Course Information
Course Description
This course provides nurse educator students a supervised practicum experience in an educational setting. Learning experiences are planned to meet course and individual learning goals. Experiences will focus on developing skills in leadership, organizational and administrative roles, curriculum process, classroom / clinical teaching, and evaluation. Students will work with faculty to select appropriate practicum settings and will complete 100 clock-hours in the educator role.

Course Credits
1-0-100

Prerequisite / Co-requisite Courses
NUR 6338, NUR 6340, NUR 6319 / None

Prerequisite Skills
Accessing internet web sites, use of ASU Library resources, and proficiency with Microsoft Word and/or PowerPoint are expectations of the program name. Computer access requirements are further delineated in the graduate Handbook. Tutorials for ASU Library and for Blackboard are available through RamPort. The ASU Graduate Nursing Student Handbook should be reviewed before taking this course.
Program Outcomes
Upon completion of the program of study for the MSN Program, the graduate will be prepared to:
1. Integrate nursing and related sciences into the delivery of advanced nursing care to diverse populations.
2. Apply organizational and systems leadership skills.
3. Design and implement quality improvement initiatives.
4. Integrate best research evidence to improve health outcomes.
5. Utilize informatics, healthcare technology and information systems.
6. Advocate through system level policy development.
7. Employ effective communication in inter-professional teams.
8. Synthesize the impact of health determinants for provision of culturally relevant health promotion/disease prevention strategies.
9. Practice at the level of a master’s prepared nurse.

**Grading System**

Course grades will be dependent upon completing course requirements and meeting the student learning outcomes.

The following grading scale is in use for this course:

- A = 90.00-100 percent
- B = 80.00-89.99 percent
- C = 70.00-79.99 percent
- F = <70.00 (Grades are not rounded up)

For all assessments, I will allow revision/re-do if a ‘fail’ decision is made. Revised assignments must be submitted no later than six (6) days after receiving the initial assigned grade.
Teaching Strategies
Students are expected to be “active learners.” It is a basic assumption of the instructor that students will be involved (beyond the materials and lectures presented in the course) discovering, processing, and applying the course information using peer-review journal articles, researching additional information and examples on the Internet, and discussing course material and clinical experiences with their peers. Examples of learning strategies used in this course include readings, discussion forums, and writing assignments.

Preceptor Guided Learning Experiences: Your preceptor has agreed to work with you as an additional responsibility. They receive no teaching credit or reduced workload to do so. Be considerate of their time. Plan well in advance and keep them informed at all times. Do not leave anything until the last minute. You must attend all pre-scheduled days and activities. You should arrive early and be willing to stay as long as necessary to complete the activity. Please check with your preceptor to see what the appropriate attire will be for your experience (e.g. lab coat, scrubs, dress clothes, etc.). Be sure you wear your nametag that identifies you as an Angelo State University MSN student. Confidentiality must be maintained at all times. You are not to discuss students, their progress, or any patient-related activities with anyone other than your preceptor or course facilitator. Any breach of confidentiality will result in course failure.

Assignment and Activity Descriptions
*Please note: Rubrics for all assignments and activities are located at the end of this syllabus.

Weekly Objectives Assignments: Each week students will develop a list of objectives they wish to achieve during the practicum experiences.

Discussion Board Activities: Discussion Boards provide an avenue for synthesis of material / information. A discussion board is provided in this course as a way to help students’ process course materials, express thoughts, and engage others opinions and ideas in a healthy and productive learning environment. Students are expected to respond to all discussion board assignments and support individual answers with evidence-based findings.

Instructional Experience: In collaboration with the supervising preceptor, nurse educator students will be expected to (1) develop a lesson plan for a learning experience in either a classroom or clinical setting, (2) conduct the instructional experience with students while under the supervision of the preceptor, and (3) perform an evaluation of the educational experience which includes student feedback and revisions to the lesson plan. Students are encouraged to use the preceptor and the course facilitator as resources for feedback on ideas and plans. Students are expected to develop all aspects of the learning experience.

Self-reflection Papers: Allows students opportunity to reflect on personal development and foster helpful lifelong learning habits.
Documentation Forms: All students are expected to maintain a Documentation Form regarding student activities completed during the practicum experience (100 clock-hours in the nurse educator role).

Assignment Submission
All assignments must be submitted through the Assignments link in the Blackboard site. This is for grading, documenting, and archiving purposes. Issues with technology use arise from time to time. If a technology issue does occur regarding an assignment submission, email me at robert.michael@angelo.edu and attach a copy of what you are trying to submit. Please contact the IT Service Center at (325) 942-2911 or go to your Technology Support tab to report the issue. This lets your faculty know you completed the assignment on time and are just having problems with the online submission feature in Blackboard. Once the problem is resolved, submit your assignment through the appropriate link. This process will document the problem and establish a timeline. Be sure to keep a backup of all work.

