### **Course Requirements**

History 1302 requires two midterm examinations and one final examination. The final exam is not cumulative. All examinations are drawn from the lectures and the assigned readings—the latter of which is a required element for your assignments. Exams that do not incorporate the readings will not fare well. So too, exams that incorporate only the readings and exclude the lectures will fall short. Good attendance is wise as my experience has been that those who miss lectures do poorly on the exams. Honesty and integrity are critical character values. Cheating will not be tolerated. **Please turn off your cell phones while in the classroom.** If you have an emergency that may necessitate a phone call during the class period, please let the instructor know in advance.

### **Stipulations**

1. This is an in-person lecture course.
2. I will not give you my lecture notes.
3. All quizzes will be online through Blackboard. All examinations will be in class. Makeup of Exams/Assignments (Sick/Missed day/Connectivity Issue): If you have prior knowledge that you are unable to take an exam at the designated time, inform the instructor at least one week in advance of the exam date. **A makeup date will be no later than one class period after the initial exam.** A zero grade will be given after that time. You must contact me to schedule a makeup date. After initial contact you have until the end of the next class to retake the exam or turn in the assignment. A zero grade will be given if the exam/assignment is not attempted by the end of the next class. You will have multiple days to take the quizzes. There will be no opportunities to retake the quizzes after the final due dates.
4. Class attendance: I will take attendance daily (seating chart). Late attendance to class will be counted as an absence (5 minute grace period). If you are more than ten minutes late to class, please do not enter the classroom. If the professor is more than ten minutes late, you may walk. Points will **not** be

deducted for absences when calculating your final grade, but any student having 5 or more absences will be reported to the ASU Early Alert Program.

5. Students must regularly check email and Blackboard for any changes that arise. Should it become necessary, courses may have to go online, and the professors or department chairs will provide all relevant information in such a case.
