## Covid-19

See University protocol.

## Attendance

Attendance is required by the University. However, Covid-19 could change the dynamics of every class. The best bet is to try to attend as many Face-to-Face classes as possible. We are beginning the semester with the assumption that you will attend each class and no class will be split. Three free absences are allowed for one semester of this course. For every absence thereafter, a letter grade will be deducted from their final grade. Six absences constitute an automatic "F." Written verification of emergency may be required.

## UNIVERSITY COURSE WITHDRAWAL POLICY

The last day to drop a course or to totally withdraw from the University is April 28, 2022.

## UNIVERSITY HONOR CODE

Angelo State University expects its students to maintain complete honesty and integrity in their academic pursuits. Students are responsible for understanding the Academic Honor Code, which is contained both in print and web versions of the Student Handbook. During the semester, you must learn how to use the terms an artist would use. It is not true that your professors do not talk using those words. We do. We do so in an aggressive, "look how many terms I can strategically string together" way all the time because academia is competitive, and we are all athletes trying to stay at the top of our game. We may not do this in front of you because seeing the light fade from your eyes makes us sad. The point is you need to speak and write like an artist. I personally will try to model this behavior more.

## ADA COMPLIANCE

Persons with disabilities which may warrant academic accommodations must contact the Student Life Office, Room 112 University Center, in order to request such accommodations prior to any

accommodations being implemented. You are encouraged to make this request early in the semester so that appropriate arrangements can be made.

#### POLICY/PROCEDURE FOR RELIGIOUS HOLIDAY EXEMPTION

1. "Religious holy day" means a holy day observed by a religion whose places of worship are exempt from property taxation under Texas Tax Code §11.20.
2. A student who intends to observe a religious holy day should make that intention known in writing to the instructor prior to the absence. A student who is absent from classes for the observance of a religious holy day shall be allowed to take an examination or complete an assignment scheduled for that day within a reasonable time after the absence.
3. A student who is excused under section 2 may not be penalized for the absence; however, the instructor may respond appropriately if the student fails to complete the assignment satisfactorily.
