Texas Tech University, Lubbock, TX

Bachelors of Science: Psychology, April 2008
Western Michigan University, Kalamazoo, MI

TEACHING EXPERIENCE

STUDENT ISSUES IN HIGHER EDUCATION, 3 credit undergraduate level course
Texas State University

Spring 2012, Fall 2012
Department of Counseling

This course focused on leadership models, student development theories, and student population cultures. It was an interactive course with lectures, group projects, individual assignments, and group discussions.

UNIVERSITY SEMINAR, 1 credit undergraduate level course- first year experience
Texas State University

Fall 2013
University College

This course focused on successful transition to the University for first year students, connecting students to resources, and working through typical issues that students face during their first year. It was an interactive course that emphasized group discussion, projects in collaboration with various campus offices, and self-discovery for the students.
