Student Affairs Administration

- Provide administrative leadership and direction for the Division of Student Affairs, including Career Development, Center for Student Involvement (Greek Life and Community Service, Leadership, Student Organizations, and University Center Program Council), Food Services, Housing and Residential Programs, Student Development (Student Disability Services and VET Center), Student Life (Cheerleading, New Student and Transfer Orientation, and Student Government), Student Services (Behavioral Intervention Team, Counseling Center, Title IX Compliance, and Student Conduct), and University Recreation (Aquatics, Camps, Club Sports, Facilities, Fitness, Intramural Sports, Instructional Programs, Open Recreation, Outdoor Pursuits, and Wellness).
- Perform a variety of administrative functions such as strategic planning and goal setting, program development, student development assessment and evaluation, and policy formulation and interpretation.
- Manage the human resources assigned to the Student Affairs Division by providing direction, evaluation, and appropriate opportunities for professional development.
- Manage the fiscal and material resources that have been allocated to the division in a manner that is consistent with institutional goals and applicable policies and procedures.
- Collaborate with other internal divisions, external organizations, and constituencies that provide support for the mission of the division and the university.
- Ensure compliance with regulations and laws pertaining to divisional operations.

Recreation Administration

- Responsible for directing a comprehensive University Recreation Department, which includes aerobics, aquatics, facility management, fitness, instructional, intramurals, open recreation, outdoor recreation, special events, sport clubs, wellness, and youth programs.
- Provide leadership and vision for all essential components of the department including the mission and vision statements, assessment plans, learning outcomes, strategic planning goals, budget development and management, risk management, and departmental policies and procedures.
- Train and supervise program heads to provide quality support and customer service.
- Develop and administer a \$1.4 million operating budget and capital improvement program.
- Promote and market programs and services to university community.
- Direct contract negotiations that include addressing critical issues associated with membership agreements, rental contracts, and fee proposals.
- Direct implementation efforts for short and long-term facility renovations, improvements, and modernization programs for optimum utilization of facilities.
- Collaborate with other departments to create a community that fosters life-long wellness.

Officiating and Officials' Training

- Responsible for total administration, scheduling, supervision, and evaluation of over 60 high school sports officials.
