COVID-19 Management Strategy

While face coverings are not mandatory on campus, anyone who feels more comfortable wearing a face covering should know your decision is supported.

... Each of us has a responsibility - in living our Core Values from "Integrity" to "Commitment" - to do our part to protect the well-being of ourselves, those we serve, and those we live with on a daily basis. Given the known science, we recommend individuals do two things to maximize protection against COVID-19:

1. Wear a facial covering.
Get a vaccination.
