the individual student.
