

Kalynn H. Mohr

kalynn.mohr@angelo.edu | 325-486-6757

Angelo State University | ASU Station #10888 | San Angelo, TX 76909

Education

Master of Science | Angelo State University

May 2021

Animal Science

- Thesis Title: Prevalence and Antimicrobial Susceptibility of *Salmonella* spp. and *E. coli* in Market Show Swine and Cattle after the Implementation of the Veterinary Feed Directive
- Course Focus: Meat and Food Science, Food Safety and Sanitation, Food Microbiology

Bachelor of Science | Angelo State University

May 2019

Agricultural Science and Leadership

- Minor: Animal Science
- Course Focus: Youth Development, Animal Science, Meat and Food Science, Food Safety
- Summa Cum Laude

Associates of Science | Howard College

May 2017

Agriculture

- Course Focus: Animal Science and Range and Natural Resources
- Summa Cum Laude

Work Experience

Instructor/Research Associate | Angelo State University

June 2024 – Present

- Instruct courses in Principles of Animal Science and Technology in Ag and Sciences
- Assist in research at the Management, Instruction, and Research Center
- Advise undergraduate students that are Animal Science majors
- Recruit prospective agriculture students for the department
- Serve as a Faculty Advisor for various student organizations

Communications Supervisor | Angelo State University

October 2022 – May 2024

- Manage daily operations of EM Call Center and oversee a team of four communication assistants including hiring, training, and daily outbound production of calling campaigns
- Create strategic calling campaigns using Salesforce flows, write and edit scripts, collect and analyze stats to improve campaign performance to increase overall enrollment
- Coordinate and facilitate printing and mailing of publications and letters to prospective students, develop publication sending schedules, and manage inventory assets