Late Work or Missed Assignments Policy
Due dates and times for assignments are posted in the course schedule. Failure to submit your No papers or postings will be accepted more than six (6) days past the assigned due date. Non-submitted items do not qualify under revision/re-do allowances as noted in the Grading System above assignments on the assigned date will result in a five percent (5 %) deduction for each day after the posted deadline.

General Policies Related to This Course
All students are required to follow the policies and procedures presented in these documents:

- Angelo State University Student Handbook
- Angelo State University Graduate Catalog
- Graduate Nursing Student Handbook

Student Responsibility and Attendance
This class is asynchronous, meaning you do not have to be on-line at a certain time. In order to complete this course successfully, you do have to participate in all course activities i.e. discussion boards, course projects, reflective logs, etc. Students are expected to engage in course activities and submit work by due dates and times. The hope is that students will make substantive contributions which reflect integration of assigned materials as well as any outside readings as appropriate. Scholarly contribution is an expectation.

Academic Integrity
Students are expected to maintain complete honesty and integrity in all work. Any student found guilty of any form of dishonesty in academic work is subject of disciplinary action and possible expulsion from ASU.

The College of Health and Human Services adheres to the university’s Statement of Academic Integrity.
**Accommodations for Students with Disabilities**

ASU is committed to the principle that no qualified individual with a disability shall, on the basis of disability, be excluded from participation in or be denied the benefits of the services, programs or activities of the university, or be subjected to discrimination by the university, as provided by the Americans with Disabilities Act of 1990 (ADA), the Americans with Disabilities Act Amendments of 2008 (ADAAA) and subsequent legislation.

Student Disability Services is located in the Office of Student Affairs, and is the designated campus department charged with the responsibility of reviewing and authorizing requests for reasonable accommodations based on a disability. It is the student’s responsibility to initiate such a request by contacting an employee of the Office of Student Affairs, in the Houston Harte University Center, Room 112, or contacting the department via email at ADA@angelo.edu. For more information about the application process and requirements, visit the Student Disability Services website. The employee charged with the responsibility of reviewing and authorizing accommodation requests is:

Dallas Swafford  
Director of Student Disability Services  
Office of Student Affairs  
325-942-2047  
dallas.swafford@angelo.edu  
Houston Harte University Center, Room 112

**Communication**

Faculty will respond to email and/or telephone messages within 36 hours during working hours Monday through Friday. Weekend messages may not be returned until Monday.  

**Written communication via email:** All private communication will be done exclusively through your ASU email address. Check frequently for announcements and policy changes. In your emails to faculty, include the course name and section number in your subject line.  

**Virtual communication:** Office hours and/or advising may be done with the assistance of the telephone or Collaborate.

**Netiquette**

The online setting of our course promotes the advancement of knowledge through positive and constructive discussion. Professional netiquette should be used when communicating with students and faculty online, including discussions and emails. Basic academic rules of good behavior and proper "Netiquette" are required and must prevail. Students should be timely in their online communication and should ensure to post discussion responses and replies on time. Students should not discuss confidential information in discussion responses and replies. The absence of face-to-face interaction increases the likelihood of misinterpretation. Avoid using offensive language, excessive exclamation points, all caps, humor and sarcasm, acronyms, emojis, and slang. Watch your “tone”- it can be very easy to misinterpret someone’s meaning online. Never write anything that you would not want posted on the wall of a face-to-face
classroom. Recognize and value the experiences, abilities, and knowledge each person brings to class. Remember that there is a real live person to be treated with respect at the other end reading your posts and emails. If you disagree with ideas, state opposing argument in a diplomatic and respectful manner. Think about what you have written before you submit it. Be concise, use appropriate formatting, proofread and spell check your message.

Incomplete Grade Policy
It is policy that incomplete grades be reserved for student illness or personal misfortune. Please contact faculty if you have serious illness or a personal misfortune that would keep you from completing course work. Documentation may be required. See ASU Operating Policy 10.11 [Grading Procedures][8] for more information.

Plagiarism
Plagiarism is a serious topic covered in ASU’s [Academic Integrity policy][9] in the Student Handbook. Plagiarism is the action or practice of taking someone else’s work, idea, etc., and passing it off as one’s own. Plagiarism is literary theft.

In your discussions and/or your papers, it is unacceptable to copy word-for-word without quotation marks and the source of the quotation. It is expected that you will summarize or paraphrase ideas giving appropriate credit to the source both in the body of your paper and the reference list.

