# Work in pairs (deadlines are in the course outline)

Presentation (60 points):

Students will work in pairs to share something interesting related to a topic from the assigned chapter. Below are some examples:

- 1. Work-related issue that someone is experiencing (e.g., discrimination)
- 2. Activity that will help other students understand a concept
- 3. Interesting video or a movie clip to explain a concept
- 4. Role playing activity
- 5. Engaging PowerPoint presentation on a topic

Below is the rubric that will be used to evaluate your 10-minute presentation (i.e., talk/activity/role play) on a scale of 1 to 10 (1 being the lowest and 10 being the highest score):

- Was the presentation interesting? (1-10 points)
- Were other students (audience) engaged? (1-10 points)
- Did the presenters acted and dressed as professionals? (1-10 points)
- Did the presenters know about the OB concept that was presented? (1-10 points)
- Was the presentation well organized? (1-10 points)
- What did the presenters think about their performance? (1-10 points)

## Reflection paper (40 points):

Each student who presented will submit a one-page reflection paper by the next class meeting explaining:

- 1. How they came up with the presentation idea?
- 2. What was the idea about?
- 3. What did they learn?
- 4. If they have to do the same thing again in future, how they will do it differently?
- 5. Anything else they want to share

Note: The reflection paper should be error free. Consider using the writing center if you are not very confident about your english writing skills.

#### **Course Policies**

## **Academic Honesty and Integrity**

Angelo State University expects its students to maintain complete honesty and integrity in their academic pursuits. Students are responsible for understanding and complying with the university Academic Honor Code, which is in both print and web versions of the ASU Student Handbook.

Academic integrity is expected. This includes, but is not limited to, any form of cheating, plagiarism, unauthorized sharing of work, or unauthorized possession of course materials. The professor assumes that all students can be trusted. Please do no violate this trust. Violation of academic integrity will result in a failing grade for the course.

It is the professor's intention to be as fair and impartial as is humanly possible. Therefore, all students will be asked to adhere to the same set of guidelines and rules UNLESS there are disabilities or documented extenuating circumstances that have been discussed with the professor and the Student Life Office. Please make sure you inform the professor as soon as any situation arises. Do NOT wait until the problem is compounded by poor class performance, poor attendance, etc.

#### **Code of Ethics and Rules**

Students, faculty, administrators and professional staff of the College of Business should always:

- Be forthright and truthful in dealings with all stakeholders
- Take responsibility for one's actions and decisions
- Serve as an example of ethical decision-making and behavior to others
- Admit errors when they occur, without trying to conceal them
- Respect the basic dignity of others by treating them as one would wish to be treated

Below are some other important rules for this course.

1. Cheating, Plagiarism, Scholastic Dishonesty, and Student Discipline: Cheating is unethical and not acceptable. Plagiarism is using information or original wording in a paper without giving credit to the source of that information or wording: it is also not acceptable. Do not submit work under your name that you did not do yourself. You may not submit work for this class that you did for another class. You must cite, reference, or quote information obtained from other sources so you give credit where credit is due. If you do not know how to do that, ask. In addition, when an assignment specifies that you must perform a task individually, asking for your classmates' help is scholastic dishonesty. Do NOT copy any material regardless of where you obtained it into your own work. Do NOT submit work under your name if you did not complete it entirely yourself; be honest and tell me you did it together. The consequences will be less severe when you are up front about it than when you try to hide it.

ASU now has a site license for **Turnitin.com**, a plagiarism detection tool that you can also use to check your own work for this or other classes to prevent getting in trouble. I may report any instances of plagiarism and dishonesty to the Dean of Students Office and the grade for the assignment/course can be an "F" or "zero".

If you want to test your understanding of plagiarism, take the self-assessment at http://education.indiana.edu/~frick/plagiarism or visit http://www.turnitin.com

2. **Deadline Policy and Late Assignments:** It is essential that all of you come to class fully prepared to discuss your work and do well on the in-class assignments. Once a deadline has passed, you can no longer turn in your work. Plan carefully to ensure you meet the deadlines. If you wait until the last minute, things that can go wrong often do. Your computer will crash, the internet connection stops working, etc. If you had started earlier, you would have had time to

deal with those annoyances, and still turn in your assignments on time. Therefore, I cannot accept those types of excuses. Create your time management plan and stick to it, so you can get everything done on time. All assignments are due before midnight, see tentative schedule for deadlines.

- 3. *Missed Tests*: There will be 3 Exams and multiple quizzes/assignments. If, due to a well-documented emergency, there is a possibility of missing an exam it is the responsibility of student to contact the instructor in advance to arrange an alternative option. No arrangements can be made after the fact. Missed quizzes and assignments cannot be made up.
- 4. *Attendance*: This is an in-person class and students are expected to attend all class meetings. In case you have to miss a class meeting, please let the instructor know ASAP.

# **Accommodations for Disability**

ASU is committed to the principle that no qualified individual with a disability shall, on the basis of disability, be excluded from participation in or be denied the benefits of the services, programs or activities of the university, or be subjected to discrimination by the university, as provided by the Americans with Disabilities Act of 1990 (ADA), the Americans with Disabilities Act Amendments of 2008 (ADAAA), and subsequent legislation.

Student Affairs is the designated campus department charged with the responsibility of reviewing and authorizing requests for reasonable accommodations based on a disability, and it is the student's responsibility to initiate such a request by emailing <a href="mailto:studentservices@angelo.edu">studentservices@angelo.edu</a>, or by contacting:

Mrs. Dallas Swafford Director of Student Development Office of Student Affairs University Center, Suite 112 325-942-2047 Office 325-942-2211 FAX Dallas.Swafford@angelo.edu

### **Student Absence for Religious Holidays**

As stated in the Angelo State University Operating Policy and Procedures (OP 10.19 Student Absence for Observance of Religious Holy Day), a student who intends to miss class to observe a religious holy day should make that intention known in writing to the instructor prior to the absence. A student who is absent from classes for the observance of a religious holy day shall be allowed to take an examination or complete an assignment scheduled for that day within a reasonable time after the absence.

### **Course Drop**

To view information about how to drop this course or to calculate important dates relevant to dropping this course, you can visit

http://www.angelo.edu/services/registrars office/course drop provisions.php.

# **Incomplete as a Course Grade**

As stated in the Angelo State University Operating Policy and Procedure (OP 10.11 Grading Procedures), the grade "I" is given when the student is unable to complete the course because of illness or personal misfortune. For undergraduates, an "I" that is not removed before the end of the next long semester automatically becomes an "F". A graduate student will be allowed one year to remove a grade of "I" before it automatically becomes an "F". To graduate from ASU, a student must complete all "I's".

# **Grade Appeal Process**

As stated in the Angelo State University Operating Policy and Procedures (OP 10.03 Student Grade Grievances), a student who believes that he or she has not been held to appropriate academic standards as outlined in the class syllabus, has experienced inequitable evaluation procedures, or inappropriate grading practices, may appeal the final grade given in the course. The burden of proof is upon the student to demonstrate the appropriateness of the appeal. A student with a complaint about a grade is encouraged to first discuss the matter with the instructor. For complete details, including the responsibilities of the parties involved in the grade appeal process and the number of days allowed for completing the steps in the process, see Operating Procedure 10.03 at: <a href="http://www.angelo.edu/content/files/14196-op-1003-grade-grievance">http://www.angelo.edu/content/files/14196-op-1003-grade-grievance</a>.
