INTRODUCTION & PURPOSE

Horn is a uniquely beautiful and challenging instrument which has been beloved by composers, conductors, musicians, and audiences for centuries. As horn players, we are well acquainted with this instrument’s wild, unpredictable temperament – but we are also aware of its versatile capability to musically envelope serenity, joy, sorrow, heroism, excitement, etc. in any setting. This is what drives us to take this piece of metal and turn it into a vehicle for expression.

To be able to conquer the challenges that the instrument presents and reap the stunning rewards, we must be diligent and efficient with our learning efforts – practicing daily with intelligence, determination, and heart. My goal as your instructor is to challenge, encourage, and inspire you – pushing you to improve both your technical and musical capabilities on horn beyond what you think possible. My expectations of you as a student are that you work hard, stay positive, and trust that improvement will come at its own pace.

_The only way to do great work is to love what you do._
- Steve Jobs

_Always be a first-rate version of yourself, instead of a second-rate version of somebody else._
- Judy Garland

Pablo Casals when asked why he still practiced four and five hours a day at the age of 81: _Because I think I am making progress._

GRADING CRITERIA
1. Progress
2. Effort & Attitude
3. Attendance
4. Jury/Performance

ATTENDANCE POLICY
- Students are expected to attend all of their scheduled lessons. Lessons that are missed because of excused absences must be re-scheduled with the instructor by the request of the student. Lessons missed due to an unexcused absence will not be made up.
- Requesting an excused absence:
  - Concerts, recitals, rehearsals, classes etc.: must be submitted at least one week in advance via email. Instructor may consider exceptions only if students can provide written documentation supporting their claim from another faculty member/instructor.
  - All other instances: must be submitted at least 24 hours in advance via email.
  - Failure to abide by these terms will result in an unexcused absence.
- Three late arrivals (10 minutes late or less) without acceptable excuses equate to one unexcused absence.
- Students that arrive more than 10 minutes late to a lesson without an acceptable excuse will forfeit the remainder of their lesson and incur an unexcused absence.
- An unexcused absence can result in the lowering of a grade by one letter.
- Instructor will provide list of required studio events at the beginning of the semester. Students are expected to attend these events not only for their own benefit, but also for the performer’s – no one deserves to play to an empty hall when they have worked so diligently. Choosing not to attend concerts is a disservice to yourself, the performer(s), and music itself.
MASK POLICY
As a member of the Texas Tech University System, Angelo State University has adopted the mandatory *Facial Covering Policy* to ensure a safe and healthy classroom experience. Current research on the COVID-19 virus suggests there is a significant reduction in the potential for transmission of the virus from person to person by wearing a mask/facial covering that covers the nose and mouth areas. Therefore, in compliance with the university policy students in this class are required to wear a mask/facial covering before, during, and after class. Faculty members may also ask you to display your daily screening badge as a prerequisite to enter the classroom. You are also asked to maintain safe distancing practices to the best of your ability. For the safety of everyone, any student not appropriately wearing a mask/facial covering will be asked to leave the classroom immediately. The student will be responsible to make up any missed class content or work. Continued non-compliance with the Texas Tech University System Policy may result in disciplinary action through the Office of Student Conduct.
