PROFESSIONAL GOALS

My professional goals as a teacher are to consistently improve my practice and implementation of pedagogy, assist all students in reaching their target writing and educational goals, and help prepare them for the professional world upon graduation from post-secondary education. I have a particular interest in students who are pursuing their education under atypical circumstances, and desire to help them improve their writing practice.

WORK EXPERIENCE

Northwest Vista College

Adjunct—Department of Education
EDUC 1301
July 2024- Present

Boerne Independent School District

Teacher- AP English Language and Composition; UT OnRamps Rhetoric Dual Enrollment, AP Seminar, AP/DC English Literature and Composition, DC Composition
Aug. 2021- Present
Teachers at Boerne ISD are responsible for delivering differentiated course content to students to ensure maintaining grade level educational standards for the state of Texas.

Texas State University

Graduate Instructional Assistant
Aug. 2020- May 2021
Graduate Instructional Assistants at Texas State University aid Associate or Assistant professors in their daily teaching and grading responsibilities of undergraduate- level students and courses. Responsibilities include :

- Maintaining records of student progress, attendance, and grades through Canvas.
- Evaluating student assignments, quizzes, and tests for coherence, accuracy, and completion.
- Addressing student concerns and questions via synchronous Zoom classes, office hour Zoom meetings, or email.

VIPKID

ESL Teacher
Jan. 2020- Aug. 2020
ESL teachers at VIPKID are contract instructors who teach students in China the mechanics of the English language. Responsibilities include :

- Conducting one-on-one lessons with students from ages 3-14 online, focusing on assigned curriculum.
- Maintaining records of student progress, communicating progress of the student to his or her parent, and working with the student on individual goals and areas of improvement.