Papers are subject to be evaluated for originality. Resources to help you understand this policy better are available at the [ASU Writing Center][x].

Academic Calendar
Students are responsible for adhering to all dates set forth in the [ASU Academic Calendar][11] for the semester.

Special Notes:
- a) If you are graduating this semester, please make sure you complete your application for graduation.
- b) If you are taking the Comprehensive Exam this semester, please register for this exam.
- c) Please note the University Calendar for the Last day to drop a class or withdraw from a regular semester
  - [Drop an online class][xii]
  - [Withdraw from school][xiii]
- d) Notify your faculty if you plan to drop or withdraw. A general understanding of the circumstances will be helpful for program development.
Student Absence for Observance of Religious Holy Days
A student who intends to observe a religious holy day should make that intention known in writing to the instructor prior to the absence. See ASU Operating Policy 10.19 Student Absence for Observance of Religious Holy Days for more information.

Copyright Policy
Students officially enrolled in this course should make only one printed copy of the given articles and/or chapters. You are expressly prohibited from distributing or reproducing any portion of course readings in printed or electronic form without written permission from the copyright holders or publishers.

Syllabus Changes
The faculty member reserves the option to make changes as necessary to this syllabus and the course content. If changes become necessary during this course, the faculty will notify students of such changes by email, course announcements and/or via a discussion board announcement. It is the student’s responsibility to look for such communications about the course on a daily basis.

Title IX at Angelo State University
Angelo State University is committed to providing and strengthening an educational, working, and living environment where students, faculty, staff, and visitors are free from sex discrimination of any kind. In accordance with Title VII, Title IX, the Violence Against Women Act (VAWA), the Campus Sexual Violence Elimination Act (SaVE), and other federal and state laws, the University prohibits discrimination based on sex, which includes pregnancy, and other types of Sexual Misconduct. Sexual Misconduct is a broad term encompassing all forms of gender-based harassment or discrimination and unwelcome behavior of a sexual nature. The term includes sexual harassment, nonconsensual sexual contact, nonconsensual sexual intercourse, sexual assault, sexual exploitation, stalking, public indecency, interpersonal violence (domestic violence or dating violence), sexual violence, and any other misconduct based on sex.
You are encouraged to report any incidents involving sexual misconduct to the Office of Title IX Compliance and the Director of Title IX Compliance/Title IX Coordinator, Michelle Boone, J.D.
You may submit reports in the following manner:
   Online: www.angelo.edu/incident-form
   Face to face: Mayer Administration Building, Room 210
   Phone: 325-942-2022
   Email: michelle.boone@angelo.edu

Note, as a faculty member at Angelo State, I am a mandatory reporter and must report Incidents involving sexual misconduct to the Title IX Coordinator. Should you wish to speak to someone in confidence about an issue, you may contact the University Counseling Center (325-942-2371), the 24-Hour Crisis Helpline (325-486-6345), or the University Health Clinic (325-942-2171).
For more information about resources related to sexual misconduct, Title IX, or Angelo State’s policy please visit: www.angelo.edu/title-ix.
Course Disclaimer
Although it is never the intention of this course instructor to offend anyone, on rare occasions students do become offended during discussions. The nature of the content of this course may lead to someone being offended by ideas read or presented, or someone’s ideas or opinions shared. The purpose is to encourage you to consider, objectively, the viewpoints reflected in other’s works as you examine your own views, assumptions, and preconceptions in an attempt to formulate an informed, thoughtful, and defensible position. It is not the intent of this class to “indoctrinate” you into any particular point of view, persuade you to adopt any specific position, or even “challenge” your personal beliefs. The hope is that, together, we can all remain as objective as possible and keep our discussions on a high intellectual plane.

Student Evaluation of Faculty and Course
Students in all programs are given the opportunity to evaluate their courses and the faculty who teach them. Evaluations are most helpful when they are honest, fair, constructive, and pertinent to the class, clinical experience, or course. Faculty value student evaluations, and use student suggestions in making modifications in courses, labs and clinical experiences. Angelo State University uses the IDEA (Individual Development and Educational Assessment) system administered through Kansas State University for all course evaluations. The Office of Institutional Research and Assessment administers IDEA for the entire university, online and has established a policy whereby students can complete course evaluations free from coercion.

The following are considered essential, evaluation items for this course.
- Learning to apply course material (to improve thinking, problem solving, and decisions)
- Developing specific skills, competencies, and points of view needed by professionals in the field most closely related to this course
- Acquiring skills in working with others as a member of a team
- Developing creative capacities
