MATH 1342  Elementary Statistics
Spring 2022 Syllabus

Disclaimer
This syllabus is current and accurate as of its posting date, but will not be updated. For the most complete and up-to-date course information, contact the instructor.

Instructor Information
Leslie Cope
Mason High School, 1105 West College Avenue, Mason TX
Phone: 325-347-1122 ext 260
Email: leslie.cope@masonisd.net

Major Course Requirements

Tests  - Students may expect a test at the end of each chapter-oriented topic. The exact dates and coverage of these tests will be announced in class. The final exam will be held as specified in the Mason High School semester exam schedule.

Daily Work & Quizzes  - Daily work will consist primarily of traditional homework problems completed on paper or via Google Classroom. Quizzes will be in the same format, but completed during class.

Calculation  - Your homework and quizzes will count 20%, tests throughout the semester 65%, and the final exam (semester exam) 15%. Then 90 and above is an A, 80-89 is a B, 70-79 is a C, 60-69 is a D, and less than 60 is an F.

Student Learning Outcomes

1. Students will read, interpret, and employ the vocabulary, symbolism, and basic definitions used in statistics including definitions of measures of central tendency; standard deviation; standardized variable; regression line; coefficient of determination; normally distributed variable; sampling distribution of the mean; sampling distribution of the proportion; point estimate; confidence interval estimate; null hypothesis; alternative hypothesis; critical value; and test statistic.

2. Students will identify and apply the laws and formulas that result directly from the definitions; for example, calculation of measures of central tendency; standard deviations; coefficients of determination; critical values and test statistics.

3. Students will use the facts, formulas, and techniques learned in this course to find regression equations for data collected; use regression equations to make predictions; calculate probabilities; find confidence intervals for means and proportions; and perform a variety of hypothesis tests.

4. Students will acquire a level of proficiency in the fundamental concepts and applications necessary for further study in academic areas requiring statistics as a prerequisite, or for work in occupational fields requiring a background in statistics. These fields might include education, business, finance,
marketing, computer science, physical sciences, and nursing, as well as further study in other statistics courses.

Required Texts or Readings

*Elementary Statistics Picturing the World, Third Edition, by Ron Larson and Betsy Farber*

1. **Introduction to Statistics**
   1.1 An Overview of Statistics
   1.2 Data Classification
   1.3 Experimental Design

2. **Descriptive Statistics**
   2.1 Frequency Distributions and Their Graphs
   2.2 More Graphs and Displays
   2.3 Measures of Central Tendency
   2.4 Measures of Variation
   2.5 Measures of Position

3. **Probability**
   3.1 Basic Concepts of Probability
   3.2 Conditional Probability and the Multiplication Rule
   3.3 The Addition Rule

4.1 *Discrete Probability Distributions*

5. **Normal Probability Distributions**
   5.1 Introduction to Normal Distributions and the Standard Normal Distribution
   5.2 Normal Distributions: Finding Probabilities
   5.3 Normal Distributions: Finding Values
   5.4 Sampling Distributions and the Central Limit Theorem

6. **Confidence Intervals**
   6.1 Confidence Intervals for the Mean (Large Samples)
   6.2 Confidence Intervals for the Mean (Small Samples)
   6.3 Confidence Intervals for Population Proportions
   6.4 Confidence Intervals for Variance and Standard Deviation (The Chi-Square Distribution)

7. **Hypothesis Testing with One Sample**
   7.1 Introduction to Hypothesis Testing
   7.2 Hypothesis Testing for the Mean (Large Samples)
   7.3 Hypothesis Testing for the Mean (Small Samples)
   7.4 Hypothesis Testing for Proportions
MATH 1342   Elementary Statistics
Spring 2022 Syllabus

9. Correlation and Regression
9.1 Correlation
9.2 Linear Regression
9.3 Measures of Regression and Prediction Intervals

10.1 Chi-Square Goodness-of-Fit Test

Subject Matter
We will be studying the basics of descriptive statistics, probability, and inferential statistics.

The subject matter schedule listed below is tentative, and subject to change and adaptation. For current, updated information about course topics, contact the instructor.

Honor Code
Angelo State University students shall maintain complete honesty and integrity in their academic pursuits. The University expects all students to engage in all academic pursuits in a manner that is above reproach and to maintain complete honesty and integrity in the academic experiences both in and out of the classroom.

Student Disability Services

ASU is committed to the principle that no qualified individual with a disability shall, on the basis of
disability, be excluded from participation in or be denied the benefits of the services, programs or
activities of the university, or be subjected to discrimination by the university, as provided by the
Americans with Disabilities Act of 1990 (ADA), the Americans with Disabilities Act Amendments of 2008
(ADAAA), and subsequent legislation.

The Office of Student Affairs is the designated campus department charged with the responsibility of
reviewing and authorizing requests for reasonable accommodations based on a disability, and it is the
student’s responsibility to initiate such a request by contacting:

  Ms. Dallas A. Swafford
  Director of Student Disability Services

  • 325-942-2047
  • dallas.swafford@angelo.edu
  • Houston Harte University Center

Title IX Statement

Angelo State University is committed to the safety and security of all students. If you or someone you
know experience sexual harassment, sexual assault, domestic or dating violence, stalking, or
discrimination, you may contact ASU’s Title IX Coordinator:

  Michelle Nicole Boone, J.D.
  Director of Title IX Compliance
Student Absence for Observance of Religious Holy Days

A student who intends to observe a religious holy day should make that intention known in writing to the instructor prior to the absence. See ASU Operating Policy 10.19 Student Absence for Observance of Religious Holy Day for more information.

Incomplete Grade Policy

It is policy that incomplete grades be reserved for student illness or personal misfortune. Please contact faculty if you have serious illness or a personal misfortune that would keep you from completing course work. Documentation may be required. See ASU Operating Policy 10.11 Grading Procedures for more information.

Student Conduct Policies

Academic Integrity

Students are expected to maintain complete honesty and integrity in all work. Any student found guilty of any form of dishonesty in academic work is subject of disciplinary action and possible expulsion from ASU.

Academic Integrity

Plagiarism

Plagiarism is a serious topic covered in ASU’s Academic Integrity policy in the Student Handbook. Plagiarism is the action or practice of taking someone else’s work, idea, etc., and passing it off as one’s own. Plagiarism is literary theft.

In your discussions and/or your papers, it is unacceptable to copy word-for-word without quotation marks and the source of the quotation. It is expected that you will summarize or paraphrase ideas giving appropriate credit to the source both in the body of your paper and the reference list.

Papers are subject to be evaluated for originality via Turnitin. Resources to help you understand this policy better are available at the ASU Writing Center.

Copyright Policy

Students officially enrolled in this course should make only one printed copy of the given articles and/or chapters. You are expressly prohibited from distributing or reproducing any portion of course readings in printed or electronic form without written permission from the copyright holders or publishers.
General Policies Related to This Course

All students are required to follow the policies and procedures presented in these documents:

- Angelo State University Student Handbook
- Angelo State University Catalog
