RESEARCH PROJECTS

2004-2011 International Research & Exchanges Board (IREX) Media Sustainability Index (MSI) Georgia, 2004, 2005, 2006/2007, 2008, 2009, 2010, 2011 <http://www.irex.org/resource/georgia-media-sustainability-index-msi>, logistics, moderator, report author.

MSI is an annual focus group “designed to ... measure the strength and viability of any country’s media sector. The MSI considers all the factors that contribute to a media system – the quality of journalism, effectiveness of management, the legal environment supporting freedom of the press, and more... IREX currently conducts the MSI in 80 countries.” (IREX, MSI, 2014).
